OREGON DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT
ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order of Denial

STATE ELECTION NUMBER: E131187C
CLAIMANT: Mary Ann Nicholson
PO Box 455
Fort Klamath, OR 97626

MEASURE 37 PROPERTY IDENTIFICATION:
Township 33S, Range 7½ E, Section 18
Tax lot 3600
Klamath County

AGENT/ PRIMARY CONTACT INFORMATION: Michael L. Spencer
439 Pine Street
Klamath Falls, OR 97601

The claimant, Mary Ann Nicholson, filed a claim with the state under ORS 197.352 (2005)
(Measure 37) on November 24, 2006, for property located at 12525 Nicholson Road, near Fort
Klamath, in Klamath County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants
who filed Measure 37 claims to elect supplemental review of their claims. The claimant has
elected supplemental review of her Measure 37 claim under Section 6 of Measure 49, which
allows the Department of Land Conservation and Development (the department) to authorize up
to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department
cannot exceed the lesser of the following: three; the number stated by the claimant in the election
materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver

---

1 Claim E131187 has been divided into three claims because the claim includes multiple tax lots or parcels that are
not in the same ownership. E131187A refers to tax lots 1400 and 3200 and claimant Mary Ann Nicholson.
E131187B refers to tax lot 3400 and claimants Mary Ann Nicholson, Martin Nicholson and Elizabeth Nicholson.
E131187C refers to tax lot 3600 and claimant Mary Ann Nicholson.
was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested supplemental review under Section 6 in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes nine home sites.\(^2\) Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

1. **Timeliness of Claim**

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

**Findings of Fact and Conclusions**

The claimant, Mary Ann Nicholson, filed a Measure 37 claim, M131187, with the state on November 24, 2006. The claimant filed a Measure 37 claim, M37 60-06, with Klamath County on November 21, 2006. The state claim was filed prior to December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Klamath County.

2. **The Claimant Is an Owner of the Property**

Measure 49 defines “Owner” as: “(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner.”

**Findings of Fact and Conclusions:**

According to the deed submitted by the claimant, Mary Ann Nicholson is the settlor of a revocable trust into which she conveyed the Measure 37 claim property and, therefore, is an owner of the property under Measure 49.

Klamath County has confirmed that the claimant is the current owner of the property.

\(^2\) The Measure 37 claim described the property and requested relief for tax lots 1400, 3200, 3400 and 3600.
3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Klamath County, outside any urban growth boundary and outside any city limits, near the community of Fort Klamath.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use-Grazing (EFU-G) by Klamath County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels. In addition, counties may adopt larger minimum lot or parcel sizes. Klamath County’s EFU-G zone requires a minimum of 320 acres for the establishment of a dwelling on a lot or parcel.

The claimant’s property consists of 19.10 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

(a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
(b) Restricting or prohibiting activities for the protection of public health and safety;
(c) To the extent the land use regulation is required to comply with federal law; or
(d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Findings of Fact and Conclusions

The claimant is the surviving spouse of Elmore Nicholson, and acquired the property upon Elmore Nicholson’s death. According to the Klamath County deed records, Elmore Nicholson acquired the property on September 4, 1975 and married the claimant on November 24, 1951. Under Section 21(2) of Measure 49, if the claimant is the surviving spouse of a person who was an owner of the Measure 37 claim property, the claimant’s acquisition date is the later of the date the claimant was married to the deceased spouse or the date the spouse acquired the property. Therefore, the claimant’s acquisition date is September 4, 1975.

The claimant acquired the Measure 37 claim property after adoption of the statewide planning goals, but before the Land Conservation and Development Commission (the Commission) acknowledged Klamath County’s comprehensive plan and land use regulations to be in compliance with those goals pursuant to ORS 197.250 and 197.251. At that time, the Measure 37 claim property was not zoned by Klamath County. Because the property was not subject to an acknowledged zone when the claimant acquired it on September 4, 1975, the statewide planning goals, and in particular Goal 3, and ORS chapter 215 applied directly to the Measure 37 claim property.

On August 6, 1984, the Commission acknowledged the application of Klamath County’s Exclusive Farm Use-Grazing (EFU-G) zone to the Measure 37 claim property. The Commission’s acknowledgement of Klamath County’s EFU-G zone confirmed that zone’s compliance with Goal 3 and ORS chapter 215. Klamath County’s acknowledged EFU-G zone required 160 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant’s property consists of 19.10 acres. Therefore, on the claimant’s
acquisition date, she could not have established any home sites in the zone that was ultimately acknowledged to comply with the statewide planning goals and implementing regulations.

However, because of uncertainty during the time period between adoption of the statewide planning goals in 1975 and each county's acknowledgment of its plan and land use regulations regarding the factual and legal requirements for establishing compliance with the statewide planning goals, the 2010 Legislative Assembly amended Measure 49. Senate Bill (SB) 1049 (2010) specifies the number of home sites considered lawfully permitted, for purposes of Measure 49, for property acquired during this period unless the record for the claim otherwise demonstrates the number of home sites that a claimant would have been lawfully permitted to establish. Those amendments provide, in relevant part, that subject to consistency with local land use regulations in effect when they acquired the Measure 37 claim property, claimants whose property consists of less than 20 acres were lawfully permitted to establish one home site, including existing development.

The Measure 37 claim property consists of 19.10 acres and is developed with one dwelling. Therefore, based on the analysis under SB 1049 (2010), the claimant does not qualify for any additional home sites under Measure 49.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on March 15, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimant does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the lots, parcels or dwellings on the claimant's date of acquisition.
IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
