The claimants, Lisa Reeder, Prime Cut Timber and Paul Reeder, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 2, 2006, for property located near Oregon City, in Clackamas County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Amended Final Order and Home Site Authorization on Reconsideration is the conclusion of the supplemental review of this claim.

---

<sup>1</sup> On April 9, 2010, the department issued a final order for E133471, which was originally divided into eight claims. Information from Clackamas County indicates that the 12 tax lots that make up the Measure 37 property are four legal lots of record. Therefore, on reconsideration, the department has revised the division of E133471 into three claims. Claim E133471A includes one legal lot comprised of tax lots 2102, 2103 and 2104 and owners Lisa Reeder, Prime Cut Timber and Paul Reeder. Claim E133471B includes one legal lot comprised of tax lots 2105 and 2106 and owners Paul Reeder and Lana Reeder. Claim E133471C includes two legal lots comprised of tax lots 1704, 1705, 1794 (1 parcel), and tax lots 1701, 1702, 1791 and 1792 (1 parcel) and owners Prime Cut Timber and Lana Reeder.

<sup>2</sup> Claimants also have related claims, E133417, E133470 and E133472, for property that is not contiguous to tax lots 2102, 2103 and 2104.

## **I. ANALYSIS OF CLAIM**

### **A. Maximum Number of Home Sites for Which the Claimants May Qualify**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes eight home sites. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

### **B. Qualification Requirements**

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

#### **1. Timeliness of Claim**

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

#### **Findings of Fact and Conclusions**

The claimants, Lisa Reeder, Prime Cut Timber and Paul Reeder, filed a Measure 37 claim, M133471, with the state on December 2, 2006. The claimants filed a Measure 37 claim, ZC555-06, with Clackamas County on December 1, 2006. The state claim was filed prior to December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Clackamas County.

#### **2. The Claimant Is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) if the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

**Findings of Fact and Conclusions:**

According to the deeds submitted by the claimants, Paul Reeder is the owner of tax lot 2102 and the northern portion of tax lot 2103, Lisa Reeder is the owner of the southern portion of tax lot 2103 and Prime Cut Timber is the owner of tax lot 2104.

Clackamas County has confirmed that the claimants are the current owners of the property.

**3. All Owners of the Property Have Consented in Writing to the Claim**

All owners of the property must consent to the claim in writing.

**Findings of Fact and Conclusions:**

All owners of the property have consented to the claim in writing.

**4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

**Findings of Fact and Conclusions:**

The Measure 37 claim property is located in Clackamas County, outside the urban growth boundary and outside the city limits of the nearest city, Oregon City.

**5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

**Findings of Fact and Conclusions:**

The property is currently zoned Timber District (TBR) by Clackamas County, in accordance with ORS chapter 215 and OAR 660, division 6, because the property is "forest land" under Goal 4. Applicable provisions of ORS chapter 215 and OAR 660 division 6, enacted or adopted pursuant to Goal 4, generally prohibit the establishment of a lot or parcel less than 80 acres in size in a forest zone and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants' property consists of 54.74 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

**6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

**Findings of Fact and Conclusions**

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

**7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

**Findings of Fact and Conclusions**

Clackamas County deed records indicate that Paul Reeder acquired tax lot 2102 on December 29, 1988, Prime Cut Timber acquired tax lot 2104 on July 22, 1988, Lisa Reeder acquired the portion of tax lot 2103 that is south of the line marked *S 57° 41' 04" E* on March 1, 1989 and Paul Reeder acquired the portion of tax lot 2103 that is north of the line marked *S 57° 41' 04" E* on September 23, 1998.

On December 29, 1988, July 22, 1988 and March 1, 1989, the Measure 37 claim property was subject to Clackamas County's acknowledged Transitional Timber (TT-20) zone. Clackamas County's TT-20 zone required 20 acres for the creation of a new lot or parcel on which a dwelling could be established. Tax lots 2102 (18.40 acres), 2104 (18.24 acres) and the portion of tax lot 2103 that is south of the line marked *S 57° 41' 04" E* consist of approximately 54 acres. Therefore, the claimants lawfully could have established two home sites on tax lots 2102, 2104 and the South portion of 2103 on their date of acquisition.

The zoning of the triangle shaped portion of the Measure 37 claim property that is north of the line marked *S 57° 41' 04" E* on the Clackamas County Assessor's map has not changed since

claimant Paul Reeder acquired the property. As it is currently, on September 23, 1998, this portion of tax lot 2103 was zoned Timber District (TBR) by Clackamas County, in accordance with ORS chapter 215 and OAR 660, division 6, because the property is "forest land" under Goal 4.

Claimant Paul Reeder is not qualified for Measure 49 relief on the northern triangle shaped portion of tax lot 2103 because the zoning and lawfully permitted uses of the property have not changed since the claimant acquired this portion of the Measure 37 property.

## **II. COMMENTS ON THE PRELIMINARY EVALUATION**

The department issued its Preliminary Evaluation for this claim on January 20, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. Comments received have been taken into account by the department in the issuance of this Amended Final Order and Home Site Authorization on Reconsideration.

