OREGON DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT
ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order and Home Site Authorization

STATE ELECTION NUMBER: E132690

CLAIMANT: Richard C. Kirk
4667 St. Paul Highway
St. Paul, OR 97137

MEASURE 37 PROPERTY IDENTIFICATION:
Township 4S, Range 2W
Section 20, Tax lot 500
Section 20C, Tax lots 100, 200 and 500
Marion County

AGENT CONTACT INFORMATION:

The claimant, Richard Kirk, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 1, 2006, for property located at 4797 St. Paul Highway, near St. Paul, in Marion County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order and Home Site Authorization is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election

1 The Measure 37 claim property consisted of tax lots 100, 200, 500 (Section 20) and 500 (Section 20C). According to information obtained from Marion County, tax lot 500 (Section 20) has been remapped as tax lots 500 and 501 for assessment purposes.
materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver
was issued, the number of home sites described in the Measure 37 claim filed with the state.
However, if the number of lots, parcels and dwellings currently in existence on the Measure 37
claim property and the contiguous property under the same ownership is equal to or greater than
the maximum number of home sites a claimant could otherwise qualify for under Section 6 of
Measure 49, a claimant may qualify for only one home site approval.

The claimant has requested Section 6 review in the election material. No waiver was issued for
this claim. The Measure 37 claim filed with the state describes three home sites. However,
because it appears that the Measure 37 claim property and contiguous property in the same
ownership contain three or more lots or parcels that are developed with dwellings the claimants
may qualify for a maximum of one home site approval.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each
of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the
county in which the property is located on or before June 28, 2007, and must have filed a
Measure 37 claim with both the state and the county before Measure 49 became effective on
December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim
must also have been filed in compliance with the provisions of OAR 660-041-0020 then in
effect.

Findings of Fact and Conclusions

The claimant, Richard Kirk, filed a Measure 37 claim, M132690, with the state on December 1,
2006. The claimant filed a Measure 37 claim, M06-304, with Marion County on December 1,
2006. The state claim was filed prior to December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Marion County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed
records of the county where the property is located; (b) The purchaser under a land sale contract,
if there is a recorded land sale contract in force for the property; or (c) If the property is owned
by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust
becomes irrevocable only the trustee is the owner."
Findings of Fact and Conclusions:

According to the deeds submitted by the claimant, Richard Kirk is the owner of fee title to the property as shown in the Marion County deed records and, therefore, is an owner of the property under Measure 49.

Marion County has confirmed that the claimant is the current owner of the property.

3. All Owners Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Marion County, outside the urban growth boundary and outside the city limits of the nearest city, St. Paul.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use (EFU) by Marion County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant’s property consists of 186.80 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the one home site the claimant may qualify for under Section 6 of Measure 49.
6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

(a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
(b) Restricting or prohibiting activities for the protection of public health and safety;
(c) To the extent the land use regulation is required to comply with federal law; or
(d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimant, it does not appear that the establishment of the one home site for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Findings of Fact and Conclusions

Marion County deed records indicate that the claimant acquired tax lot 500 in section 20C (0.23 acres) on December 27, 1964, tax lot 100 (5 acres) and tax lot 200 (5 acres) on October 22, 1975, and tax lot 500 in section 20 (176.57 acres) on June 28, 1982.

On June 28, 1982, the Measure 37 claim property consisted of 186.80 acres and was subject to Marion County's acknowledged EFU zone. Marion County's EFU zone required 60 acres for the creation of a new lot or parcel on which a dwelling could be established. Given that the Measure 37 claim property currently includes four lots or parcel and one dwelling, the claimant lawfully could have established the one home site for which the claimant is eligible on his date of acquisition.²

² Because the claimant was lawfully permitted to establish on the Measure 37 claim property the maximum number of home sites for which he may qualify based on the latest acquisition date, the department has omitted the lawfully permitted analyses based on the earlier acquisition dates.
II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on November 3, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimant qualifies for the one home site approval.

The number of lots, parcels or dwellings that a claimant is authorized to establish pursuant to a home site authorization is reduced by the number of lots, parcels or dwellings currently in existence on the Measure 37 claim property and any contiguous property under the same ownership according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49. If a claimant otherwise qualifies for relief under Section 6 of Measure 49, the claimant will be able to establish at least one additional lot, parcel or dwelling, regardless of the number of dwellings currently in existence.

Based on the documentation provided by the claimant and information from Marion County, the Measure 37 claim property includes four lots or parcels and one dwelling. As demonstrated by the supplemental information submitted by the claimants and assessment information obtained from Marion County, the claimant also owns tax lots 400, 600 and 1000 (T4S R2W S20C) which are contiguous to the Measure 37 claim property. The contiguous property under the same ownership includes three lots or parcels and three dwellings. Together, the Measure 37 claim property and the contiguous property in the same ownership include seven lots or parcels and four dwellings. Therefore, the one home site approval the claimant qualifies for will allow the claimant to establish no additional lots or parcels and one additional dwelling on the Measure 37 claim property.

