The claimant, Rose Kraft, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 1, 2006, for property located at 65085 Allen Road, near Bend, in Deschutes County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of her Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. No waiver was issued.

1 The claimant also has submitted claims for properties that are not contiguous to the subject property which are identified as E132167 and E132168.
for this claim. The Measure 37 claim filed with the state describes seven home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimant, Rose Kraft, filed a Measure 37 claim, M133190, with the state on December 1, 2006. The claimant filed a Measure 37 claim, 2007-117, with Deschutes County on December 4, 2006. The state claim was filed prior to December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Deschutes County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: “(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner.”

Findings of Fact and Conclusions:

According to the deed submitted by the claimant, Rose Allen Kraft is the trustee of an irrevocable trust into which the Measure 37 property has been conveyed and, therefore, is an owner of the property under Measure 49.

Deschutes County has confirmed that the claimant is the current owner of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.
Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Deschutes County, outside the urban growth boundary and outside the city limits of the nearest city, Bend.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use – Tumalo/Redmond/Bend (EFU-TRB) by Deschutes County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant’s property consists of 38.59 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

(a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
(b) Restricting or prohibiting activities for the protection of public health and safety;
(c) To the extent the land use regulation is required to comply with federal law; or
(d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.
Findings of Fact and Conclusions

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Findings of Fact and Conclusions

Deschutes County deed records indicate that the claimant acquired the property on August 23, 2001.

On August 23, 2001, the Measure 37 claim property was subject to Deschutes County’s Exclusive Farm Use – Tumalo/Redmond/Bend (EFU-TRB) zone. Deschutes County’s EFU-TRB zone required 80 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant’s property consists of 38.59 acres, and is developed with one dwelling. Therefore, the claimant lawfully could not have established any additional home sites on her date of acquisition.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on June 11, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. The claimant submitted comments to the Preliminary Evaluation, asserting that she acquired the property on October 23, 1970, and that, in fact, the trust into which she transferred the property, and for which she is trustee, remains revocable. The comments include a copy of the initial, 1994 Kraft Family Living Trust.

---

2 The deed records indicate claimant reacquired tax lot 604 on August 23, 2001, after conveying the tax lot to another person. Regarding reacquisition of claim property, Measure 49 section 21(3) provides: “If a claimant conveyed the property to another person and reacquired the property, whether by foreclosure or otherwise, the claimant’s acquisition date is the date the claimant reacquired ownership of the property.”

3 It is not material to the disposition of this claim whether the Kraft Family Trust is currently irrevocable. However, the department’s statement, to which the claimant objects, that the claim is irrevocable is based on the language of “The Restatement of the Kraft Family Living Trust,” dated December 7, 2000, provided by the claimant with her Measure 37 claim. Section 4(d) of that document states that while the trust is revocable by either of the trustmakers, “[a]fter the death of one of us, this agreement shall not be subject to amendment or revocation.” The claim documents indicate that the other trustmaker, Walter Kraft, passed away on January 26, 2004. According to those trust terms, after that date, the trust was no longer revocable.
The title documents submitted by the claimant establish that she first acquired the Measure 37 claim property with her late husband (tax lot 604) on October 23, 1970, by deed recorded December 22, 1970. However, on April 6, 1994, the claimant and her late husband conveyed the property to a third party, as evidenced by a Memorandum of Contract recorded April 12, 1994. On August 23, 2001, the claimant and her late husband reacquired the property by Estoppel Deed, recorded September 4, 2001. As noted, Measure 49 section 21(3) provides: “If a claimant conveyed the property to another person and reacquired the property, whether by foreclosure or otherwise, the claimant’s acquisition date is the date the claimant reacquired ownership of the property.” Accordingly, for purposes of Measure 49, the claimant acquired the property on August 23, 2001.

III. CONCLUSION

Based on the analysis above, the claimant does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the lots, parcels or dwellings on the claimant’s date of acquisition.
IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
