Rule: Housing in Unincorporated Communities
Organization or affiliation (optional):
Comment: We are opposed to the current proposal for Housing in Unincorporated areas. SLOW DOWN to consider all relevant facts. The long term community development must be prioritized over a political push. Terrebonne does not have infrastructure to add more housing, water is a concern, and firefighting capabilities are not feasible in the short term. An expansion to Terrebonne would have to be covered by Redmond Fire and they would need millions of dollars to meet the need.