IV. HOME SITE AUTHORIZATION

Based on the analysis set forth above, this claim is approved, and the claimant qualifies for one home site approval. As explained in section III above, after taking into account the number of existing lots, parcels or dwellings, the claimant is authorized for no additional lots or parcels and one additional dwelling on the property on which the claimant is eligible for Measure 49 relief, subject to the following terms:

1. Each dwelling must be on a separate lot or parcel, and must be contained within the property on which the claimant is eligible for Measure 49 relief. The establishment of a land division or dwelling based on a Measure 49 home site authorization must comply with all applicable standards governing the siting or development of the land division or dwelling. However,

---

3 The documentation for this claim indicates that there may be a temporary dwelling currently located on the subject property. Temporary dwellings are not considered in determining the number of dwellings currently existing on the property. The claimant may choose to convert a temporary dwelling currently located on the property on which the claimant is eligible for Measure 49 relief to an authorized home site through the Measure 49 home site approval. Otherwise, the temporary dwelling is subject to the terms of local permit requirements under which it was approved, and is subject to removal at the end of term for which it is allowed.
those standards must not be applied in a manner that prohibits the establishment of the land
division or dwelling, unless the standards are reasonably necessary to avoid or abate a
nuisance, to protect public health or safety, or to carry out federal law.

2. A home site authorization will not authorize the establishment of a land division or dwelling
in violation of a land use regulation described in ORS 195.305(3) or in violation of any other
law that is not a land use regulation as defined by ORS 195.300(14).

3. A claimant is not eligible for more than 20 home site approvals under Sections 5 to 11 of
Measure 49 regardless of how many properties a claimant owns or how many claims a
claimant filed. If the claimant has developed the limit of twenty home sites under
Measure 49, the claimant is no longer eligible for the home site approval that is the subject of
this order.

4. Statements in this final order regarding the number of lots, parcels or dwellings currently
existing on the Measure 37 claim property and contiguous property are not a determination
on the current legal status of those lots, parcels or dwellings.

5. Temporary dwellings are not considered in determining the number of existing dwellings
currently on the property. The claimant may choose to convert any temporary dwelling
currently located on the property on which the claimant is eligible for Measure 49 relief to an
authorized home site pursuant to a Measure 49 home site approval. Otherwise, any temporary
dwelling is subject to the terms of the local permit requirements under which it was
approved, and is subject to removal at the end of the term for which it is allowed.

6. A home site approval only authorizes the establishment of a new lot, parcel or dwelling on
property on which the claimant is eligible for Measure 49 relief. No additional development
is authorized on contiguous property for which no Measure 37 claim was filed or on
Measure 37 claim property on which a claimant is not eligible for Measure 49 relief. A lot or
parcel established pursuant to a home site approval must either be the site of a dwelling that
is currently in existence or be the future site of a dwelling that may be established pursuant to
the home site approval.

7. The claimant may use a home site approval to convert a lot, parcel or dwelling currently
located on the property on which the claimant is eligible for Measure 49 relief to an
authorized home site.

8. The claimant may not implement the relief described in this Measure 49 home site
authorization if a claimant has been determined to have a common law vested right to a use
described in a Measure 37 waiver for the property. Therefore, if a claimant has been
determined in a final judgment or final order that is not subject to further appeal to have a
common law vested right as described in Section 5(3) of Measure 49 to any use on the
Measure 37 claim property, then this Measure 49 Home Site Authorization is void. However,
so long as no claimant has been determined in such a final judgment or final order to have a
common law vested right to a use described in a Measure 37 waiver for the property, a use
that has been completed on the property pursuant to a Measure 37 waiver may be converted
to an authorized home site.
9. A home site approval does not authorize the establishment of a new dwelling on a lot or parcel that already contains one or more dwellings.

10. If the claimant transferred ownership interest in the Measure 37 claim property prior to the date of this order, this order is rendered invalid and authorizes no home site approvals. Provided this order is valid when issued, a home site approval authorized under this order runs with the property and transfers with the property. A home site approval will not expire, except that if a claimant who received this home site authorization later conveys the property to a party other than the claimant’s spouse or the trustee of a revocable trust in which the claimant is the settlor, the subsequent owner of the property must establish the authorized lot, parcel or dwelling within 10 years of the conveyance. A lot or parcel lawfully created based on this home site authorization will remain a discrete lot or parcel, unless the lot or parcel lines are vacated or the lot or parcel is further divided, as provided by law. A dwelling lawfully created based on a home site approval is a permitted use.

11. Because the property is located in an exclusive farm use zone, the home site authorization will not authorize new lots or parcels that exceed five acres. However, existing or remnant lots or parcels may exceed five acres. Before beginning construction in one of these zones, the owner must comply with the requirements of ORS 215.293. Further, the home site authorization will not authorize new lots or parcels that exceed two acres if the new lots or parcels are located on high-value farmland, on high-value forestland or on land within a ground water restricted area. However, existing or remnant lots or parcels may exceed two acres.

12. Because the property is located in an exclusive farm use zone, Measure 49 requires new home sites to be clustered so as to maximize suitability of the remnant lot or parcel for farm or forest use. Further, if an owner of the property is authorized by other home site approvals to subdivide, partition, or establish dwellings on other Measure 37 claim properties, Measure 49 authorizes the owner to cluster some or all of the authorized lots, parcels or dwellings that would otherwise be located on land in an exclusive farm use zone, a forest zone or a mixed farm and forest zone on a single Measure 37 claim property that is zoned residential use or is located in an exclusive farm use zone, a forest zone or a mixed farm and forest zone but is less suitable for farm or forest use than the other Measure 37 claim properties.

13. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, this home site authorization will not authorize the use of the property unless the claimant first obtains that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the subject property imposed by private parties.
IT IS HEREBY ORDERED that this Final Order and Home Site Authorization is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
