The claimant, Beck’s Landing, LLC, filed claims with the state under ORS 197.352 (2005) (Measure 37) on November 27, 2006, for property located at 4335 and 4365 River Road South, near Salem, in Marion County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of its Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The

¹ Claims E131281 and E131282 have been combined into one claim because the properties are contiguous. Per OAR 660-041-0150 the Department of Land Conservation and Development will combine multiple claims into one claim if the Measure 37 claim property contains multiple contiguous lots or parcels that are in the same ownership.
claimant has requested five home site approvals in the election material. No waivers were issued for these claims. The Measure 37 claims filed with the state describe five home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimant, Beck’s Landing, LLC, filed Measure 37 claims, M131281 and M131282, with the state on November 27, 2006. The claimant filed Measure 37 claims, M06-178 and M06-179, with Marion County on November 27, 2006. The state claims were filed prior to December 4, 2006.

The claimant timely filed Measure 37 claims with both the state and Marion County.

2. The Claimant Is an Owner of the Property

Measure 49 defines “Owner” as: “(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner.”

Findings of Fact and Conclusions:

According to the deed submitted by the claimant, Beck’s Landing, LLC is the owner of fee title to the property as shown in the Marion County deed records.

Marion County has confirmed that the claimant is the current owner of the property.
3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Marion County, outside the urban growth boundary and outside the city limits of the nearest city, Salem.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Acreage Residential (AR) by Marion County in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, prohibit the establishment of a lot or parcel less than two acres in a rural residential zone established before October 4, 2000, in which the County specified a minimum lot or parcel size of less than two acres.

The claimant’s property consists of 8.23 acres. Therefore, no state law prohibits the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

Because this requirement has not been met, the claimant is not entitled to any relief under Measure 49, and, therefore, the remaining approval criteria will not be evaluated.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on June 7, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding
properties. No written comments were received in response to the 28-day notice as of the date of this final order.²

III. CONCLUSION

Based on the analysis above, the claimant does not qualify for Measure 49 home site approvals because no land use regulation prohibits the claimant from establishing the lots, parcels or dwellings.

² The 28-day comment period for the preliminary evaluation on this claim closes on July 6, 2010. If comments are received after issuance of this final order, but before the close of the 28-day comment period, the department will evaluate all comments and issue an amended final order.
IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
