The claimant, Patricia Fleshman, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 30, 2006, for property located north of Graham Road, near Culver, in Jefferson County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of her Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

¹ Claim E131801 has been split into two claims, E131801A and E131801B, because the Measure 37 claim sought relief for two non-contiguous parcels. Claim E131801A addresses the claimant's eligibility for Measure 49 relief on tax lots 900 and 905 and E131801B addresses her relief on tax lot 400.

² The claimant also submitted claims for properties not contiguous to the subject property which are identified as E131802, E131955 and E131956.

³ Information obtained by the department indicates that claimant Patricia Fleshman passed away on March 22, 2009. Under Measure 49, if a claimant dies on or after December 6, 2007, entitlement to prosecute the claim passes to the person who acquires the claim property by devise or by operation of law.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested two home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes four home sites. Therefore, the claimant may qualify for a maximum of two home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimant, Patricia Fleshman, filed a Measure 37 claim, M131801, with the state on November 30, 2006. The claimant filed a Measure 37 claim, 06-M37-76, with Jefferson County on November 29, 2006. The state claim was filed prior to December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Jefferson County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed, submitted by the claimant, Patricia Fleshman is the settlor of a revocable trust into which she conveyed the Measure 37 claim property and, therefore, is an owner of the property under Measure 49.

Jefferson County has confirmed that the claimant is the current owner of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Jefferson County, outside the urban growth boundary and outside the city limits of the nearest city, Culver.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Range Land (RL) by Jefferson County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 160 acres in size in an EFU zone that is designated rangeland, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant's property consists of 158.32 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the two home sites the claimant may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimant, it does not appear that the establishment of the two home sites for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Jefferson County deed records indicate that the claimant acquired the western one-half of tax lot 400 on June 3, 1993 and the eastern one-half on December 6, 1994.

On June 3, 1993 and December 6, 1994, the Measure 37 claim property was subject to Jefferson County's acknowledged Range Land (RL) zone. Jefferson County's RL zone required 320 acres for the establishment of a dwelling on a vacant lot or parcel and for the creation of a new lot or parcel on which a dwelling could be established. On June 3, 1993, the Measure 37 claim property consisted of 79.16 acres and on December 6, 1994 the property consisted of 158.32 acres. Therefore, the claimant lawfully could not have established any home sites on either of her dates of acquisition of the Measure 37 claim property.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on January 7, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimant, Patricia Fleshman, is not eligible for any relief under Measure 49 because the claimant would not have been lawfully permitted to establish any home sites when she acquired the property.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
