The claimants, Craig Chisholm and Douglas Chisholm, filed a claim under ORS 197.352 (2005) (Measure 37) on May 25, 2005, for property located at 14406 South Clackamas River Drive, near Oregon City, in Clackamas County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants. This Final Order and Home Site Authorization is the conclusion of the supplemental review of this claim.

---

<sup>1</sup> The claimants' mother, Jean Chisholm, was also a claimant on the Measure 37 claim; however, she has passed away since the filing of the claim. Based on her date of death, Ms. Chisholm's estate does not qualify for any of the provisions in Measure 49 that would allow her relatives to continue her claim. The claimants' sister, Catherine Chisholm, was also a claimant on the Measure 37 claim; however, she is not an owner of the subject property and did not elect supplemental review of the Measure 37 claim.

<sup>2</sup> The Measure 37 claim property originally consisted of tax lots 1000, 2801, and 2802. The claimants did not elect supplemental review on tax lots 2801 and 2802 because the claimants no longer own those tax lots.

## I. ANALYSIS OF CLAIM

### A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election materials. The Measure 37 waiver issued for this claim describes 19 home sites. Therefore, the claimants may qualify for a maximum of three home sites approvals under Section 6 of Measure 49.

### B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49 the claimants must meet each of the following requirements:

#### **1. Timeliness of Claim**

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

#### **Findings of Fact and Conclusions**

The claimants, Craig Chisholm and Douglas Chisholm, filed a Measure 37 claim, M118524, with the state on May 25, 2005. The claimants filed a Measure 37 claim, ZC017-05, with Clackamas County on January 24, 2005. The state claim was filed prior to December 4, 2006. The claimants timely filed a Measure 37 claim with both the state and Clackamas County.

#### **2. The Claimant Is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) if the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

#### **Findings of Fact and Conclusions:**

According to the deed and trust documents submitted by the claimants, Craig Chisholm and Douglas Chisholm are the trustees of an irrevocable trust into which the Measure 37 property has

been conveyed and, therefore, are owners of the property under Measure 49. Clackamas County has confirmed that the claimants are the current owners of the property.

According to additional information obtained by the agency, Jean Chisholm passed away on July 25, 2005. Because Ms. Chisholm passed away prior to December 6, 2007, and because this claim was filed prior to November 1, 2006, the claimants cannot continue this claim on Ms. Chisholm's behalf

### **3. All Owners Have Consented in Writing to the Claim**

All owners of the property must consent to the claim in writing.

#### **Findings of Fact and Conclusions:**

All owners of the property have consented to the claim in writing.

### **4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

#### **Findings of Fact and Conclusions:**

The Measure 37 claim property is located in Clackamas County, outside the urban growth boundary and outside the city limits of the nearest city, Oregon City.

### **5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

#### **Findings of Fact and Conclusions:**

The property is currently zoned Rural Residential Farm Forest-5 (RRFF-5) by Clackamas County, in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, prohibit the establishment of a lot or parcel less than 20 acres for property within a mile of the UGB for the Portland metropolitan area. Because the claimants' property is within a mile of the Portland metropolitan area UGB all new lots or parcels must be at least 20 acres in size.

The claimants' property consists of 19.04 acres Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

**6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

**Findings of Fact and Conclusions**

Based on the documentation submitted by the claimants, the establishment of the three home sites for which the claimant may qualify on the property is not prohibited by land use regulations described in ORS 195.305(3).

**7. On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

**Findings of Fact and Conclusions**

Clackamas County deed records indicate that the claimants acquired the property on January 7, 1990, the date upon which the C.G. Chisholm Trust became irrevocable.

On January 7, 1990, the Measure 37 claim property was subject to Clackamas County’s acknowledged RRF-5 zone. Clackamas County’s RRF-5 zone required five acres for the establishment of a dwelling on a lot or parcel. On the claimants’ acquisition date, the claimant lawfully could not have established a dwelling on a lot or parcel less than five acres. The claimants’ property consists of 19.04 acres. Therefore, the claimants lawfully could have established the maximum limit of three home sites their date of acquisition.

## **II. COMMENTS ON THE PRELIMINARY EVALUATION**

The department issued its Preliminary Evaluation for this claim on September 4, 2008. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

## **III. CONCLUSION**

Based on the analysis above, the claimants qualify for up to three home sites. However, the number of lots, parcels or dwellings that a claimant may establish pursuant to a home site authorization is reduced by the number of lots, parcels or dwellings currently in existence on the Measure 37 claim property and any contiguous property under the same ownership.

