STATE ELECTION NUMBER: H132050

CLAIMANTS:
Hans Grunbaum
21390 SW Edy Road
Sherwood, OR 97140

Taina Steinberg
1805 Fillmore #201
San Francisco, CA 94115

Blake Steinberg
7748 SW Barnes Road #3173
Portland, OR 97225

MEASURE 37 PROPERTY IDENTIFICATION:
Township 1N, Range 1W
Section 5C, Tax lot 200
Section 6D, Tax lots 300 and 400
Multnomah County

The claimants, Hans Grunbaum, Taina Steinberg and Blake Steinberg, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 30, 2006, for property located on NW Kaiser Road, near Portland, in Multnomah County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants. However, as initially enacted in 2007, a claimant was not eligible for relief under Measure 49 if the claimant did not file a Measure 49 election within 90 days of the department mailing the election packet. Hans Grunbaum, Taina Steinberg and Blake Steinberg were not entitled to Measure 49 relief on that basis.

However, the Oregon State Legislative Assembly subsequently amended this Measure 49 requirement through the passage of House Bill 3225 (Chapter 855 (2009 Laws)) (HB 3225). As a result, this requirement no longer prevents the claimants, Hans Grunbaum, Taina Steinberg and

1 The claimants also submitted claims for properties not contiguous to the subject property which are identified as M132051 and M132052.
Blake Steinberg, from obtaining Measure 49 relief. The claimants elected to seek relief under Measure 49, as amended by HB 3225, and submitted the $175 fee required by Section 18 of HB 3225 in order to have the claim reviewed.

This Final Order and Home Site Authorization is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes twenty home sites. Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, as amended by HB 3225, the claimants must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with the state before Measure 49 became effective on December 6, 2007. If the claimant filed their state Measure 37 claim after December 4, 2006, the claimant must also have either (a) filed the claim in compliance with the provisions of OAR 660-041-0020 then in effect; (b) submitted a land use application as described in OAR 660-041-0020 then in effect prior to June 28, 2007; or (c) filed a Measure 37 claim with the county on or before December 4, 2006.

Findings of Fact and Conclusions

The claimants, Hans Grunbaum, Taina Steinberg and Blake Steinberg, filed a Measure 37 claim, M132050, with the state on November 30, 2006. The claimants filed a Measure 37 claim, T1-06-089, with Multnomah County on November 16, 2006. The state claim was filed prior to December 4, 2006.

The claimants filed a timely Measure 37 claim with the state along with any additional claims or applications that the claimants had to have filed in order to be eligible for review under Measure 49, as amended by HB 3225.
2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deeds and other documents submitted by the claimants, Taina Steinberg and Blake Steinberg are the owners of fee title to the property as shown in the Multnomah County deed records and, therefore, are owners of the property under Measure 49.

According to the deeds and other documents submitted by the claimants, Hans Grunbaum is the settlor of a revocable trust into which he conveyed the Measure 37 claim property and, therefore, is an owner of the property under Measure 49.

Multnomah County has confirmed that the claimants are the current owners of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Majority of the Measure 37 Claim Property Is Located Outside Any Urban Growth Boundary and Outside the Boundaries of Any City or the Measure 37 Claim Property is Located within the Boundaries of a City and Entirely Outside Any Urban Growth Boundary

Either the majority of the Measure 37 claim property must be located outside any urban growth boundary and outside the boundaries of any city or the Measure 37 Claim Property must be located within the boundaries of a city and entirely outside any urban growth boundary.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Multnomah County and the property is located outside any urban growth boundary and outside the city boundary of the nearest city, Portland.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.
Findings of Fact and Conclusions:

Tax lot 200 (39.47 acres) of the property is currently zoned Commercial Forest Use (CFU-2) by Multnomah County, in accordance with ORS chapter 215 and OAR 660, division 6, because the property is “forest land” under Goal 4. Applicable provisions of ORS chapter 215 and OAR 660 division 6, enacted or adopted pursuant to Goal 4, generally prohibit the establishment of a lot or parcel less than 80 acres in size in a forest zone and regulate the establishment of dwellings on new or existing lots or parcels.

