

**OREGON DEPARTMENT OF LAND CONSERVATION AND  
DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Final Order and Home Site Authorization**

**STATE ELECTION NUMBER:** E129635

**CLAIMANTS:** Kenneth and Sylvia Brady  
652 Eakin Road  
Azalea, OR 97410

**MEASURE 37 PROPERTY  
IDENTIFICATION:** Township 32S, Range 5W, Section 23  
Tax lot 600<sup>1 2</sup>  
Douglas County

The claimants, Kenneth and Sylvia Brady, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on July 11, 2006, for property located at 652 Eakin Road, near Glendale, in Douglas County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants. This Final Order and Home Site Authorization is the conclusion of the supplemental review of this claim.

**I. ANALYSIS OF CLAIM**

**A. Maximum Number of Home Sites for Which the Claimants May Qualify**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. The Measure 37 waiver issued for this claim describes four home sites. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

---

<sup>1</sup> The Measure 37 claim property consisted of tax lot 600. Tax lot 600 has since been partitioned into two lots consisting of tax lots 600 and 601. The claimants have since sold lot 601, which is undeveloped.

<sup>2</sup> According to Douglas County, current tax lot 600 and contiguous tax lot 1900 (Township 32S, Range 5W, Section 23) are one legal parcel.

## **B. Qualification Requirements**

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

### **1. Timeliness of Claim**

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

### **Findings of Fact and Conclusions**

The claimants, Kenneth and Sylvia Brady, filed a Measure 37 claim, M129635, with the state on July 11, 2006. The claimants filed a Measure 37 claim, M37-54, with Douglas County on July 14, 2006. The state claim was filed prior to December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Douglas County.

### **2. The Claimant Is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

### **Findings of Fact and Conclusions:**

According to the deed and trust documents submitted by the claimants, Kenneth and Sylvia Brady are the settlors of a revocable trust into which they conveyed tax lot 600 and, therefore, are owners of the property under Measure 49. Douglas County has confirmed that the claimants are the current owners of the property.

According to information obtained from Douglas County, the claimants are no longer the owners of tax lot 601.

### **3. All Owners Have Consented in Writing to the Claim**

All owners of the property must consent to the claim in writing.

**Findings of Fact and Conclusions:**

All owners of the property have consented to the claim in writing.

**4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

**Findings of Fact and Conclusions:**

The Measure 37 claim property is located in Douglas County, outside the urban growth boundary and outside the city limits of the nearest city, Glendale.

**5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

**Findings of Fact and Conclusions:**

The property is currently zoned Exclusive Farm Use - Grazing (EFU-G) by Douglas County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The Measure 37 claim property consists of 23.95 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

**6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

### **Findings of Fact and Conclusions**

Based on the documentation submitted by the claimants, the establishment of the three home sites for which the claimants may qualify on the property is not prohibited by land use regulations described in ORS 195.305(3).

### **7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

### **Findings of Fact and Conclusions**

Douglas County deed records indicate that claimant Kenneth Brady acquired the property on September 29, 1959, and claimant Sylvia Brady acquired the property on August 6, 1991. Therefore, for purposes of Measure 49, the claimants' acquisition date is September 29, 1959.

On September 29, 1959, the Measure 37 claim property was not subject to any local or state laws that would have prohibited the claimants from establishing at least three lots or parcels and at least three dwellings. Therefore, the claimants lawfully could have established the three home sites the claimants qualify for under Section 6 of Measure 49.

## **II. COMMENTS ON THE PRELIMINARY EVALUATION**

The department issued its Preliminary Evaluation for this claim on January 28, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. Comments received have been taken into account by the department in the issuance of this Final Order and Home Site Authorization.

## **III. CONCLUSION**

Based on the analysis above, the claimants qualify for up to three home sites. However, the number of lots, parcels or dwellings that a claimant may establish pursuant to a home site authorization is reduced by the number of lots, parcels or dwellings currently in existence on the Measure 37 claim property and any contiguous property under the same ownership according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49.

Based on the documentation provided by the claimants and information from Douglas County, the Measure 37 claim property includes one lot or parcel and one dwelling currently in the ownership of the claimants, and one undeveloped lot or parcel not in the ownership of the claimants. As demonstrated by Douglas County records, the claimants also own tax lot 1900 (Township 32 South, Range 5 West, Section 23) which is contiguous to the Measure 37 claim

property and is part of a single lot or parcel that includes the current tax lot 600 of the Measure 37 claim property. Because the Measure 37 claim property includes one lot or parcel that has been transferred to a different owner, the number of home site approvals that the claimants qualify for on the portion of the property that they currently own is reduced to two. Therefore, the two home site approvals the claimants qualify for under Section 6 of Measure 49 will authorize the claimants to establish up to one additional lot or parcel and one additional dwelling on the current tax lot 600 of the Measure 37 claim property.

Based on the analysis above, the claimants do not qualify for any relief on tax lot 601 because Kenneth and Sylvia Brady are not owners of that portion of the Measure 37 claim property.