Based on the documentation provided by the claimants and Clackamas County the Measure 37 claim property includes one lot or parcel and one dwelling. There is no contiguous property under the same ownership. Therefore, the three home site approvals the claimants qualify for under Section 6 of Measure 49 will authorize the claimants to establish up to two additional lots or parcels and two additional dwellings on the Measure 37 claim property. Each dwelling must be on a separate lot or parcel, and must be contained within the Measure 37 claim property. The claimants may alter the configuration of the lots or parcels currently in existence on the Measure 37 claim property and contiguous property so that each additional dwelling established on the Measure 37 claim property, pursuant to the home site approvals, is sited on a separate lot or parcel. A claimant is not eligible for more than 20 home site approvals under Sections 5 to 11 of Measure 49 regardless of how many properties a claimant owns or how many claims a claimant filed. If the claimants have developed the limit of twenty home sites under Measure 49, the claimants are no longer eligible for the home site approvals that are the subject of this order.

## **IV. HOME SITE AUTHORIZATION**

Based on the analysis set forth above, this claim is approved, and the claimants qualify for three home site approvals. As a result, the claimants are authorized for two additional lots or parcels and two additional dwellings on the property on which the claimants are eligible for Measure 49 relief, subject to the following terms:

1. Each dwelling must be on a separate lot or parcel, and must be contained within the property on which the claimants are eligible for Measure 49 relief. The establishment of a land division or dwelling based on this home site authorization must comply with all applicable standards governing the siting or development of the land division or dwelling. However, those standards must not be applied in a manner that prohibits the establishment of the land division or dwelling, unless the standards are reasonably necessary to avoid or abate a nuisance, to protect public health or safety, or to carry out federal law.
2. This home site authorization will not authorize the establishment of a land division or dwelling in violation of a land use regulation described in ORS 195.305(3) or in violation of any other law that is not a land use regulation as defined by ORS 195.300(14).

3. The number of lots, parcels or dwellings a claimant may establish under this home site authorization is reduced by the number of lots, parcels and dwellings currently in existence on the Measure 37 claim property and contiguous property in the same ownership, regardless of whether evidence of their existence has been provided to the department. If lots, parcels or dwellings currently exist on the Measure 37 claim property or on contiguous property under the same ownership and the lots, parcels or dwellings have not been disclosed to the department, then the number of additional lots, parcels or dwellings a claimant may establish pursuant to this home site authorization must be reduced according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49.
4. Temporary dwellings are not considered in determining the number of existing dwellings currently on the property. The claimants may choose to convert any temporary dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site pursuant to a home site approval. Otherwise, any temporary dwelling is subject to the terms of the local permit requirements under which it was approved, and is subject to removal at the end of the term for which it is allowed.
5. A home site approval only authorizes the establishment of a new lot, parcel or dwelling on the property on which the claimants are eligible for Measure 49 relief. No additional development is authorized on contiguous property for which no Measure 37 claim was filed or on Measure 37 claim property on which the claimants are not eligible for Measure 49 relief. A lot or parcel established pursuant to a home site approval must either be the site of a dwelling that is currently in existence or be the site of a dwelling that may be established pursuant to the home site approval.
6. The claimants may use a home site approval that does not authorize a new lot parcel or dwelling to convert a lot, parcel or dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site. If the number of lots parcels or dwellings existing on the property on which the claimants are eligible for Measure 49 relief exceeds the number of home site approvals the claimants qualify for under a home site authorization, the claimants may select which existing lots, parcels or dwellings to convert to authorized home sites; or may reconfigure existing lots parcels or dwellings so that the number is equivalent to the number of home site approvals.
7. A home site approval does not authorize the establishment of a new dwelling on a lot or parcel that already contains one or more dwellings. The claimants may be required to, alter the configuration of the lots or parcels currently in existence on the Measure 37 claim property and contiguous property so that each additional dwelling established on the property on which the claimants are eligible for Measure 49 relief, pursuant to this home site authorization, is sited on a separate lot or parcel.
8. If the claimants transferred their ownership interest in the Measure 37 claim property prior to the date of this order, this order is rendered invalid and authorizes no home site approvals. Provided this order is valid when issued, a home site approval authorized under this order runs with the property and transfers with the property. A home site approval will not expire, except that if a claimant who received this home site authorization later conveys the

property to a party other than the claimant's spouse or the trustee of a revocable trust in which the claimant is the settlor, the subsequent owner of the property must establish the authorized lots, parcels and dwellings within 10 years of the conveyance. A lot or parcel lawfully created based on this home site authorization will remain a discrete lot or parcel, unless the lot or parcel lines are vacated or the lot or parcel is further divided, as provided by law. A dwelling lawfully created based on a home site approval is a permitted use.

9. If an owner of the property is authorized by other home site authorizations to subdivide, partition, or establish dwellings on other Measure 37 claim properties, Measure 49 authorizes the owner to cluster some or all of the authorized lots, parcels or dwellings that would otherwise be located on land in an exclusive farm use zone, a forest zone or a mixed farm/forest zone on a single Measure 37 claim property that is zoned residential use or is located in an exclusive farm use zone, a forest zone or a mixed farm/forest zone, but is less suitable for farm or forest use than the other Measure 37 claim properties.
10. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, this home site authorization will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the subject property imposed by private parties.

IT IS HEREBY ORDERED that this Final Order and Home Site Authorization is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
