DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Final Order of Denial**

**STATE ELECTION NUMBER:**

E132655

**CLAIMANT:**

Joan A. Cooper  
7940 SE Amity Road  
Amity, OR 97101

**MEASURE 37 PROPERTY  
IDENTIFICATION:**

Township 5S, Range 4W, Section 26  
Tax lot 2100<sup>1</sup>  
Yamhill County

The claimant, Joan Cooper, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 1, 2006, for property located at 7940 SE Amity Road, near Amity, in Yamhill County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of her Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

**I. ANALYSIS OF CLAIM**

**A. Maximum Number of Home Sites for Which the Claimant May Qualify**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes three home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

---

<sup>1</sup> In the Yamhill County L-49-06 Property Line Adjustment decision, the county states that the tax lot comprising the Measure 37 claim property—tax lot 2100—consists of two legal parcels, a 31.4-acre parcel (tax lot 2100) and a 6.89-acre parcel (tax lot 2102). Therefore, this evaluation considers the Measure 37 claim property as two legal parcels.

## **B. Qualification Requirements**

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

### **1. Timeliness of Claim**

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

### **Findings of Fact and Conclusions**

The claimant, Joan Cooper, filed a Measure 37 claim, M132655, with the state on December 1, 2006. The claimant filed a Measure 37 claim, M37-259-06, with Yamhill County on December 1, 2006. The state claim was filed prior to December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Yamhill County.

### **2. The Claimant Is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

### **Findings of Fact and Conclusions:**

According to the deed submitted by the claimant, Joan Cooper is the owner of fee title to the property as shown in the Yamhill County deed records and, therefore, is an owner of the property under Measure 49.

Yamhill County has confirmed that the claimant is the current owner of the property.

### **3. All Owners of the Property Have Consented in Writing to the Claim**

All owners of the property must consent to the claim in writing.

### **Findings of Fact and Conclusions:**

All owners of the property have consented to the claim in writing.

**4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

**Findings of Fact and Conclusions:**

The Measure 37 claim property is located in Yamhill County, outside the urban growth boundary and outside the city limits of the nearest city, Amity.

**5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

**Findings of Fact and Conclusions:**

The property is currently zoned Exclusive Farm Use (EF-40) by Yamhill County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone and regulate the establishment of dwellings on new or existing lots or parcels. Under ORS 215.780(2)(a), counties may adopt minimum lot sizes smaller than 80 acres, subject to approval by the Land Conservation and Development Commission (the Commission). The Commission has approved Yamhill County's EF-40 zone, which requires a minimum lot size of 40 acres.

The claimant's property consists of 40.3 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

**6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

### **Findings of Fact and Conclusions**

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

### **7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

### **Findings of Fact and Conclusions**

Yamhill County deed records indicate that the claimant acquired the property on May 23, 1986.

On May 23, 1986, the majority of the Measure 37 claim property was subject to Yamhill County's acknowledged Exclusive Farm Use (EF-40) zone, while a portion of what is now tax lot 2102 was subject to Yamhill County's Agriculture/Forestry (AF-20) zone. Yamhill County's EF-40 zone required 40 acres for the creation of a new lot or parcel on which a dwelling could be established, and Yamhill County's AF-20 zone required 20 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant's property consists of 40.3 acres and is developed with two lots or parcels and one dwelling. Therefore, the claimant lawfully could not have further divided the property on her date of acquisition.

The claimant submitted comments indicating that she is not requesting authorization to further divide the subject property but only authorization to establish a dwelling on the vacant lot or parcel that comprises tax lot 2102. Tax lot 2102 consists of 6.89 acres and is undeveloped. On May 23, 1986, the majority of the property that is now tax lot 2102 was subject to Yamhill County's acknowledged Exclusive Farm Use (EF-40) zone, while a smaller portion of what is now tax lot 2102 was subject to Yamhill County's Agriculture/Forestry (AF-20) zone. Although the AF-20 zone allowed for the establishment of a dwelling on a substandard pre-existing lot of record, tax lot 2102 did not exist as a separate 6.89-acre split-zoned lot on May 23, 1986, but was created pursuant to a recent lot line adjustment (L-49-06). Therefore, the claimant lawfully could not have established a dwelling on tax lot 2102 on her date of acquisition.

## **II. COMMENTS ON THE PRELIMINARY EVALUATION**

The department issued its Preliminary Evaluation for this claim on April 30, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. Comments received have been taken into account by the department in the issuance of this Final Order of Denial.

### **III. CONCLUSION**

Based on the analysis above, the claimant, Joan Cooper, does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish any additional lots, parcels or dwellings on the claimant's date of acquisition.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