Specifically, claimant Paul Reeder submitted comments to the department asserting that he acquired fee title to the entirety of tax lot 2102 on December 29, 1988 and March 1, 1989. As evidence he resubmitted deed #88-54514 dated December 29, 1988 and deed #89-10255 dated March 1, 1989. The department agrees that deed #88-54514 is evidence that Paul Reeder acquired tax lot 2102 on December 29, 1988.

Specifically, claimant Lisa Reeder submitted comments asserting that she is the current owner of tax lot 2103 and that she acquired fee title to this property from Paul Reeder through a March 1, 1989 deed. The department has determined that this March 1, 1989 deed transferred the southern portion of tax lot 2103 to Lisa Reeder and that she has retained ownership of this portion of the Measure 37 claim property since this date. The northern triangle portion of the Measure 37 claim property was not transferred to Lisa Reeder in this deed because on March 1, 1989 it was owned by Lana Reeder. Lana Reeder acquired this triangular portion of the Measure 37 claim property through a December 29, 1988 deed that is recorded as deed #88-54-507. The property description in this deed indicates that Prime Cut Timber transferred a portion of its property lying north of the line marked  $S 57^{\circ} 41' 04'' E$  on the Clackamas County Assessor's map to Lana Reeder, including a small portion of tax lot 2103. Paul Reeder became an owner of this portion of the Measure 37 claim property on September 29, 1998, when Lana Reeder transferred her interest in tax lot 2103 to Paul Reeder in a deed recorded as #98-090133. Because Lana Reeder only held an interest in the northern triangle portion of tax lot 2103 on September 29, 1998, this is the only section of the Measure 37 claim property that Paul Reeder received. Therefore, for purposes of this final order, Paul Reeder is the current owner of this portion of the Measure 37 claim property.

Information from Clackamas County indicates that tax lots 2102, 2103 and 2104 constitute one legal lot of record. The department will "divide a single Claim into two or more claims if the Measure 37 Claim Property contains multiple lots or parcels that are not in the same ownership." (OAR 660-041-0150). Tax lots 2102, 2103 and 2104 do not constitute multiple lots or parcels. Therefore on reconsideration, tax lots 2102, 2103 and 2104 are the subject of a single claim.

### III. CONCLUSION

Based on the analysis above, the claimants are not qualified for any additional home sites on the northern portion of tax lot 2103 owned by Paul Reeder because the zoning and lawfully permitted uses of the property have not changed since the claimant acquired this portion of the Measure 37 property.

Based on the analysis above, the claimants qualify for two home sites on tax lots 2102, 2104 and the portion of tax lot 2103 that is south of the line marked *S 57° 41' 04" E*. However, the number of lots, parcels or dwellings that a claimant may establish pursuant to a home site authorization is reduced by the number of lots, parcels or dwellings currently in existence on the Measure 37 claim property and any contiguous property under the same ownership according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49.

Based on the documentation provided by the claimants and information from Clackamas County, the Measure 37 claim property includes one lot or parcel and no dwellings. There is no contiguous property under the same ownership. Therefore, the two home site approvals the claimants qualify for under Section 6 of Measure 49 will authorize the claimants to establish one additional lot or parcel and two dwellings on the portion of the property consisting of tax lots 2101, 2104 and the portion of tax lot 2103 that is south of the line marked *S 57° 41' 04" E* of the Measure 37 claim property. However, this relief applies only to Paul Reeder as to tax lot 2102, only to Lisa Reeder as to the Southern portion of tax lot 2103 and only to Prime Cut Timber as to tax lot 2104.

### IV. HOME SITE AUTHORIZATION

Based on the analysis set forth above, this claim is approved, and the claimants qualify for two home site approvals on tax lots 2102, 2104 and the portion of tax lot 2103 that is south of the line marked *S 57° 41' 04" E*. As explained in section III above, after taking into account the number of existing lots, parcels or dwellings the claimants are authorized for one additional lot or parcel and two dwellings on the property on which the claimants are eligible for Measure 49 relief. However, this relief applies only to Paul Reeder as to tax lot 2102, only to Lisa Reeder as to the southern portion of tax lot 2103 and only to Prime Cut Timber as to tax lot 2104, and is subject to the following terms:

1. Each dwelling must be on a separate lot or parcel, and must be contained within the property on which the claimants are eligible for Measure 49 relief. The establishment of a land division or dwelling based on this home site authorization must comply with all applicable standards governing the siting or development of the dwelling. However, those standards must not be applied in a manner that prohibits the establishment of the dwelling, unless the standards are reasonably necessary to avoid or abate a nuisance, to protect public health or safety, or to carry out federal law.
2. This home site authorization will not authorize the establishment of a land division or dwelling in violation of a land use regulation described in ORS 195.305(3) or in violation of any other law that is not a land use regulation as defined by ORS 195.300(14).

