The claimant, BLM Inc. of Hood River, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 13, 2004, for property located at 1750 Orchard Road, 1897 Orchard Road, 1839 Orchard Road, 1511 Orchard Road, 1545 Orchard Road, 1470 Nunamaker Road, 1400 Icy Road, 2128 Dee Highway and 2200 Tucker Road, near Hood River, in Hood River County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of its Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

1 The Oregon Secretary of State administratively dissolved BLM, Inc. of Hood River on September 4, 1997.
I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes more than three home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimant, BLM Inc. of Hood River, filed a Measure 37 claim, M118962, with the state on December 13, 2004. The claimant filed a Measure 37 claim, 04-M002, with Hood River County on December 13, 2004. The state claim was filed prior to December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Hood River County.

2. The Claimant Is an Owner of the Property

Measure 49 defines “Owner” as: “(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner.”
Findings of Fact and Conclusions:

According to the deed submitted by the claimant, BLM Inc. of Hood River is the owner of fee title to the property as shown in the Hood River County deed records and, therefore, is an owner of the property under Measure 49.

However, on September 4, 1997, the claimant was administratively dissolved by the Oregon Secretary of State, Corporation Division (ORS 60.647 – 60.657). ORS 60.654 allows for the reinstatement of administratively dissolved corporations within five years after the date of dissolution. The Corporation Division has no record that any effort was made within that five-year period to reinstate the claimant corporation.

While dissolution of a corporation does not affect the claimant's title to its property (ORS 60.637(2)), the fact that the claimant corporation was dissolved limits its authority to act as an owner with regard to its property. ORS 60.651(3) provides:

A corporation administratively dissolved continues its corporate existence but may not carry on any business except that necessary to wind up and liquidate its business and affairs under ORS 60.637, and notify claimants under ORS 60.641 and 60.644.

In other words, an administratively dissolved corporation may only carry on those activities listed in ORS 60.637 that are “necessary” to wind up and liquidate its business and affairs. The department finds that the pursuit of this claim for relief under Measure 49 is not within the scope of activities in which the claimant, as an administratively dissolved corporation, is permitted to engage because the claimant’s claim for relief under Measure 49 is not “necessary” to wind up the corporation’s business and affairs as the claimant could not implement the relief.

Based on this determination, the department does not make any further evaluation or determination on the merits or substance of the claim.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on January 4, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimant is not eligible for any relief under Measure 49 because the claimant is an administratively dissolved corporation with no authority to pursue or implement relief under Measure 49.
IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