#### **IV. HOME SITE AUTHORIZATION**

Based on the analysis set forth above, this claim is approved, and the claimants qualify for two home site approvals on the current tax lot 600 of the Measure 37 claim property. As explained in section III above, after taking into account the number of existing lots, parcels or dwellings, the claimants are authorized for one additional lot or parcel and one additional dwelling on the property on which the claimants are eligible for Measure 49 relief, subject to the following terms:

1. Each dwelling must be on a separate lot or parcel, and must be contained within the property on which the claimants are eligible for Measure 49 relief. The establishment of a land division or dwelling based on this home site authorization must comply with all applicable standards governing the siting or development of the land division or dwelling. However, those standards must not be applied in a manner that prohibits the establishment of the land division or dwelling, unless the standards are reasonably necessary to avoid or abate a nuisance, to protect public health or safety, or to carry out federal law.
2. This home site authorization will not authorize the establishment of a land division or dwelling in violation of a land use regulation described in ORS 195.305(3) or in violation of any other law that is not a land use regulation as defined by ORS 195.300(14).
3. A claimant is not eligible for more than 20 home site approvals under Sections 5 to 11 of Measure 49 regardless of how many properties a claimant owns or how many claims a claimant filed. If the claimants have developed the limit of twenty home sites under Measure 49, the claimants are no longer eligible for the home site approvals that are the subject of this order.
4. The number of lots, parcels or dwellings a claimant may establish under this home site authorization is reduced by the number of lots, parcels and dwellings currently in existence on the Measure 37 claim property and contiguous property in the same ownership, regardless of whether evidence of their existence has been provided to the department. If lots, parcels or dwellings currently exist on the Measure 37 claim property or on contiguous property under the same ownership and the lots, parcels or dwellings have not been disclosed to the department, then the number of additional lots, parcels or dwellings a claimant may establish pursuant to this home site authorization must be reduced according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49.

5. Temporary dwellings are not considered in determining the number of existing dwellings currently on the property. The claimants may choose to convert any temporary dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site pursuant to a home site approval. Otherwise, any temporary dwelling is subject to the terms of the local permit requirements under which it was approved, and is subject to removal at the end of the term for which it is allowed.
6. A home site approval only authorizes the establishment of a new lot, parcel or dwelling on the property on which the claimants are eligible for Measure 49 relief. No additional development is authorized on contiguous property for which no Measure 37 claim was filed or on Measure 37 claim property on which the claimants are not eligible for Measure 49 relief. A lot or parcel established pursuant to a home site approval must either be the site of a dwelling that is currently in existence or be the site of a dwelling that may be established pursuant to the home site approval.
7. The claimants may use a home site approval to convert a lot, parcel or dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site. If the number of lots parcels or dwellings existing on the property on which the claimants are eligible for Measure 49 relief exceeds the number of home site approvals the claimants qualify for under a home site authorization, the claimants may select which existing lots, parcels or dwellings to convert to authorized home sites; or may reconfigure existing lots, parcels or dwellings so that the number is equivalent to the number of home site approvals.
8. A home site approval does not authorize the establishment of a new dwelling on a lot or parcel that already contains one or more dwellings. The claimants may be required to alter the configuration of the lots or parcels currently in existence on the Measure 37 claim property and contiguous property so that each additional dwelling established on the property on which the claimants are eligible for Measure 49 relief, pursuant to this home site authorization, is sited on a separate lot or parcel.
9. Because the property is located in an exclusive farm use zone, the home site authorization does not authorize new lots or parcels that exceed five acres. However, existing or remnant lots or parcels may exceed five acres. Before beginning construction, the owner must comply with the requirements of ORS 215.293. Further, the home site authorization will not authorize new lots or parcels that exceed two acres if the new lots or parcels are located on high-value farmland, on high-value forestland or on land within a ground water restricted area. However, existing or remnant lots or parcels may exceed two acres.
10. Because the property is located in an exclusive farm use zone, Measure 49 requires new home sites to be clustered so as to maximize suitability of the remnant lot or parcel for farm or forest use. Further, if an owner of the property is authorized by other home site authorizations to subdivide, partition, or establish dwellings on other Measure 37 claim properties, Measure 49 authorizes the owner to cluster some or all of the authorized lots, parcels or dwellings that would otherwise be located on land in an exclusive farm use zone,

a forest zone or a mixed farm and forest zone on a single Measure 37 claim property that is zoned residential use or is located in an exclusive farm use zone, a forest zone or a mixed farm and forest zone but is less suitable for farm or forest use than the other Measure 37 claim properties.

11. If the claimants transferred their ownership interest in the Measure 37 claim property prior to the date of this order, this order is rendered invalid and authorizes no home site approvals. Provided this order is valid when issued, a home site approval authorized under this order runs with the property and transfers with the property. A home site approval will not expire, except that if a claimant who received this home site authorization later conveys the property to a party other than the claimant's spouse or the trustee of a revocable trust in which the claimant is the settlor, the subsequent owner of the property must establish the authorized lots, parcels and dwellings within 10 years of the conveyance. A lot or parcel lawfully created based on this home site authorization will remain a discrete lot or parcel, unless the lot or parcel lines are vacated or the lot or parcel is further divided, as provided by law. A dwelling lawfully created based on a home site approval is a permitted use.
12. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, this home site authorization will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the subject property imposed by private parties.

IT IS HEREBY ORDERED that this Final Order and Home Site Authorization is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.

FOR THE DEPARTMENT AND THE LAND  
CONSERVATION AND DEVELOPMENT  
COMMISSION:

Richard Whitman, Director  
Dept. of Land Conservation and Development  
Dated this 14th day of April, 2009.
