

**OREGON DEPARTMENT OF LAND CONSERVATION AND
DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order and Home Site Authorization**

STATE ELECTION NUMBERS:

E134139, H134137, H134138 and
H134140^{1,2}

CLAIMANTS:

Robert L. and Betty M. Janzen
20555 SE Webfoot Road
Dayton, OR 97114

**MEASURE 37 PROPERTY
IDENTIFICATION:**

Township 5S, Range 3W,
Section 29, Tax lots 700 and 701
Section 30, Tax lots 200, 400, and 500
Yamhill County

PRIMARY CONTACT INFORMATION:

Betty M. Janzen
20555 SE Webfoot Road
Dayton, OR 97114

The claimants, Robert and Betty Janzen, filed claims with the state under ORS 197.352 (2005) (Measure 37) on December 4, 2006, for property located at 20555 SE Webfoot Road, near Amity, in Yamhill County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants. However, as initially adopted in 2007, a claimant who did not file a Measure 49 election within 90 days of the department mailing the election packet, was not eligible for Measure 49 relief. In June of 2009, the Oregon State Legislature passed House Bill 3225, Oregon Laws, Chapter 855 (2009), which makes amendments to Measure 49 so that Measure 49 elections filed within 120 days were timely. The department received the elections for claims H134137, H134138 and H134140 within 120 days of mailing the election packets. Those claims are now eligible for review under Section 6 of Measure 49.

¹ The claimant also has submitted claims for properties not contiguous to the subject property which are identified as E134134, E134135, E134136, and E134141.

² Claims E134139, H134137, H134138, and H134140 have been combined into one claim because the properties are contiguous. Per OAR 660-041-0150 the Department of Land Conservation and Development will combine multiple claims into one claim if the Measure 37 claim property contains multiple contiguous lots or parcels that are in the same ownership.

The claimants have elected to seek relief under Measure 49, as amended by HB 3225, and have paid the required filing fees for H134137, H134138 and H134140.

This Final Order and Home Site Authorization is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claims filed with the state describes 16 home sites. Therefore, the claimants may qualify for a maximum of three home site approvals.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, as amended by HB 3225, a claimant must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with the state before Measure 49 became effective on December 6, 2007. If the claimant filed the state Measure 37 claim after December 4, 2006, the claimant must also have either (a) filed the claim in compliance with the provisions of OAR 660-041-0020 then in effect; (b) submitted a land use application as described in OAR 660-041-0020 then in effect prior to June 28, 2007; or (c) filed a Measure 37 claim with the county on or before December 4, 2006.

Findings of Fact and Conclusions

The claimants, Robert and Betty Janzen, filed Measure 37 claims, M13437, M134138, M134139, and M134140, with the state on December 4, 2006. The claimants filed Measure 37 claims, M37-281-06, M37-283-06, M37-284-06, and M37-279-06, with Yamhill County on December 4, 2006. The state claims were filed on December 4, 2006.

The claimants filed a timely Measure 37 claim with the state along with any additional claims or applications that the claimant had to have filed in order to be eligible for review under Measure 49, as amended by HB 3225.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deeds submitted by the claimants, Robert and Betty Janzen are the owners of fee title to the property as shown in the Yamhill County deed records and, therefore, are owners of the property under Measure 49.

Yamhill County has confirmed that the claimants are the current owners of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Majority of the Measure 37 Claim Property Is Located Outside Any Urban Growth Boundary and Outside the Boundaries of Any City or the Measure 37 Claim Property is Located within the Boundaries of A City and Entirely Outside Any Urban Growth Boundary

Either the majority of the Measure 37 claim property must be located outside any urban growth boundary and outside the boundaries of any city or the Measure 37 Claim Property must be located within the boundaries of a city and entirely outside any urban growth boundary.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Yamhill County and the property is located outside the urban growth boundary and outside the city limits of the nearest city, Amity.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm (EF-80) by Yamhill County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as

defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants' property consists of 168.65 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Yamhill County deed records indicate that the claimants acquired tax lots 700 and 701 (114.66 acres) on February 6, 1967, tax lot 400 (35 acres) on October 2, 1985, and tax lots 200 and 500 (18.99 acres) on November 9, 1992.

On February 6, 1967, the Measure 37 claim property consisted of tax lots 700 and 701 and was not subject to any local or state laws that would have prohibited the claimants from establishing the three home sites for which the claimants may be eligible. Therefore, the claimants lawfully

could have established the three home sites the claimants qualify for under Section 6 of Measure 49.

On October 2, 1985, the Measure 37 claim property consisted of tax lots 400, 700, and 701 and was subject to Yamhill County's acknowledged Exclusive Farm District (EF-40) zone. Yamhill County's EF-40 zone required 40 acres for the creation of a new lot or parcel on which a dwelling could be established. On October 2, 1985, the claimants' property consisted of 149.66 acres. Therefore, the claimants lawfully could have established the three home sites for which the claimants are eligible on their date of acquisition.

