The claimants, Lloyd and Lisa Stanton, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 21, 2006, for property located at 25601 SW Newland Road, near Wilsonville, in Clackamas County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. The Measure 37 waiver issued for this claim describes five home sites, subject to the claimants' compliance with the applicable standards in effect on May 30, 1989. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimants, Lloyd and Lisa Stanton, filed a Measure 37 claim, M130981, with the state on November 21, 2006. The claimants filed a Measure 37 claim, ZC341-06, with Clackamas County on November 21, 2006. The state claim was filed prior to December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Clackamas County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed submitted by the claimants, Lloyd and Lisa Stanton are the owners of fee title to the property as shown in the Clackamas County deed records and, therefore, are owners of the property under Measure 49.

Clackamas County has confirmed that the claimants are the current owners of the property.

3. All Owners Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Clackamas County, outside the urban growth boundary and outside the city limits of the nearest city, Wilsonville.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Rural Residential Farm/Forest (RRFF-5) by Clackamas County, in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, prohibit the establishment of a lot or parcel less than the size established in the County rural residential zone in existence on October 4, 2000, if the zone in existence on that date had a minimum lot size of two or more acres. Clackamas County's RRFF-5 requires a minimum lot size of five acres.

The claimants' property consists of 4.77 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Clackamas County deed records indicate that the claimants acquired the property on May 30, 1989.

On May 30, 1989, the Measure 37 claim property was subject to Clackamas County's acknowledged RRF-5 zone. Clackamas County's RRF-5 zone required five acres for the creation of a new lot or parcel on which a dwelling could be established. The claimants' property consists of 4.77 acres, and is developed with one dwelling. Therefore, the claimants lawfully could not have established any additional home sites on their date of acquisition.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on April 7, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimants, Lloyd and Lisa Stanton do not qualify for any Measure 49 home site approvals because the claimants were not lawfully permitted to establish the lots, parcels or dwellings on the claimants' date of acquisition.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
