The claimant, Patrick Gisler, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on June 1, 2006, for property located in Crescent, in Klamath County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The

1 Claim E129437 has been split into two claims, E129437A and E129437B, because the Measure 37 claim sought relief for two non-contiguous parcels. Claim E129437A addresses the claimant's eligibility for Measure 49 relief on tax lot 500. E129437B addresses his eligibility for relief on tax lot 1000.
claimant has requested three home site approvals in the election material. The Measure 37 waiver issued for this claim describes one home site. Therefore, the claimant may qualify for a maximum of one home site approval under Section 6 of Measure 49.

**B. Qualification Requirements**

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

**1. Timeliness of Claim**

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

**Findings of Fact and Conclusions**

The claimant, Patrick Gisler, filed a Measure 37 claim, M129437, with the state on June 1, 2006. The claimant filed a Measure 37 claim, M37 17-06, with Klamath County on June 1, 2006. The state claim was filed prior to December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Klamath County.

**2. The Claimant Is an Owner of the Property**

Measure 49 defines “Owner” as: “(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) if the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner.”

**Findings of Fact and Conclusions:**

According to the deed submitted by the claimant, Patrick Gisler is the owner of fee title to the property as shown in the Klamath County deed records and, therefore, is an owner of the property under Measure 49.

Klamath County has confirmed that the claimant is the current owner of the property.

---

2 The Measure 37 waiver described the property and provided relief for both tax lot 1000, the property addressed in this report, and tax lot 500 which is addressed in the companion report, E129437A.
3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Klamath County, outside any urban growth boundary and outside any city limits, in the community of Crescent.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Rural Residential (R-1) by Klamath County, in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, regulate the division of rural-residential land for residential development. The county’s R-1 zone requires a minimum of 1 acre for the creation of a new lot or parcel for residential development. However, neither Goal 14 nor OAR 660-004-0040 prohibits the establishment of a dwelling on a vacant legally established lot or parcel. Therefore, to the extent the Measure 37 claim property is a legally established parcel, state law does not prohibit the claimant from establishing a dwelling on the Measure 37 claim property.

Because this requirement has not been met, the claimant is not entitled to any relief under Measure 49, and, therefore, the remaining approval criteria will not be evaluated.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on March 2, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.
III. CONCLUSION

Based on the analysis above, the claimant does not qualify for Measure 49 home site approval because state law does not prohibit the claimant from establishing one dwelling on the Measure 37 claim property.
IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
