DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Final Order of Denial**

**STATE ELECTION NUMBER:**

E129363

**CLAIMANTS:**

Bruce C. and Mary Ann Schroeder  
PO Box 3468  
Wilsonville, OR 97070

**MEASURE 37 PROPERTY  
IDENTIFICATION:**

Township 3S, Range 1E, Section 7A  
Tax lot 600  
Clackamas County

The claimants, Bruce and Mary Ann Schroeder, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on May 19, 2006, for property located at 26525 SW 45th Drive, near Wilsonville, in Clackamas County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

**I. ANALYSIS OF CLAIM**

**A. Maximum Number of Home Sites for Which the Claimants May Qualify**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. The Measure 37 waiver issued for this claim describes five home sites. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

**B. Qualification Requirements**

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

### **1. Timeliness of Claim**

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

### **Findings of Fact and Conclusions**

The claimants, Bruce and Mary Ann Schroeder, filed a Measure 37 claim, M129363, with the state on May 19, 2006. The claimants filed a Measure 37 claim, ZC058-06, with Clackamas County on April 25, 2006. The state claim was filed prior to December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Clackamas County.

### **2. The Claimant Is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

### **Findings of Fact and Conclusions:**

According to the deeds submitted by the claimants, Bruce and Mary Ann Schroeder are the owners of fee title to the property as shown in the Clackamas County deed records and, therefore, are owners of the property under Measure 49.

Clackamas County has confirmed that the claimants are the current owners of the property.

### **3. All Owners of the Property Have Consented in Writing to the Claim**

All owners of the property must consent to the claim in writing.

### **Findings of Fact and Conclusions:**

All owners of the property have consented to the claim in writing.

### **4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

**Findings of Fact and Conclusions:**

The Measure 37 claim property is located in Clackamas County, outside the urban growth boundary and outside the city limits of the nearest city, Wilsonville.

**5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

**Findings of Fact and Conclusions:**

A 12.3-acre portion of the property is currently zoned Exclusive Farm Use (EFU) by Clackamas County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

A 1.19-acre portion<sup>1</sup> of the property is currently zoned Rural Residential Farm Forest (RRFF-5) by Clackamas County, in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, prohibit the establishment of a lot or parcel less than the size established in the County rural residential zone in existence on October 4, 2000, if the zone in existence on that date had a minimum lot size of two or more acres. Clackamas County’s RRFF-5 requires a minimum lot size of five acres.

The claimants’ property consists of 13.49 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

**6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

---

<sup>1</sup> Information from Clackamas County indicates the 1.19-acre portion was acquired as a result of a property line adjustment.

### **Findings of Fact and Conclusions**

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

### **7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

### **Findings of Fact and Conclusions**

Clackamas County deed records indicate that the claimants acquired the 12.3-acre portion of the property on September 8, 1977, and the 1.19-acre portion of the property on August 25, 2000.

The claimants acquired the 12.3-acre portion of the Measure 37 claim property after adoption of the statewide planning goals, but before the Commission acknowledged Clackamas County's comprehensive plan and land use regulations to be in compliance with those goals pursuant to ORS 197.250 and 197.251. At that time, the 12.3-acre portion of the Measure 37 claim property was zoned General Use (GU) by Clackamas County. However, the Commission had not acknowledged that zone for compliance with the goals when the claimants acquired the property on September 8, 1977. Accordingly, the statewide planning goals, and in particular Goal 3 and ORS chapter 215 applied directly to the Measure 37 claim property. To determine whether a use was lawfully permitted under a direct application of the goals and statutes, the department relies on the County's first acknowledged plan and land use regulations unless evidence in the record establishes that a greater density of residential development would have been permitted at that time.

On December 21, 1982, the Commission acknowledged the application of Clackamas County's EFU-20 zone to the 12.3-acre portion of the Measure 37 claim property. The Commission's acknowledgement of Clackamas County's EFU-20 zone confirmed that zone's compliance with Goal 3 and ORS chapter 215. Clackamas County's acknowledged EFU-20 zone required 20 acres for the creation of a new lot or parcel on which a dwelling could be established. This 12.3-acre portion of the claimants' property is currently developed with one dwelling. Therefore, on the claimants' acquisition date, they could not have established any additional home sites in the zone that was ultimately acknowledged to comply with the statewide planning goals and implementing regulations. Therefore, unless evidence in the record demonstrates that a direct application of the Goals and ORS chapter 215 would have allowed the establishment of additional home sites, the claimants do not qualify for any home sites under Measure 49 on the 12.3-acre portion of the property. The evidence currently in the record for this claim, including an October 19, 2007, County Notice of Denial of a Minor Subdivision, indicates that division of

the 12.3-acre portion of the property would not have been lawfully permitted when the claimants acquired this portion of the property.

On August 25, 2000, the 1.19-acre portion of the Measure 37 claim property was subject to Clackamas County's acknowledged RRFF-5 zone. Clackamas County's RRFF-5 zone required five acres for the creation of a new lot or parcel on which a dwelling could be established. Therefore, the claimants lawfully could not have established any home sites on the 1.19-acre portion of the property on their date of acquisition.

## **II. COMMENTS ON THE PRELIMINARY EVALUATION**

The department issued its Preliminary Evaluation for this claim on June 3, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

## **III. CONCLUSION**

Based on the analysis above, the claimants do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish the lots, parcels or dwellings on the claimants' dates of acquisition.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
