The claimant, Emry Family Limited Partnership, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 4, 2006, for property located at 3640 and 3750 Dee Highway, near Hood River, in Hood River County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of its Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The

¹ Claims E134038 and E134167 have been combined into one claim because the properties are contiguous. Per OAR 660-041-0150 the Department of Land Conservation and Development will combine multiple claims into one claim if the Measure 37 claim property contains multiple contiguous lots or parcels that are in the same ownership.

claimant has requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes two home sites. Therefore, the claimant may qualify for a maximum of two home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimant, Emry Family Limited Partnership, filed Measure 37 claims, M134038 and 134167, with the state on December 4, 2006. The claimant filed Measure 37 claims, 06-M153 and 06-M154, with Hood River County on December 4, 2006. The state claim was filed on December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Hood River County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed submitted by the claimant, Emry Family Limited Partnership is the owner of fee title to the property as shown in the Hood River County deed records and, therefore, is an owner of the property under Measure 49.

Hood River County has confirmed that the claimant is the current owner of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Hood River County, outside the urban growth boundary and outside the city limits of the nearest city, Hood River.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

Tax lot 500 of the Measure 37 claim property is currently zoned Exclusive Farm Use (EFU) by Hood River County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone and regulate the establishment of dwellings on new or existing lots or parcels.

Tax lot 500 consists of 31.49 acres. Therefore, state land use regulations prohibit the claimant from establishing on tax lot 500 of the Measure 37 claim property the home sites the claimant may qualify for under Section 6 of Measure 49.

Tax lot 800 of the Measure 37 claim property is currently zoned Farm-Forest (F-1) by Hood River County, in accordance with Goals 3 and 4, as implemented by OAR 660-006-0050. State land use regulations, including applicable provisions of ORS chapter 215 and OAR 660, divisions 6 and 33, generally prohibit the establishment of a lot or parcel less than 80 acres in size in a mixed farm/forest zone and regulate the establishment of dwellings on new or existing lots or parcels.

Tax lot 800 consists of 55 acres. Therefore, state land use regulations prohibit the claimant from establishing on tax lot 800 of the Measure 37 claim property the home sites the claimant may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimant, it does not appear that the establishment of the two home sites for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Hood River County deed records indicate that the claimant acquired the property on December 13, 1994.

On December 13, 1994, tax lot 500 of the Measure 37 claim property was subject to Hood River County's acknowledged Exclusive Farm Use (EFU) zone. Hood River County's EFU zone required 20 acres for the creation of a new lot or parcel on which a dwelling could be established. However, state law in effect when the claimant acquired the property, specifically ORS 215.780 (1993 edition), required a minimum lot size of 80 acres for land zoned for exclusive farm use and not designated rangeland. The state law in effect on December 13, 1994 would have prohibited the claimant from lawfully partitioning the Measure 37 claim property into lots smaller than 80 acres. Tax lot 500 of the Measure 37 claim property consists of 31.49

acres. Therefore, the claimant lawfully could not have established any home sites on tax lot 500 on its date of acquisition.

On December 13, 1994, tax lot 800 of the Measure 37 claim property was subject to Hood River County's acknowledged Farm-Forest (F-1) zone. Hood River County's F-1 zone required 40 acres for the creation of a new lot or parcel on which a dwelling could be established. However, state law in effect when the claimant acquired the property, specifically ORS 215.780 (1993 edition), required a minimum lot size of 80 acres for land zoned for mixed farm/forest use. The state law in effect on December 13, 1994 would have prohibited the claimant from lawfully partitioning the Measure 37 claim property into lots smaller than 80 acres. Tax lot 800 of the Measure 37 claim property consists of 55 acres. Therefore, the claimant lawfully could not have established any home sites on tax lot 800 on its date of acquisition.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on January 7, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimants do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish the lots, parcels or dwellings on the claimants' date of acquisition.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
