Comment: There is already enough land to build and use for housing and corporate use. Please don't add unincorporated land or Farmland for any housing use. Without these other types of land, there is no more land for use for farming or other types of agricultural use. This is a BIG Mistake!!! When it's gone, you can't get it back They bring bring in tons of rock, asphalt and concrete to cover our beautiful farmland, etc. That is a REAL CRIME!
