**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Final Order and Home Site Authorization**

**STATE ELECTION NUMBER:** E132471

**CLAIMANTS:** William E. and Karen Ray  
36789 Agency Lake Loop Road  
Chiloquin, OR 97624

**MEASURE 37 PROPERTY  
IDENTIFICATION:** Township 35S, Range 7E, Section 7A  
Tax lots 100, 200, 300 and 400  
Klamath County

**AGENT CONTACT INFORMATION:** William M. Ganong

The claimants, William and Karen Ray, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 1, 2006, for property located at 36789 Agency Lake Loop Road, near Chiloquin, in Klamath County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order and Home Site Authorization is the conclusion of the supplemental review of this claim.

**I. ANALYSIS OF CLAIM**

**A. Maximum Number of Home Sites for Which the Claimants May Qualify**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes residential and non-

residential uses. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

## **B. Qualification Requirements**

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

### **1. Timeliness of Claim**

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

### **Findings of Fact and Conclusions**

The claimants, William and Karen Ray, filed a Measure 37 claim, M132471, with the state on December 1, 2006. The claimants filed a Measure 37 claim, M37 70-06, with Klamath County on November 30, 2006. The state claim was filed prior to December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Klamath County.

### **2. The Claimant Is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

### **Findings of Fact and Conclusions:**

According to the deed submitted by the claimants, William and Karen Ray are the owners of fee title to the property as shown in the Klamath County deed records and, therefore, are owners of the property under Measure 49.

Klamath County has confirmed that the claimants are the current owners of the property.

### **3. All Owners of the Property Have Consented in Writing to the Claim**

All owners of the property must consent to the claim in writing.

**Findings of Fact and Conclusions:**

All owners of the property have consented to the claim in writing.

**4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

**Findings of Fact and Conclusions:**

The Measure 37 claim property is located in Klamath County, outside the urban growth boundary and outside the city limits of the nearest city, Chiloquin.

**5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

**Findings of Fact and Conclusions:**

The eastern portion of tax lot 100 of the Measure 37 claim property is currently zoned Exclusive Farm Use – Cropland/Grazing (EFU-CG) by Klamath County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The eastern portion of tax lot 100 of the Measure 37 claim property consists of approximately 16.60 acres. Therefore, state land use regulations prohibit the claimants from establishing on the eastern portion of tax lot 100 of the Measure 37 claim property the home sites the claimants may qualify for under Section 6 of Measure 49.

Tax lots 200, 300, 400 and the western portion of tax lot 100 of the Measure 37 claim property are currently designated as non-resource land and zoned Recreational Commercial (CR) by Klamath County. The CR zone requires a Goal 14 exception for proposed urban uses, prohibits establishment of a lot or parcel less than one acre in size and prohibits the establishment of dwellings.

Tax lots 200, 300, 400 and the western portion of tax lot 100 of the Measure 37 claim property consist of approximately 32 acres. Therefore, state land use regulations prohibit the claimants from establishing on tax lots 200, 300, 400 and the western portion of tax lot 100 of the Measure 37 claim property the home sites the claimants may qualify for under Section 6 of Measure 49.

**6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

**Findings of Fact and Conclusions**

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

**7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

**Findings of Fact and Conclusions**

Klamath County deed records indicate that the claimants acquired the property on January 9, 1963.

On January 9, 1963, the Measure 37 claim property was not subject to any local or state laws that would have prohibited the claimants from establishing at least three lots or parcels and at least three dwellings. Therefore, the claimants lawfully could have established the three home sites the claimants qualify for under Section 6 of Measure 49.

**II. COMMENTS ON THE PRELIMINARY EVALUATION**

The department issued its Preliminary Evaluation for this claim on October 28, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

### III. CONCLUSION

Based on the analysis above, the claimants qualify for up to three home sites. However, the number of lots, parcels or dwellings that a claimant may establish pursuant to a home site authorization is reduced by the number of lots, parcels or dwellings currently in existence on the Measure 37 claim property and any contiguous property under the same ownership according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49.