3. A claimant is not eligible for more than 20 home site approvals under Sections 5 to 11 of Measure 49 regardless of how many properties a claimant owns or how many claims a claimant filed. If the claimants have developed the limit of twenty home sites under Measure 49, the claimants are no longer eligible for the home site approvals that are the subject of this order.
4. The number of lots, parcels or dwellings a claimant may establish under this home site authorization is reduced by the number of lots, parcels and dwellings currently in existence on the Measure 37 claim property and contiguous property in the same ownership, regardless of whether evidence of their existence has been provided to the department. If, based on the information available to the department, the department has calculated the number of currently existing lots, parcels or dwellings to be either greater than or less than the number of lots, parcels or dwellings actually in existence on the Measure 37 claim property or contiguous property under the same ownership, then the number of additional lots, parcels or dwellings a claimant may establish pursuant to this home site authorization must be adjusted according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49. Statements in this final order regarding the number of lots, parcels or dwellings currently existing on the Measure 37 claim property and contiguous property are not a determination on the current legal status of those lots, parcels or dwellings.
5. Temporary dwellings are not considered in determining the number of existing dwellings currently on the property. The claimants may choose to convert any temporary dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site pursuant to a home site approval. Otherwise, any temporary dwelling is subject to the terms of the local permit requirements under which it was approved, and is subject to removal at the end of the term for which it is allowed.
6. A home site approval only authorizes the establishment of a new lot, parcel or dwelling on the property on which the claimants are eligible for Measure 49 relief. No additional development is authorized on contiguous property for which no Measure 37 claim was filed or on Measure 37 claim property on which the claimants are not eligible for Measure 49 relief. A lot or parcel established pursuant to a home site approval must either be the site of a dwelling that is currently in existence or be the site of a dwelling that may be established pursuant to the home site approval.
7. The claimants may use a home site approval to convert a dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site. If the number of dwellings existing on the property on which the claimants are eligible for Measure 49 relief exceeds the number of home site approvals the claimants qualify for under a home site authorization, the claimants may select which existing lots, parcels or dwellings to convert to authorized home sites; or may reconfigure existing lots, parcels or dwellings so that the number is equivalent to the number of home site approvals.
8. The claimants may not implement the relief described in this Measure 49 home site authorization if a claimant has been determined to have a common law vested right to a use described in a Measure 37 waiver for the property. Therefore, if a claimant has been

determined in a final judgment or final order that is not subject to further appeal to have a common law vested right as described in Section 5(3) of Measure 49 to any use on the Measure 37 claim property, then this Measure 49 Home Site Authorization is void. However, so long as no claimant has been determined in such a final judgment or final order to have a common law vested right to a use described in a Measure 37 waiver for the property, a use that has been completed on the property pursuant to a Measure 37 waiver may be converted to an authorized home site.

9. A home site approval does not authorize the establishment of a new dwelling on a lot or parcel that already contains one or more dwellings. The claimants may be required to alter the configuration of the lots or parcels currently in existence on the Measure 37 claim property and contiguous property so that each additional dwelling established on the property on which the claimants are eligible for Measure 49 relief, pursuant to this home site authorization, is sited on a separate lot or parcel.
10. Because the property is located in a forest zone, the home site authorization does not authorize new lots or parcels that exceed five acres. However, existing or remnant lots or parcels may exceed five acres. Before beginning construction, the owner must comply with the requirements of ORS 215.293. Further, the home site authorization will not authorize new lots or parcels that exceed two acres if the new lots or parcels are located on high-value farmland, on high-value forestland or on land within a ground water restricted area. However, existing or remnant lots or parcels may exceed two acres.
11. Because the property is located in a forest zone, Measure 49 requires new home sites to be clustered so as to maximize suitability of the remnant lot or parcel for farm or forest use. Further, if an owner of the property is authorized by other home site authorizations to subdivide, partition, or establish dwellings on other Measure 37 claim properties, Measure 49 authorizes the owner to cluster some or all of the authorized lots, parcels or dwellings that would otherwise be located on land in an exclusive farm use zone, a forest zone or a mixed farm and forest zone on a single Measure 37 claim property that is zoned residential use or is located in an exclusive farm use zone, a forest zone or a mixed farm and forest zone but is less suitable for farm or forest use than the other Measure 37 claim properties.
12. If the claimants transferred ownership interest in the Measure 37 claim property prior to the date of this order, this order is rendered invalid and authorizes no home site approvals. Provided this order is valid when issued, a home site approval authorized under this order runs with the property and transfers with the property. A home site approval will not expire, except that if a claimant who received this home site authorization later conveys the property to a party other than the claimant's spouse or the trustee of a revocable trust in which the claimant is the settlor, the subsequent owner of the property must establish the authorized dwellings within 10 years of the conveyance. A dwelling lawfully created based on a home site approval is a permitted use.

13. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, this home site authorization will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the subject property imposed by private parties.

IT IS HEREBY ORDERED that this Amended Final Order and Home Site Authorization on Reconsideration is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
