

OREGON DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT

ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW OF MEASURE 37 CLAIM Final Order of Denial

STATE ELECTION NUMBER:

E129507

CLAIMANTS:

Donnie and Krystal Laas 6140 NW Birch Avenue Hillsboro, OR 97124

MEASURE 37 PROPERTY IDENTIFICATION:

Township 2N, Range 2W, Section 33

Tax lot 201

Washington County

The claimants, Donnie and Krystal Laas, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on June 14, 2006, for property located on Logie Trail Road, near Hillsboro, in Washington County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49 the claimant must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimants, Donnie and Krystal Laas, filed a Measure 37 claim, M129507, with the state on June 14, 2006. The claimants filed a Measure 37 claim, 37CL0856, with Washington County on December 4, 2006. The state claim was filed prior to December 4, 2006. The claimants filed a Measure 37 claim with both the state and Washington County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions

According to the deed submitted by the claimants, Donnie and Krystal Laas are the owners of fee title to the property as shown in the Washington County deed records and, therefore, are owners of the property under Measure 49. Washington County has confirmed that the claimants are the current owners of the property.

3. All Owners Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions

The Measure 37 claim property is located in Washington County, outside the urban growth boundary and outside the city limits of the nearest city, Hillsboro.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions

The property is currently zoned Agriculture and Forest (AF-10) by Washington County, in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, prohibit the establishment of a lot or parcel less than the size established in the County rural residential zone in existence on October 4, 2000, if the zone in existence on that date had a minimum lot size of two or more acres. Washington County's AF-10 requires a minimum lot size of 10 acres.

The claimants' property consists of 9.78 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the two home sites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, the establishment of the two home sites for which the claimants may qualify on the property is not prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Final Order of Denial Page 3 of 5 E129507 - Laas

Findings of Fact and Conclusions

Washington County deed records indicate that the claimants acquired the property on September 25, 1984.

On September 25, 1984, the Measure 37 claim property was subject to Washington County's acknowledged AF-10 zone. As it does today, in 1984 Washington County's AF-10 zone required 10 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimants' property consists of 9.78 acres. Therefore, the claimants lawfully could not have established the requested two home sites on their date of acquisition.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on January 20, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. The claimants submitted comments asserting that at the time they acquired the property they could have applied for a zone change from AF-10 to AF-5, and therefore their claim should be evaluated using the standards of the AF-5 zone. The department must determine what was lawfully permitted when a claimant acquired property based on the actual zoning of the property. In this case, the property was zoned AF-10 at the time the claimants acquired it. Therefore, the department evaluated the claimants' entitlement to relief based on the standards and requirements of the AF-10 zone.

III. CONCLUSION

Based on the analysis above, the claimants, Donnie and Krystal Laas, do not qualify for Measure 49 home site approvals because the zoning of and uses lawfully allowed on the claimants' property have not changed since the claimants acquired the property in 1984. The claimants would not have been lawfully permitted to establish the requested two home sites when they acquired the property.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