Based on the documentation provided by the claimants and information from Klamath County, the Measure 37 claim property includes four lots or parcels and no dwellings. As demonstrated by the supplemental information submitted by the claimants and information from Klamath County, the claimants also own tax lots 500 and 600 (T35S R7E S7A) and 100 (T35S R7E S7BA) which are contiguous to the Measure 37 claim property. The contiguous property under the same ownership includes three lots or parcels and no dwellings. Together, the Measure 37 claim property and the contiguous property in the same ownership include seven lots or parcels and no dwellings.<sup>1</sup> Therefore, the three home site approvals the claimants qualify for under Section 6 of Measure 49 will authorize the claimants to establish no additional lots or parcels and up to three dwellings on the Measure 37 claim property.

### IV. HOME SITE AUTHORIZATION

Based on the analysis set forth above, this claim is approved, and the claimants qualify for three home site approvals. As explained in section III above, after taking into account the number of existing lots, parcels or dwellings, the claimants are authorized for no additional lots or parcels and up to three dwellings on the property on which the claimants are eligible for Measure 49 relief, subject to the following terms:

1. Each dwelling must be on a separate lot or parcel, and must be contained within the property on which the claimants are eligible for Measure 49 relief. The establishment of a land division or dwelling based on this home site authorization must comply with all applicable standards governing the siting or development of the land division or dwelling. However, those standards must not be applied in a manner that prohibits the establishment of the land division or dwelling, unless the standards are reasonably necessary to avoid or abate a nuisance, to protect public health or safety, or to carry out federal law.
2. This home site authorization will not authorize the establishment of a land division or dwelling in violation of a land use regulation described in ORS 195.305(3) or in violation of any other law that is not a land use regulation as defined by ORS 195.300(14).
3. A claimant is not eligible for more than 20 home site approvals under Sections 5 to 11 of Measure 49 regardless of how many properties a claimant owns or how many claims a claimant filed. If the claimants have developed the limit of twenty home sites under

---

<sup>1</sup> The documentation for this claim indicates that there may be one temporary dwelling currently located on contiguous property in the same ownership. Temporary dwellings are not considered in determining the number of dwellings currently existing on the Measure 37 claim property or contiguous property in the same ownership. The temporary dwelling on contiguous property in the same ownership is subject to the terms of local permit requirements under which it was approved, and is subject to removal at the end of the terms for which it is allowed.

Measure 49, the claimants are no longer eligible for the home site approvals that are the subject of this order.

4. The number of lots, parcels or dwellings a claimant may establish under this home site authorization is reduced by the number of lots, parcels and dwellings currently in existence on the Measure 37 claim property and contiguous property in the same ownership, regardless of whether evidence of their existence has been provided to the department. If, based on the information available to the department, the department has calculated the number of currently existing lots, parcels or dwellings to be either greater than or less than the number of lots, parcels or dwellings actually in existence on the Measure 37 claim property or contiguous property under the same ownership, then the number of additional lots, parcels or dwellings a claimant may establish pursuant to this home site authorization must be adjusted according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49. Statements in this final order regarding the number of lots, parcels or dwellings currently existing on the Measure 37 claim property and contiguous property are not a determination on the current legal status of those lots, parcels or dwellings.
5. Temporary dwellings are not considered in determining the number of existing dwellings currently on the property. The claimants may choose to convert any temporary dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site pursuant to a home site approval. Otherwise, any temporary dwelling is subject to the terms of the local permit requirements under which it was approved, and is subject to removal at the end of the term for which it is allowed.
6. A home site approval only authorizes the establishment of a new lot, parcel or dwelling on the property on which the claimants are eligible for Measure 49 relief. No additional development is authorized on contiguous property for which no Measure 37 claim was filed or on Measure 37 claim property on which the claimants are not eligible for Measure 49 relief. A lot or parcel established pursuant to a home site approval must either be the site of a dwelling that is currently in existence or be the site of a dwelling that may be established pursuant to the home site approval.
7. The claimants may use a home site approval to convert a lot, parcel or dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site. If the number of lots, parcels or dwellings existing on the property on which the claimants are eligible for Measure 49 relief exceeds the number of home site approvals the claimants qualify for under a home site authorization, the claimants may select which existing lots, parcels or dwellings to convert to authorized home sites; or may reconfigure existing lots, parcels or dwellings so that the number is equivalent to the number of home site approvals.
8. The claimants may not implement the relief described in this Measure 49 Home Site Authorization if a claimant has been determined to have a common law vested right to a use described in a Measure 37 waiver for the property. Therefore, if a claimant has been determined in a final judgment or final order that is not subject to further appeal to have a common law vested right as described in section 5(3) of Measure 49 to any use on the

