ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order of Denial

STATE ELECTION NUMBER:

E131532

CLAIMANTS:

Charles and Helen L. Vincent
58393 Lee Valley Road
Coquille, OR 97423

Frank J. and Julie A. Vincent
58393 Lee Valley Road
Coquille, OR 97423

MEASURE 37 PROPERTY
IDENTIFICATION:

Township 28S, Range 12W, Section 12
Tax lot 600
Coos County

The claimants, Charles and Helen Vincent and Frank and Julie Vincent, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 29, 2006, for property located at 58393 Lee Valley Road, near Coquille, in Coos County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes six home sites. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimants, Charles and Helen Vincent and Frank and Julie Vincent, filed a Measure 37 claim, M131532, with the state on November 29, 2006. The claimants filed a Measure 37 claim with Coos County on November 28, 2006. The state claim was filed prior to December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Coos County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed submitted by the claimants, Frank and Julie Vincent, are the owners of fee title to the property as shown in the Coos County deed records and, therefore, are owners of the property under Measure 49.

Coos County has confirmed that claimants Frank and Julie Vincent are the current owners of the property.

According to the information submitted by the claimants, Charles and Helen Vincent have not established ownership of the property for the purposes of Measure 49. Claimants Charles and Helen Vincent acquired tax lot 600 on January 23, 1961, as reflected by a recorded deed included with the claim. However, Charles and Helen Vincent conveyed fee title to Frank Vincent on November 29, 1989, retaining for themselves a life estate. A life estate holder is not an owner of

property under Measure 49; thus Charles and Helen Vincent are no longer owners of tax lot 600 for purposes of Measure 49

Because claimants Charles and Helen Vincent have not met this requirement, they are not entitled to any relief under Measure 49, and, therefore, the remaining approval criteria will not be evaluated with respect to Charles and Helen Vincent. The remaining approval criteria addresses only claimants Frank and Julie Vincent.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Coos County, outside the urban growth boundary and outside the city limits of the nearest city, Coquille.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use (EFU) by Coos County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants’ property consists of 50.08 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which claimants Frank and Julie Vincent may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Coos County deed records indicate that claimant Frank Vincent acquired the property on November 29, 1989, and claimant Julie Vincent acquired the property on December 21, 2004. Therefore, for purposes of Measure 49, the claimants' acquisition date is November 29, 1989.

On November 29, 1989, the Measure 37 claim property was subject to Coos County's acknowledged Exclusive Farm Use (EFU) zone. Although Coos County's EFU zone was acknowledged to comply with the Statewide Planning Goals, that zone did not establish a fixed minimum acreage standard for the creation of a lot or parcel on which a dwelling could be established. Rather, applications for division and development were evaluated on a case-by-case basis to ensure compliance with the Goals and the applicable requirements of ORS chapter 215. In part, because of uncertainty regarding the historic application of the county's acknowledged plan, the 2010 Legislative Assembly amended Measure 49. Senate Bill (SB) 1049 (2010) specifies that, for purposes of determining the number of home site approvals that would have been lawfully permitted when a claimant acquired Measure 37 claim property that was subject to an acknowledged resource zone without a fixed minimum acreage standard, the minimum

acreage standard is 40 acres unless the record for the claim demonstrates that the claimant was lawfully permitted to establish a home site on a lot or parcel of a different acreage.

The claimants' property consists of 50.08 acres and is developed with two dwellings. Therefore, based on the analysis under SB 1049 (2010), it appears that the claimants lawfully could not have established any additional home sites on their date of acquisition, unless the claimants establish that the county's acknowledged plan and land use regulations would have lawfully permitted one or more additional home sites on a lot or parcel of a different acreage.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on March 17, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

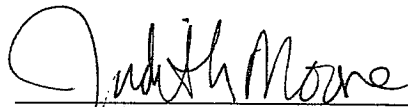

III. CONCLUSION

Based on the analysis above, claimants Frank and Julie Vincent do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish any additional lots, parcels or dwellings on the claimants' date of acquisition.

Based on the analysis above, claimants Charles and Helen Vincent do not qualify for any Measure 49 home site approvals because the claimants no longer own the Measure 37 claim property.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
