CLAIMANT: S. Thomas Fox

Silverton, OR 97381

MEASURE 37 PROPERTY IDENTIFICATION:
Township 7S, Range 1E, Section 32C
Tax lot 600
Marion County

AGENT CONTACT INFORMATION: Donald M. Kelley

The claimant, Thomas Fox, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 1, 2006, for property located on the west side of Drift Creek Road SE, near Silverton, in Marion County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

1 Claim E132918 has been divided into five claims because the claim includes multiple tax lots or parcels that are not in the same ownership and because the Measure 37 claim sought relief for two or more non-contiguous parcels. E132918A refers to tax lots 1000, 1100, 1200, 1400 (T7S R1E S31), tax lots 300 and 500 (T7S R1E S32C), tax lot 300 (T8S R1E S5), and tax lots 100, 200, 400, 700, and 1000 (T8S R1E S6) and claimant Fox Land Co., LLC. E132918B refers to tax lot 600 (T7S R1E S32C) and claimant S. Thomas Fox. E132918C refers to tax lots 500 and 900 (T8S R1W S23) and claimant Fox Land Co., LLC. E132918D refers to tax lots 600 and 800 (T9S R1W S9) and claimant Fox Land Co., LLC. E132918E refers to tax lot 200 (T9S R2W S18), tax lots 600 and 800 (T9S R2W S19), and tax lot 900 (T9S R3W S13) and claimant Fox Land Co., LLC.

2 John N. Fox is listed as a claimant on the election form, but he was not a claimant under Measure 37 and, therefore, is not eligible for relief under Measure 49.
I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes more than three home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimant, Thomas Fox, filed a Measure 37 claim, M132918, with the state on December 4, 2006. The claimant filed a Measure 37 claim, M06-292, with Marion County on December 1, 2006. The state claim was filed on December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Marion County.

2. The Claimant Is an Owner of the Property

Measure 49 defines “Owner” as: “(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner.”

---

3 The Measure 37 claim described the property and requested relief for the property before the claim was split (approximately 1800 acres).
Findings of Fact and Conclusions:

According to the deed submitted by the claimant, Thomas Fox is the owner of fee title to the property as shown in the Marion County deed records and, therefore, is an owner of the property under Measure 49.

Marion County has confirmed that the claimant is the current owner of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

The deed by which the claimant acquired the property indicates that there is one non-claimant owner. The claimant has submitted a consent form signed by the non-claimant owner.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Marion County, outside the urban growth boundary and outside the city limits of the nearest city, Silverton.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use (EFU) by Marion County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant’s property consists of 1.38 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.
6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

(a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
(b) Restricting or prohibiting activities for the protection of public health and safety;
(c) To the extent the land use regulation is required to comply with federal law; or
(d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Findings of Fact and Conclusions

Marion County deed records indicate that the claimant acquired the property on March 18, 1974.

On March 18, 1974, the Measure 37 claim property was subject to applicable provisions of ORS chapters 197 and 215 and Marion County’s Exclusive Farm Use (EF-20) zone.

Marion County’s EF-20 zone required at least 20 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant’s property consists of 1.38 acres. Therefore, under the local zone then in effect, the claimant lawfully could not have established any home sites on his date of acquisition.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on January 26, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. Comments received have been taken into account by the department in the issuance of this Final Order of Denial. The claimant’s agent submitted comments asserting that “the EF-
20 zone in effect on March 18, 1974, allowed the establishment of at least one and potentially up to three single family dwellings on the subject property.” However, while a “single-family dwelling” is listed as a permitted use in the zone, the approval of a dwelling on a lot or parcel smaller than 20 acres in the EF-20 zone was subject to the discretionary review process specified in section 136.230 of the 1974 Marion County Zoning Ordinance. Measure 49 allows a claimant to establish the number of lots, parcels and dwellings that would have been lawfully permitted at the time a claimant acquired the property. A use is not lawfully permitted when approval of the use on a claimant’s acquisition date would have required a highly discretionary review process, and the record for the claim does not include any evidence that the claimant could have met the standards under such a review process.

III. CONCLUSION

Based on the analysis above, the claimant does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the lots, parcels or dwellings on the claimant’s date of acquisition.
IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