Measure 37 claim property, then this Measure 49 Home Site Authorization is void. However, so long as no claimant has been determined in such a final judgment or final order to have a common law vested right to a use described in a Measure 37 waiver for the property, a use that has been completed on the property pursuant to a Measure 37 waiver may be converted to an authorized home site.

9. A home site approval does not authorize the establishment of a new dwelling on a lot or parcel that already contains one or more dwellings. The claimants may be required to alter the configuration of the lots or parcels currently in existence on the Measure 37 claim property and contiguous property so that each additional dwelling established on the property on which the claimants are eligible for Measure 49 relief, pursuant to this home site authorization, is sited on a separate lot or parcel.
10. Because the property is located in an exclusive farm use zone, the home site authorization does not authorize new lots or parcels that exceed five acres. However, existing or remnant lots or parcels may exceed five acres. Before beginning construction, the owner must comply with the requirements of ORS 215.293. Further, the home site authorization will not authorize new lots or parcels that exceed two acres if the new lots or parcels are located on high-value farmland, on high-value forestland or on land within a ground water restricted area. However, existing or remnant lots or parcels may exceed two acres.
11. Because the property is located in an exclusive farm use zone, Measure 49 requires new home sites to be clustered so as to maximize suitability of the remnant lot or parcel for farm or forest use. Further, if an owner of the property is authorized by other home site authorizations to subdivide, partition, or establish dwellings on other Measure 37 claim properties, Measure 49 authorizes the owner to cluster some or all of the authorized lots, parcels or dwellings that would otherwise be located on land in an exclusive farm use zone, a forest zone or a mixed farm and forest zone on a single Measure 37 claim property that is zoned residential use or is located in an exclusive farm use zone, a forest zone or a mixed farm and forest zone but is less suitable for farm or forest use than the other Measure 37 claim properties.
12. If the claimants transferred ownership interest in the Measure 37 claim property prior to the date of this order, this order is rendered invalid and authorizes no home site approvals. Provided this order is valid when issued, a home site approval authorized under this order runs with the property and transfers with the property. A home site approval will not expire, except that if a claimant who received this home site authorization later conveys the property to a party other than the claimant's spouse or the trustee of a revocable trust in which the claimant is the settlor, the subsequent owner of the property must establish the authorized lots, parcels and dwellings within 10 years of the conveyance. A lot or parcel lawfully created based on this home site authorization will remain a discrete lot or parcel, unless the lot or parcel lines are vacated or the lot or parcel is further divided, as provided by law. A dwelling lawfully created based on a home site approval is a permitted use.
13. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit,

license or other form of authorization or consent, this home site authorization will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the subject property imposed by private parties.

IT IS HEREBY ORDERED that this Final Order and Home Site Authorization is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.

FOR THE DEPARTMENT AND THE LAND  
CONSERVATION AND DEVELOPMENT  
COMMISSION:

Judith Moore, Measure 49 Division Manager  
Dept. of Land Conservation and Development  
Dated this 7<sup>th</sup> day of January 2010.
