**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Final Order of Denial**

**STATE ELECTION NUMBER:**

E130269

**CLAIMANT:**

William R. Tye  
25840 Alfalfa Market Road

**MEASURE 37 PROPERTY**

**IDENTIFICATION:**

Tax lots 1300 and 1302  
Deschutes County

**AGENT CONTACT INFORMATION:**

The claimant, William Tye, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on October 12, 2006, for property located at 25840 Alfalfa Market Road, near Bend, in Deschutes County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

**I. ANALYSIS OF CLAIM**

**A. Maximum Number of Home Sites for Which the Claimant May Qualify**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. However, if the number of lots, parcels and dwellings currently in existence on the Measure 37 claim property and the contiguous property under the same ownership is equal to or greater than the maximum number of home sites a claimant could otherwise qualify for under Section 6 of Measure 49, a claimant may qualify for only one home site approval.

The claimant has requested four home site approvals in the election material. The Measure 37 waiver issued for this claim describes six home sites. However, because it appears that the Measure 37 claim property and contiguous property in the same ownership contain three or more lots or parcels that are developed with dwellings the claimant may qualify for a maximum of one home site approval.

## **B. Qualification Requirements**

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

### **1. Timeliness of Claim**

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

### **Findings of Fact and Conclusions**

The claimant, William Tye, filed a Measure 37 claim, M130269, with the state on October 12, 2006. The claimant filed a Measure 37 claim, M37-06-115, with Deschutes County on October 6, 2006. The state claim was filed prior to December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Deschutes County.

### **2. The Claimant Is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

### **Findings of Fact and Conclusions:**

According to the land sale contract submitted by the claimant, William Tye is the purchaser under a recorded land sale contract in force for the property and, therefore, is an owner of the property under Measure 49.

Deschutes County has confirmed that the claimant is the current owner of the property.

**3. All Owners Have Consented in Writing to the Claim**

All owners of the property must consent to the claim in writing.

**Findings of Fact and Conclusions:**

All owners of the property have consented to the claim in writing.

**4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

**Findings of Fact and Conclusions:**

The Measure 37 claim property is located in Deschutes County, outside the urban growth boundary and outside the city limits of the nearest city, Bend.

**5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

**Findings of Fact and Conclusions:**

The property is currently zoned Exclusive Farm Use (EFU-AL) by Deschutes County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant's property consists of 59.22 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the one home site the claimant may qualify for under Section 6 of Measure 49.

**6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;

- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

### **Findings of Fact and Conclusions**

Based on the documentation submitted by the claimant, it does not appear that the establishment of the one home site for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

### **7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

### **Findings of Fact and Conclusions**

Deschutes County deed records indicate that the claimant acquired the property on December 3, 1979.

The claimant acquired the Measure 37 claim property after adoption of the statewide planning goals, but before the Commission acknowledged Deschutes County's comprehensive plan and land use regulations to be in compliance with those goals pursuant to ORS 197.250 and 197.251. At that time, the Measure 37 claim property was zoned Exclusive Farm Use (EFU-20) by Deschutes County. Deschutes County's EFU-20 zone required 20 acres for the creation of a lot or parcel on which a dwelling could be established. However, the Commission had not acknowledged that zone for compliance with the goals when the claimant acquired the property on December 3, 1979. Accordingly, the statewide planning goals, and in particular Goal 3, and ORS chapter 215 applied directly to the Measure 37 claim property when the claimant acquired it.

On May 11, 1981, the Commission acknowledged the application of Deschutes County's Exclusive Farm Use (EFU-40) zone to the Measure 37 claim property. The Commission's acknowledgement of Deschutes County's EFU-40 zone confirmed that zone's compliance with Goal 3, and ORS chapter 215. Deschutes County's acknowledged EFU-40 zone required 40 acres for the establishment of a dwelling on a vacant lot or parcel. The claimant's property consists of 59.22 acres and is developed with 2 dwellings. Therefore, on the claimant's acquisition date, he could not have established a home site, in addition to the existing lots or parcels with dwellings, in the zone that was ultimately acknowledged to comply with the statewide planning goals and implementing regulations. The claimant does not qualify for a home site, unless the claimant can show that the Deschutes County EFU-20 zone and a direct

application of the Goals and ORS chapter 215 would have allowed the claimant to establish the one home site for which the claimant may be eligible.

## **II. COMMENTS ON THE PRELIMINARY EVALUATION**

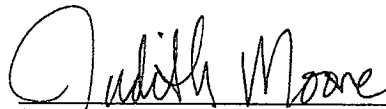

The department issued its Preliminary Evaluation for this claim on December 2, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. Comments received have been taken into account by the department in the issuance of this Final Order of Denial.

## **III. CONCLUSION**

Based on the analysis above, the claimant does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the lot, parcel or dwelling on the claimant's date of acquisition.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
