Boss and Peaches, LLC
Morgan & Engle, Inc.

**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 27S, Range 7W
Section 20D, Tax lot 100
Section 21, Tax lot 200

The claimants, Dwight and Valda Morgan, Boss and Peaches, LLC and Morgan & Engle, Inc., filed a claim with the state under ORS 197.352 (2005) (Measure 37) on September 15, 2006, for property located near Roseburg, in Douglas County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

¹ Claimants also filed claim M133127 for the same property. Measure 49 Section 6(5) provides:

“If multiple claims were filed for the same property, the number of lots, parcels or dwellings that may be established for purposes of subsection (2)(a) of this section is the number of lots, parcels or dwellings in the most recent waiver issued by the state before the effective date of this 2007 Act or, if a waiver was not issued, the most recent claim filed with the state, but not more than three in any case.”

This final order addresses M122339 because that claim is the most recent claim filed with the state.

² Claimants also have claims E131750, E131751 and E131752 for property that is not contiguous to tax lots 100 and 200.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes 18 home sites. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimants, Dwight and Valda Morgan, Boss and Peaches, LLC and Morgan & Engle, Inc., filed a Measure 37 claim, M122339, with the state on September 15, 2006. The claimants filed a Measure 37 claim, M37-23, with Douglas County on September 14, 2005. The state claim was filed prior to December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Douglas County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed submitted by the claimants, Boss and Peaches, LLC is the owner of fee title to the property as shown in the Douglas County deed records and, therefore, is an owner of the property under Measure 49.

Douglas County has confirmed that claimant Boss and Peaches, LLC is the current owner of the property.

According to the information submitted by the claimants, Dwight and Valda Morgan and Morgan & Engle, Inc. have not established their ownership of the property for the purposes of Measure 49. Claimant Morgan & Engle, Inc. originally acquired the property by recorded warranty deed dated July 12, 1966. However, claimant Morgan & Engle, Inc. conveyed all of its interest to claimant Boss and Peaches, LLC by deed dated December 3, 2002. Douglas County deed records indicate that claimants Dwight and Valda Morgan have never owned the subject property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Douglas County, outside the urban growth boundary and outside the city limits of the nearest city, Roseburg.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use-Grazing (FG) by Douglas County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or

adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant's property consists of 90.07 acres. Therefore, state land use regulations prohibit claimant Boss and Peaches, LLC from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which claimant Boss and Peaches, LLC may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Douglas County deed records indicate that claimant Boss and Peaches, LLC acquired the property on December 3, 2002.

The zoning of the Measure 37 claim property has not changed since claimant Boss and Peaches, LLC acquired the property. As it is today, on December 3, 2002, the Measure 37 claim property was subject to Douglas County's acknowledged Exclusive Farm Use-Grazing (FG) zone in accordance with Goal 3, as implemented by OAR 660, division 33. Therefore, claimant Boss and

Peaches, LLC is not eligible for Measure 49 relief because the lawfully permitted uses of the claimant's property have not changed since the claimant acquired the property.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on January 4, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

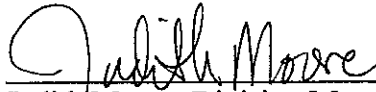

III. CONCLUSION

Based on the analysis above, claimant Boss and Peaches, LLC does not qualify for Measure 49 home site approvals because the zoning and lawfully permitted uses of the claimant's property have not changed since the claimant acquired the property.

Based on the analysis above, claimants Dwight and Valda Morgan and Morgan & Engle, Inc., do not qualify for Measure 49 home site approvals because they are not owners of the Measure 37 claim property.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
