The claimant, Merlin Fjarli, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 4, 2006, for property located at 6427 Gregory Road and 6437 Crater Lake Hwy, near Central Point, in Jackson County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

#### I. ANALYSIS OF CLAIM

## A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver

<sup>&</sup>lt;sup>1</sup> This claim has been divided into three claims due to the existence of multiple parcels not in the same ownership. E134149A refers to tax lot 900 and claimant Merlin Fjarli. E134149B refers to tax lot 100 and claimants Merlin and JoAnn Fjarli. E134149C refers to tax lot 2190 and claimant Merlin Fjarli.

was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes eleven home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

#### **B.** Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

#### 1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

### Findings of Fact and Conclusions

The claimant, Merlin Fjarli, filed a Measure 37 claim, M134149, with the state on December 4, 2006. The claimant filed a Measure 37 claim, M37 2006-00318, with Jackson County on December 1, 2006. The state claim was filed on December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Jackson County.

#### 2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

#### Findings of Fact and Conclusions:

According to the deeds submitted by the claimant, Merlin Fjarli is the owner of fee title to the property, as shown in the Jackson County deed records and, therefore, is an owner of the property under Measure 49.

Jackson County has confirmed that the claimant is the current owner of the property.

#### 3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

### Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

# 4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

#### **Findings of Fact and Conclusions:**

The Measure 37 claim property is located in Jackson County, outside the urban growth boundary and outside the city limits of the nearest city, Central Point.

### 5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

#### Findings of Fact and Conclusions:

The property is currently zoned Light Industrial (LI) by Jackson County, in accordance with OAR 660, division 9, because the property is economically important to the region. Jackson County's LI zone allows one single-family dwelling as an accessory use provided it is accessory to a permitted commercial or industrial use and is subject to an administrative review and approval process.

Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

# 6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

#### Findings of Fact and Conclusions

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

# 7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

#### Findings of Fact and Conclusions

Jackson County deed records indicate that the claimant acquired the property on April 19, 1978.

The claimant acquired the Measure 37 claim property after adoption of the statewide planning goals, but before the Commission acknowledged Jackson County's comprehensive plan and land use regulations to be in compliance with those goals pursuant to ORS 197.250 and 197.251. At that time, the Measure 37 claim property was zoned Farm Residential (F-5) by Jackson County. Jackson County's F-5 zone included a fixed minimum acreage standard of five acres. However, the Commission had not acknowledged that zone for compliance with the goals when the claimant acquired the property on April 19, 1978. Accordingly, the statewide planning goals, and in particular Goal 9, applied directly to the Measure 37 claim property when the claimant acquired it.

On May 16, 1983, the Commission acknowledged the application of Jackson County's Light Industrial (LI) zone to the Measure 37 claim property. The Commission's acknowledgement of Jackson County's LI zone confirmed that zone's compliance with Goal 9 and the applicable state statutes. Jackson County's acknowledged LI zone only allowed the establishment of one dwelling when accessory to a permitted use and is subject to an administrative review and approval process, the same standard for residential use that exists in that zone today. Therefore, on the claimant's acquisition date, he could not have established any home sites in the zone that was ultimately acknowledged to comply with the statewide planning goals and implementing regulations.

#### II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on March 26, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

#### III. CONCLUSION

Based on the analysis above, the claimant does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the lots, parcels or dwellings on the claimant's date of acquisition and the standards for allowing residential use of the property have not changed since he acquired it.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