On October November 9, 1992, the Measure 37 claim property consisted of tax lots 200, 400, 500, 700, and 701 and was subject to Yamhill County's acknowledged Exclusive Farm District (Ef-40) zone. Yamhill County's EF-40 zone required 40 acres for the creation of a new lot or parcel on which a dwelling could be established. On November 9, 1992, the claimants' property consisted of 168.65 acres. Therefore, the claimants lawfully could have established the three home sites for which the claimants are eligible on their date of acquisition.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on February 8, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. Comments received have been taken into account by the department in the issuance of this Final Order and Home Site Authorization. The claimants submitted comments asserting that they are entitled to one new parcel and one new dwelling under Section 6(3) of Measure 49. A claimant may qualify for one home site under Section 6(3) only if a claimant does not qualify for relief under Section 6(2), but otherwise qualifies for relief under Section 6 of Measure 49. In this case, the Measure 37 claim property includes three dwellings on a single lot or parcel and a fourth dwelling on a separate lot or parcel. Given authorization of three home site approvals, the claimants could authorize the three existing dwellings that are located on a single lot or parcel, and reconfigure the existing lots or parcels so that each of the dwellings is on a separate lot or parcel. Because the claimants qualify for relief under Section 6(2) of Measure 49, they do not also qualify for relief under Section 6(3).

III. CONCLUSION

Based on the analysis above, the claimants qualify for up to three home sites. However, the number of lots, parcels or dwellings that a claimant may establish pursuant to a home site authorization is reduced by the number of lots, parcels or dwellings currently in existence on the Measure 37 claim property and any contiguous property under the same ownership according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49.

Based on the documentation provided by the claimants and information from Yamhill County, the Measure 37 claim property includes five lots or parcels and four dwellings. As demonstrated by the supplemental information submitted by the claimants and information from Yamhill County, the claimants also own tax lots 500 and 600 (T5S R3W S29), which are contiguous to the Measure 37 claim property. The contiguous property under the same ownership includes two

undeveloped lots or parcels. Together, the Measure 37 claim property and the contiguous property in the same ownership include seven lots or parcels and four dwellings, three of which are located on tax lot 701, and one of which is located on tax lot 400. Therefore, the three home site approvals the claimants qualify for will authorize the claimants to authorize or replace three of the existing dwellings on the Measure 37 claim property and to alter the configuration of the lots or parcels currently in existence on the Measure 37 claim property and contiguous property so that each authorized dwelling is sited on a separate authorized lot or parcel and the total number of lots or parcels does not exceed seven.

IV. HOME SITE AUTHORIZATION

Based on the analysis set forth above, this claim is approved, and the claimants qualify for three home site approvals. As explained in section III above, after taking into account the number of existing lots, parcels or dwellings, the claimants are authorized to authorize or replace three of the existing dwellings on the property on which the claimants are eligible for Measure 49 relief and to alter the configuration of the lots or parcels currently in existence on the Measure 37 claim property and contiguous property so that each authorized dwelling is sited on a separate authorized lot or parcel and the total number of lots or parcels does not exceed seven, subject to the following terms:

1. Each dwelling must be on a separate lot or parcel, and must be contained within the property on which the claimants are eligible for Measure 49 relief. The establishment of a land division or dwelling based on this home site authorization must comply with all applicable standards governing the siting or development of the land division or dwelling. However, those standards must not be applied in a manner that prohibits the establishment of the land division or dwelling, unless the standards are reasonably necessary to avoid or abate a nuisance, to protect public health or safety, or to carry out federal law.
2. This home site authorization will not authorize the establishment of a land division or dwelling in violation of a land use regulation described in ORS 195.305(3) or in violation of any other law that is not a land use regulation as defined by ORS 195.300(14).
3. A claimant is not eligible for more than 20 home site approvals under Sections 5 to 11 of Measure 49 regardless of how many properties a claimant owns or how many claims a claimant filed. If the claimants have developed the limit of twenty home sites under Measure 49, the claimants are no longer eligible for the home site approvals that are the subject of this order.
4. The number of lots, parcels or dwellings a claimant may establish under this home site authorization is reduced by the number of lots, parcels and dwellings currently in existence on the Measure 37 claim property and contiguous property in the same ownership, regardless of whether evidence of their existence has been provided to the department. If, based on the information available to the department, the department has calculated the number of currently existing lots, parcels or dwellings to be either greater than or less than the number of lots, parcels or dwellings actually in existence on the Measure 37 claim property or contiguous property under the same ownership, then the number of additional lots, parcels or dwellings a claimant may establish pursuant to this home site authorization must be adjusted

according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49. Statements in this final order regarding the number of lots, parcels or dwellings currently existing on the Measure 37 claim property and contiguous property are not a determination on the current legal status of those lots, parcels or dwellings.

