**CLAIMANT:** Patricia H. Fleshman<sup>1,2</sup>  
1060 20<sup>th</sup> Street #11

The claimant, Patricia Fleshman, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 30, 2006, for property located at 8356 Public Usage Road, near Culver, in Jefferson County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of her Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

## I. ANALYSIS OF CLAIM

### A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver

<sup>1</sup> The claimant also has claims E131801, E131955 and E131956 for non-contiguous property in the same ownership.

<sup>2</sup> Information obtained by the department indicates that claimant Patricia Fleshman passed away on March 22, 2009. Under Measure 49, if a claimant dies on or after December 6, 2007, entitlement to prosecute the claim passes to the person who acquires the claim property by devise or by operation of law.

was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes 25 home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

## **B. Qualification Requirements**

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

### **1. Timeliness of Claim**

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

### **Findings of Fact and Conclusions**

The claimant, Patricia Fleshman, filed a Measure 37 claim, M131956, with the state on November 30, 2006. The claimant filed Measure 37 claims, 06-M37-76 and 06-M37-77, with Jefferson County on November 29, 2006. The state claim was filed prior to December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Jefferson County.

### **2. The Claimant Is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

### **Findings of Fact and Conclusions:**

According to the deed submitted by the claimant, Patricia Fleshman is the settlor of a revocable trust into which she conveyed the Measure 37 claim property and, therefore, is an owner of the property under Measure 49.

Jefferson County has confirmed that the claimant is the current owner of the property.

**3. All Owners of the Property Have Consented in Writing to the Claim**

All owners of the property must consent to the claim in writing.

**Findings of Fact and Conclusions:**

All owners of the property have consented to the claim in writing.

**4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

**Findings of Fact and Conclusions:**

The Measure 37 claim property is located in Jefferson County, outside the urban growth boundary and outside the city limits of the nearest city, Culver.

**5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

**Findings of Fact and Conclusions:**

Tax lot 1300 is currently zoned Range Land (RL) by Jefferson County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 160 acres in size in an EFU zone that is designated rangeland, and regulate the establishment of dwellings on new or existing lots or parcels.

This portion of the claimant's property consists of 46.12 acres. Therefore, state land use regulations prohibit the claimant from establishing on tax lot 1300 of the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

Tax lot 100 is currently zoned Rural Residential (RR-10) by Jefferson County, in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, prohibit the establishment of a new lot or parcel less than the size established in the County rural residential zone in existence on October 4, 2000, if the zone in existence on that date had a minimum lot size of two or more acres. Jefferson County's RR-10 zone requires a minimum lot size of ten acres. However, the property is also subject to Jefferson County's Wildlife Area

(WA) combining zone, which requires, among other restrictions, a minimum lot size of 80 acres for the creation of a new lot or parcel on which a dwelling can be established.

This portion of the claimant's property consists of 8.62 acres. Therefore, local and state land use regulations prohibit the claimant from dividing this portion of the Measure 37 claim property for the establishment of the three home sites the claimant may qualify for under Section 6 of Measure 49.

**6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

**Findings of Fact and Conclusions**

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

**7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

**Findings of Fact and Conclusions**

Jefferson County deed records indicate that the claimant acquired the property on June 3, 1993.

On June 3, 1993, tax lot 1300 of the Measure 37 claim property was subject to Jefferson County's acknowledged Range Land (RL) zone. Jefferson County's RL zone required 160 acres for the creation of a new lot or parcel on which a dwelling could be established.

This portion of the claimant's property consists of 45.12 acres. Therefore, the claimant lawfully could not have established any home sites on tax lot 1300 of the Measure 37 claim property on her date of acquisition.

On June 3, 1993, tax lot 100 of the Measure 37 claim property, which consists of 8.62 acres, was subject to Jefferson County's acknowledged Rural Residential (RR) zone. Jefferson County's RR zone required two acres for the creation of a new lot or parcel on which a dwelling could be established. The property was also subject to Jefferson County's Wildlife Area (WA) combining zone, which required, among other restrictions, a minimum lot size of 80 acres for the creation of a new lot or parcel on which a dwelling could be established. Therefore, land use regulations in effect when the claimant acquired the property prohibited her from dividing the tax lot 100 portion of the property for residential development. However, as it does today, the WA zone allowed a dwelling on an existing vacant lot or parcel in an RR zone. Therefore, the claimant lawfully could have established one dwelling on her date of acquisition of tax lot 100 of the Measure 37 claim property. However, because it appears that no laws currently prohibit the claimant from establishing one home site on this portion of the Measure 37 claim property, an authorization under Measure 49 would not appear to provide the claimant with any benefit.

## **II. COMMENTS ON THE PRELIMINARY EVALUATION**

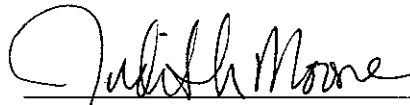

The department issued its Preliminary Evaluation for this claim on December 30, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. Comments received have been taken into account by the department in the issuance of this Final Order of Denial.

## **III. CONCLUSION**

Based on the analysis above, the claimant does not qualify for any home site approvals under Section 6 of Measure 49 because the claimant was not lawfully permitted to establish any dwellings on tax lot 1300 of the Measure 37 claim property on her date of acquisition and no land use regulations currently prohibit the claimant from establishing the one dwelling the claimant otherwise qualifies for under Measure 49 on tax lot 100 of the Measure 37 claim property.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
