Final Order of Denial

STATE ELECTION NUMBER: E133911

MEASURE 37 PROPERTY IDENTIFICATION: Township 18S, Range 13E, Section 12
Tax lot 701
Deschutes County

PRIMARY CONTACT INFORMATION: Jeri L. Bradetich

The claimants, Kenneth and Betty Williamsen, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 4, 2006, for property located at 24395 Dodds Road, near Bend, in Deschutes County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes three home sites. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.
B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimants, Kenneth and Betty Williamson, filed a Measure 37 claim, M133911, with the state on December 4, 2006. The claimants filed a Measure 37 claim, 2007-115, with Deschutes County on December 4, 2006. The state claim was filed on December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Deschutes County.

2. The Claimant Is an Owner of the Property

Measure 49 defines “Owner” as: “(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner.”

Findings of Fact and Conclusions:

According to the deed and trust documents submitted by the claimants, Kenneth and Betty Williamson are the settlors of a revocable trust into which they conveyed the Measure 37 claim property and, therefore, are owners of the property under Measure 49.

Deschutes County has confirmed that the claimants are the current owners of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.
Findings of Fact and Conclusions:

The deeds by which the claimants acquired the property indicate that there is one non-claimant owner. The non-claimant owner has consented to the Measure 49 claim.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Deschutes County, outside the urban growth boundary and outside the city limits of the nearest city, Bend.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use - Alfalfa (EFU-AL) by Deschutes County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone and regulate the establishment of dwellings on new or existing lots or parcels. Under ORS 215.780(2)(a), counties may adopt minimum lot sizes smaller than 80 acres, subject to approval by the Land Conservation and Development Commission (the Commission). The Commission has approved Deschutes County’s EFU-AL zone, which requires a minimum lot size of 36 irrigated acres.

The claimants’ property consists of 40 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three homesites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

(a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
(b) Restricting or prohibiting activities for the protection of public health and safety;
(c) To the extent the land use regulation is required to comply with federal law; or
(d) Restricting or prohibiting the use of a property for the purpose of selling
pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, it does not appear that the establishment
of the three home sites for which the claimants may qualify on the property is prohibited by land
use regulations described in ORS 195.305(3).

7. On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish
at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized
Under Section 6 of Measure 49

A claimant’s acquisition date is “the date the claimant became the owner of the property as
shown in the deed records of the county in which the property is located. If there is more than
one claimant for the same property under the same claim and the claimants have different
acquisition dates, the acquisition date is the earliest of those dates.”

Findings of Fact and Conclusions

Deschutes County deed records indicate that the claimants acquired the property on March 24,
1986.

On March 24, 1986, the Measure 37 claim property was subject to Deschutes County’s
acknowledged Exclusive Farm Use (EFU-40) zone. Deschutes County’s EFU zone required 40
acres for the creation of a new lot or parcel on which a dwelling could be established. The
claimants’ property consists of 40 acres and is developed with a dwelling. Therefore, the
claimants lawfully could not have established any additional home sites on their date of
acquisition.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on December 10, 2009. Pursuant
to OAR 660-041-0090, the department provided written notice to the owners of surrounding
properties. Comments received have been taken into account by the department in the issuance
of this Final Order of Denial.

III. CONCLUSION

Based on the analysis above, the claimants do not qualify for Measure 49 home site approvals
because the claimants were not lawfully permitted to establish the lots, parcels or dwellings on
the claimants’ date of acquisition.
IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