5. Temporary dwellings are not considered in determining the number of existing dwellings currently on the property. The claimants may choose to convert any temporary dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site pursuant to a home site approval. Otherwise, any temporary dwelling is subject to the terms of the local permit requirements under which it was approved, and is subject to removal at the end of the term for which it is allowed.
6. A home site approval only authorizes the establishment of a new lot, parcel or dwelling on the property on which the claimants are eligible for Measure 49 relief. No additional development is authorized on contiguous property for which no Measure 37 claim was filed or on Measure 37 claim property on which the claimants are not eligible for Measure 49 relief. A lot or parcel established pursuant to a home site approval must either be the site of a dwelling that is currently in existence or be the site of a dwelling that may be established pursuant to the home site approval.
7. The claimants may use a home site approval to convert a lot, parcel or dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site. If the number of lots, parcels or dwellings existing on the property on which the claimants are eligible for Measure 49 relief exceeds the number of home site approvals the claimants qualify for under a home site authorization, the claimants may select which existing lots, parcels or dwellings to convert to authorized home sites; or may reconfigure existing lots, parcels or dwellings so that the number is equivalent to the number of home site approvals.
8. The claimants may not implement the relief described in this Measure 49 home site authorization if a claimant has been determined to have a common law vested right to a use described in a Measure 37 waiver for the property. Therefore, if a claimant has been determined in a final judgment or final order that is not subject to further appeal to have a common law vested right as described in Section 5(3) of Measure 49 to any use on the Measure 37 claim property, then this Measure 49 Home Site Authorization is void. However, so long as no claimant has been determined in such a final judgment or final order to have a common law vested right to a use described in a Measure 37 waiver for the property, a use that has been completed on the property pursuant to a Measure 37 waiver may be converted to an authorized home site.
9. A home site approval does not authorize the establishment of a new dwelling on a lot or parcel that already contains one or more dwellings. The claimants may be required to alter the configuration of the lots or parcels currently in existence on the Measure 37 claim property and contiguous property so that each additional dwelling established on the property on which the claimants are eligible for Measure 49 relief, pursuant to this home site authorization, is sited on a separate lot or parcel.

10. Because the property is located in an exclusive farm use zone, the home site authorization does not authorize new lots or parcels that exceed five acres. However, existing or remnant lots or parcels may exceed five acres. Before beginning construction, the owner must comply with the requirements of ORS 215.293. Further, the home site authorization will not authorize new lots or parcels that exceed two acres if the new lots or parcels are located on high-value farmland, on high-value forestland or on land within a ground water restricted area. However, existing or remnant lots or parcels may exceed two acres.
11. Because the property is located in an exclusive farm use zone, Measure 49 requires new home sites to be clustered so as to maximize suitability of the remnant lot or parcel for farm or forest use. Further, if an owner of the property is authorized by other home site authorizations to subdivide, partition, or establish dwellings on other Measure 37 claim properties, Measure 49 authorizes the owner to cluster some or all of the authorized lots, parcels or dwellings that would otherwise be located on land in an exclusive farm use zone, a forest zone or a mixed farm and forest zone on a single Measure 37 claim property that is zoned residential use or is located in an exclusive farm use zone, a forest zone or a mixed farm and forest zone but is less suitable for farm or forest use than the other Measure 37 claim properties.
12. If the claimants transferred ownership interest in the Measure 37 claim property prior to the date of this order, this order is rendered invalid and authorizes no home site approvals. Provided this order is valid when issued, a home site approval authorized under this order runs with the property and transfers with the property. A home site approval will not expire, except that if a claimant who received this home site authorization later conveys the property to a party other than the claimant's spouse or the trustee of a revocable trust in which the claimant is the settlor, the subsequent owner of the property must establish the authorized lots, parcels and dwellings within 10 years of the conveyance. A lot or parcel lawfully created based on this home site authorization will remain a discrete lot or parcel, unless the lot or parcel lines are vacated or the lot or parcel is further divided, as provided by law. A dwelling lawfully created based on a home site approval is a permitted use.
13. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, this home site authorization will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the subject property imposed by private parties.

IT IS HEREBY ORDERED that this Final Order and Home Site Authorization is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.

FOR THE DEPARTMENT AND THE LAND
CONSERVATION AND DEVELOPMENT
COMMISSION:

Judith Moore, Division Manager
Dept. of Land Conservation and Development
Dated this 6TH day of May 2010

NOTICE OF RIGHT TO APPEAL OR OTHER JUDICIAL RELIEF

You are entitled, or may be entitled, to judicial remedies including the following:

1. Judicial review is available to anyone who is an owner of the property as defined in Measure 49 that is the subject of this final determination, or a person who timely submitted written evidence or comments to the department concerning this final determination.
2. Judicial review under ORS 183.484 may be obtained by filing a petition for review within 60 days from the service of this order. A petition for judicial review under ORS 183.484 must be filed in the Circuit Court in the county in which the affected property is located. Upon motion of any party to the proceedings, the proceedings may be transferred to any other county with jurisdiction under ORS 183.484 in the manner provided by law for change of venue.
3. Judicial review of this final determination is limited to the evidence in the record of the department at the time of its final determination. Copies of the documents that comprise the record are available for review at the department's office at 635 Capitol St. NE, Suite 150, Salem, OR 97301-2540. Judicial review is only available for issues that were raised before the department with sufficient specificity to afford the department an opportunity to respond.
