OREGON DEPARTMENT OF LAND CONSERVATION AND
DEVELOPMENT

ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order of Denial

STATE ELECTION NUMBER: E129887 and E129903

CLAIMANTS: Ted E and Sara Margaret Weidenhaft
60065 Roderick Road
Coos Bay, OR 97420

MEASURE 37 PROPERTY IDENTIFICATION: Township 27S, Range 13W, Section 11B
Tax Lots 401 and 1400
Coos County

The claimants, Ted and Sara Weidenhaft, filed claims with the state under ORS 197.352 (2005) (Measure 37) on August 18, 2006 and August 21, 2006 for property located at 60065 Roderick Road near Coos Bay, in Coos County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claims under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested two home site approvals in the election material. The Measure 37 waiver issued for this claim describes two home sites. Therefore, the claimants may qualify for a maximum of two home site approvals under Section 6 of Measure 49.

1 Claims E129903 and E129887 have been combined into one claim because the properties are contiguous. Per OAR 660-041-0150 the Department of Land Conservation and Development will combine multiple claims into one claim if the Measure 37 claim property contains multiple contiguous lots or parcels that are in the same ownership.
B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimants, Ted and Sara Weidenhaft, filed Measure 37 claims, M129887 and M129903, with the state on August 18, 2006 and August 21, 2006, respectively. The claimants filed Measure 37 claims, DJC 2006-20 and DJC 2006-21, with Coos County on June 19, 2006. The state claims were filed prior to December 4, 2006.

The claimants timely filed Measure 37 claims with both the state and Coos County.

2. The Claimant Is an Owner of the Property

Measure 49 defines “Owner” as: “(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner.”

Findings of Fact and Conclusions:

According to the deeds submitted by the claimants, Ted and Sara Weidenhaft are the owners of fee title to the property as shown in the Coos County deed records and, therefore, are owners of the property under Measure 49.

Coos County has confirmed that the claimants are the current owners of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.
4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Coos County, outside the urban growth boundary and outside the city limits of the nearest city, Coos Bay.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use (EFU) by Coos County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants’ property consists of 18.89 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the two home sites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

(a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
(b) Restricting or prohibiting activities for the protection of public health and safety;
(c) To the extent the land use regulation is required to comply with federal law; or
(d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, it does not appear that the establishment of the two home sites for which the claimants may qualify on the property is prohibited by land
use regulations described in ORS 195.305(3).

7. On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Findings of Fact and Conclusions

Coos County deed records indicate that the claimants acquired tax lot 1400 (8.54 acres) on July 26, 1977, and tax lot 401 (10.35 acres) on July 31, 1981.

The claimants acquired the Measure 37 claim property after adoption of the statewide planning goals, but before the Land Conservation and Development Commission (the Commission) acknowledged Coos County’s comprehensive plan and land use regulations to be in compliance with those goals pursuant to ORS 197.250 and 197.251. On July 26, 1977, tax lot 1400 of the Measure 37 claim property was zoned Interim Rural Residential (IRR-5) and tax lot 401 was zoned Interim Agricultural (IAG-10) by Coos County. Coos County’s IRR-5 and IAG-10 zones included fixed minimum acreage standards of five and ten acres respectively. However, the Commission had not acknowledged those zones for compliance with the goals when the claimants acquired the property on July 26, 1977 and July 31, 1981. Accordingly, the statewide planning goals, and in particular Goal 3, and ORS chapter 215 applied directly to the Measure 37 claim property when the claimants acquired it.

On October 8, 1985, the Commission acknowledged the application of Coos County’s Exclusive Farm Use (EFU) zone to the Measure 37 claim property. The Commission’s acknowledgement of Coos County’s EFU zone confirmed that zone’s compliance with Goal 3 and ORS chapter 215. Although the Commission acknowledged Coos County’s EFU zone to be in compliance with the statewide planning goals, the zone did not include a fixed minimum acreage standard for the creation of a new lot or parcel on which a dwelling could be established. Rather, the county reviewed applications for land division and development on a case-by-case basis in order to ensure compliance with the county’s farm and forest use policies, the Goals and ORS chapter 215. The claimants’ property consists of 18.85 acres and is developed with one dwelling. Therefore, on the claimants’ acquisition date, they could not have established any additional home sites in the zone that was ultimately acknowledged to comply with the statewide planning goals and implementing regulations, absent demonstrated compliance with the applicable review criteria.

However, because of uncertainty during the time period between adoption of the statewide planning goals in 1975 and each county’s acknowledgment of its plan and land use regulations regarding the factual and legal requirements for establishing compliance with the statewide planning goals, the 2010 Legislative Assembly amended Measure 49. Senate Bill (SB) 1049
(2010) specifies the number of home sites considered lawfully permitted, for purposes of Measure 49, for property acquired during this period unless the record for the claim otherwise demonstrates the number of home sites that a claimant would have been lawfully permitted to establish. Those amendments provide, in relevant part, that subject to consistency with local land use regulations in effect when they acquired the Measure 37 claim property, claimants whose property consists of less than 20 acres were lawfully permitted to establish one home site, including existing development.

The Measure 37 claim property consists of 18.85 acres and is developed with two lots or parcels and one dwelling. Therefore, based on the analysis under SB 1049 (2010), it appears that the claimants do not qualify for any additional home sites under Measure 49.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on March 22, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimants do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish the lots, parcels or dwellings on the claimants' date of acquisition.
IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
