DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Final Order of Denial**

**STATE ELECTION NUMBER:**

E134393

**CLAIMANTS:**

Timothy and Susan Forester  
90869 Coburg Hills  
Eugene, OR 97408

**MEASURE 37 PROPERTY  
IDENTIFICATION:**

Township 12S, Range 14E, Section 23  
Tax lot 908  
Jefferson County

The claimants, Timothy and Susan Forester, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on June 20, 2007, for property located near Madras, in Jefferson County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

**I. ANALYSIS OF CLAIM**

**A. Maximum Number of Home Sites for Which the Claimants May Qualify**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election material; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested one home site approval in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes one home site. Therefore, the claimants may qualify for a maximum of one home site approval under Section 6 of Measure 49.

**B. Qualification Requirements**

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

## **1. Timeliness of Claim**

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

## **Findings of Fact and Conclusions**

The claimants, Timothy and Susan Forester, filed a Measure 37 claim, M134393, with the state on June 20, 2007. The claimants filed a Measure 37 claim, 06-M37-52, with Jefferson County prior to April 25, 2007. The state claim was filed after December 4, 2006, in accordance with the applicable provisions of OAR 660-041-0020(2)(b).

It appears that the claimants timely filed a Measure 37 claim with both the state and Jefferson County. However, the state claim was filed after December 4, 2006, and was thus subject to the requirements of OAR 660-041-0020 then in effect.

OAR 660-041-0020 required in relevant part that Measure 37 claims based on existing DLCD regulations and filed after December 4, 2006:

“(b) Include one of the following:

(A) A copy of the final written decision by a city, a county, or Metro on a Land Use Application that includes the Property and that requests authorization for the specific use that the Claim is based on, in which the city, county, or Metro determined that one or more Existing DLCD Regulations or city, county or Metro Land Use Regulations that implement Existing DLCD Regulations were approval criteria for the decision; or

(B) A copy of the final written action by an Agency on a complete application to the Agency, in which the Agency determined that one or more existing DLCD Regulations were approval criteria for the application.”

The claimants have provided a final written decision indicating that an existing regulation of DLCD, another agency or a county was an approval criterion for a completed application that the claimants had submitted to a city, county, Metro or an agency. Therefore the claim was filed in compliance with the provisions of OAR 660-041-0020 then in effect.

## **2. The Claimant Is an Owner of the Property**

Measure 49 defines “Owner” as: “(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) if the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner.”

**Findings of Fact and Conclusions:**

According to the deed submitted by the claimants, Timothy and Susan Forester are the owners of fee title to the property as shown in the Jefferson County deed records and, therefore, are owners of the property under Measure 49.

Jefferson County has confirmed that the claimants are the current owner of the property.

**3. All Owners of the Property Have Consented in Writing to the Claim**

All owners of the property must consent to the claim in writing.

**Findings of Fact and Conclusions:**

All owners of the property have consented to the claim in writing.

**4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

**Findings of Fact and Conclusions:**

The Measure 37 claim property is located in Jefferson County, outside the urban growth boundary and outside the city limits of the nearest city, Madras.

**5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

**Findings of Fact and Conclusions:**

The property is currently zoned Range Land (RL) by Jefferson County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use (EFU). Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, provide standards for the establishment of a dwelling in an EFU zone. In general and subject to some exceptions, those standards require that the property be a minimum of 160 acres in size in an EFU zone that is designated rangeland and generate a minimum annual income from the sale of farm products. In addition, counties may adopt larger minimum lot or parcel sizes. Jefferson County's RL zone requires a minimum of 320 acres for the establishment of a dwelling on a lot or parcel.

The combined effect of the standards for the establishment of a dwelling in an EFU zone is to prohibit the claimants from establishing a dwelling on the Measure 37 claim property.

**6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

**Findings of Fact and Conclusions**

Based on the documentation submitted by the claimants, it does not appear that the establishment of the one home site for which the claimants may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

**7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

**Findings of Fact and Conclusions**

Jefferson County deed records indicate that the claimants acquired the property on February 6, 1997.

On February 6, 1997, the Measure 37 claim property was subject to Jefferson County's acknowledged Range Land (RL) zone. Jefferson County's RL zone required 320 acres for the establishment of a dwelling on a vacant lot or parcel. The Measure 37 claim property consists of 74.24 acres. Therefore, the claimants lawfully could not have established a home site on the Measure 37 claim property on their date of acquisition.

**II. COMMENTS ON THE PRELIMINARY EVALUATION**

The department issued its Preliminary Evaluation for this claim on March 17, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. The claimants submitted comments disagreeing with the analysis undertaken by the department to determine whether they qualify for relief under Measure 49. In order to qualify for a home site, Measure 49 requires that on a claimant's acquisition date, the claimant must have

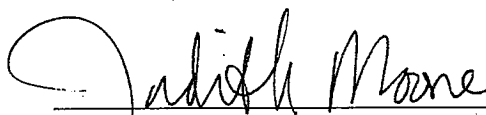

been lawfully permitted to establish at least the requested number of lots, parcels or dwellings. On the claimants' acquisition date, their property was zoned RL and subject to a 320 minimum acreage requirement. The claimants' property is 74.24 acres. Therefore, under the analysis required by Measure 49, the claimants were not lawfully permitted to establish a farm dwelling on the property on their date of acquisition. Additionally, ORS 215.284 and OAR 660-033-0130 provide the criteria for the establishment of a non-farm-related dwelling in an EFU zone. Non-farm dwellings are subject to criteria that have not substantively changed since the claimants acquired the Measure 37 claim property. The question of whether the claimants could have qualified for or could currently qualify for a non-farm dwelling is independent of the issue relevant to the Measure 49 inquiry, which is statutorily limited to whether a claimant was lawfully permitted to establish one or more home sites on the claimant's acquisition date and, due to regulations established subsequent to that acquisition, is currently prohibited from establishing that use.

### **III. CONCLUSION**

Based on the analysis above, the claimants do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish the dwelling on the claimants' date of acquisition.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.

CONSERVATION AND DEVELOPMENT
