DEVELOPMENT

ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order of Denial

STATE ELECTION NUMBER: E131971¹

CLAIMANT: Don Wilbur Limited Partnership
PO Box 40
Deadwood, OR 97430

MEASURE 37 PROPERTY IDENTIFICATION: Township 18S, Range 11W
Section 29, Tax lot 100
Section 30, Tax lots 100 and 300
Lane County

The claimant, Don Wilbur Limited Partnership, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 30, 2006, for property located on the Siuslaw River, near Florence, in Lane County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of its Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes 24 home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

¹ The claimant also has submitted claims for properties not contiguous to the subject property, which are identified as E131972, E131973, E131974 and E131975.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimant, Don Wilbur Limited Partnership, filed a Measure 37 claim, M131971, with the state on November 30, 2006. The claimant filed a Measure 37 claim, PA06-7154, with Lane County on November 30, 2006. The state claim was filed prior to December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Lane County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed submitted by the claimant, Don Wilbur Limited Partnership is the owner of fee title to the property as shown in the Lane County deed records and, therefore, is owner of the property under Measure 49.

Lane County has confirmed that the claimant is the current owner of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Lane County, outside the urban growth boundary and outside the city limits of the nearest city, Florence.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

Tax lots 100 and 300 (section 30, 138.90 acres) of the Measure 37 claim property are currently zoned Natural Estuary (NE) by Lane County in accordance with applicable provisions of ORS chapter 196 and OAR 660, division 17, because the property contains “estuarine resources” as defined by Goal 16, and generally restricts and regulates development within estuaries.

Tax lot 100 (section 29, 145.91 acres) of the Measure 37 claim property is currently zoned Exclusive Farm Use (E25) by Lane County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone and regulate the establishment of dwellings on new or existing lots or parcels and include restrictions on establishing more than one dwelling on a single tract. Under ORS 215.780(2)(a), counties may adopt minimum lot sizes smaller than 80 acres, subject to approval by the Land Conservation and Development Commission (the Commission). The Commission has approved Lane County’s E25 zone, which requires a minimum lot size of 25 acres. However, provisions of ORS chapter 215 and OAR 660, division 33 also regulate the establishment of dwellings on new or existing lots or parcels and included restrictions on establishing more than one dwelling on a single tract.

Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;

- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Lane County deed records indicate that the claimant acquired tax lots 100 (Sec. 29, 145.91 acres), 100 (Sec. 30, 44.48 acres), and 300 (94.42 acres) on May 16, 2001.

The zoning of tax lots 100 (Section 30) and 300 have not changed since the claimant acquired the property. As it is currently, on May 16, 2001, tax lots 100 (Section 30) and 300 of the Measure 37 claim property were zoned Natural Estuary (NE) by Lane County in accordance with applicable provisions of ORS chapter 196 and OAR 660, division 17, because the property contains "estuarine resources" as defined Goal 16.

The zoning of tax lot 100 (Section 29) also has not changed since the claimant acquired the property. As it is currently, On May 16, 2001, tax lot 100 (Section 29) of the Measure 37 claim property was zoned E25 by Lane County in accordance with the applicable provisions of ORS chapter 215 and OAR 660, division 33.

The claimant is not qualified for Measure 49 relief on the Measure 37 claim property because the zoning and lawfully permitted uses of the property have not changed since the claimant acquired the property.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on December 29, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimant does not qualify for Measure 49 home site approvals because the zoning and lawfully permitted uses of the claimant's property have not changed since it acquired it.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