Tax lots 300 and 400 (totaling 1.81 acres) of the property are currently zoned Exclusive Farm Use (EFU) by Multnomah County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants’ property consists of 41.28 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

(a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
(b) Restricting or prohibiting activities for the protection of public health and safety;
(c) To the extent the land use regulation is required to comply with federal law; or
(d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than
one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

**Findings of Fact and Conclusions**

Multnomah County deed records indicate that claimant Hans Grunbaum acquired the property on December 18, 1974, and claimants Taina Steinberg and Blake Steinberg acquired the property on April 19, 1999. Therefore, for purposes of Measure 49, the claimants’ acquisition date is December 18, 1974.

On December 18, 1974, the Measure 37 claim property was subject to applicable provisions of ORS chapters 197 and 215 and Multnomah County’s Forest (F-2) zone. Multnomah County’s F-2 zone, adopted in 1968, required at least two acres for the creation of a new lot or parcel on which a dwelling could be established. According to Multnomah County, it also allowed development of dwellings on legal lots of record less than two acres if those lots of record were created prior to July 10, 1958. The claimants’ property consists of 41.28 acres, in three tax lots. However, the record for the claim does not establish that tax lots 300 (1.45 acres) and 400 (0.45 acres) were created before July, 1958 or created in accordance with the appropriate zoning laws in effect after that date, and therefore could not have been established with dwellings at the time the claimants acquired the property in 1974. Therefore, under the local zoning then in effect, the claimants lawfully could have established three home sites on their date of acquisition, but only on tax lot 200.

However, state law in effect when the claimants acquired the property, specifically ORS 197.175(1) and 197.280 (1973 edition), required that counties exercise their planning responsibilities in accordance with the interim land use planning goals set forth in ORS 215.515 (1973 edition). Those interim land use planning goals included: “To preserve the quality of the air, water and land resources of the state”; “To conserve prime farm lands for the production of crops”; “To provide for the orderly and efficient transition from rural to urban land use”; “To protect life and property in areas subject to floods, landslides and other natural disasters”; and “To develop a timely, orderly and efficient arrangement of public facilities and services to serve as a framework for urban and rural development” ORS 215.515 (1973 edition).

The interim planning goals would not have prohibited the claimants from lawfully establishing three home sites on the Measure 37 claim property when they acquired that property on December 18, 1974. Rather, the applicable provisions of the interim goals are furthered by provisions of Section 6 of Measure 49, which limits the number of home sites authorized, and by Section 11(3), which regulates the size and location of lots or parcels on high value farm or forest land. Measure 49 Section 11(3) requires new parcels on high-value farm or forest land to be no larger than two acres and “clustered so as to maximize suitability of the remnant lot or parcel for farm or forest use.”

**II. COMMENTS ON THE PRELIMINARY EVALUATION**

The department issued its Preliminary Evaluation for this claim on June 15, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding
properties. Comments received have been taken into account by the department in the issuance of this Final Order and Home Site Authorization. Specifically, Multnomah County submitted comments on the claim, questioning the dates tax lots 300 and 400 became legal lots of record. As explained above, because both of those tax lots include less than two acres, and the record for the claim does not contain evidence that those lots were established as legal lots of record before July 10, 1958 or in accordance with applicable zoning laws in effect after that date, the claimants would not have been able to establish a dwelling on either of those tax lots when the claimants acquired the property in 1974. The county also clarified that tax lot 200 consists of two parcels. This final order has been revised to reflect that clarification. Finally, the county questioned the department’s conclusion that Marilyn Grunbaum is not an owner of the property, from whom consent must be obtained. As the claimant correctly clarified, Marilyn Grunbaum obtained an interest in the property in 1994 as a trustee of the Grunbaum Family Trust. Measure 49, Section 2(16)(c) provides that trustees of revocable trusts are not considered owners for purposes of Measure 49. Accordingly, Marilyn Grunbaum’s consent was not required in order for the claimants to pursue this claim.

III. CONCLUSION

Based on the analysis above, the claimants qualify for up to three home sites on tax lot 200 of the Measure 37 claim property. However, the number of lots, parcels or dwellings that a claimant may establish pursuant to a home site authorization is reduced by the number of lots, parcels or dwellings currently in existence on the Measure 37 claim property and any contiguous property under the same ownership according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49.

Based on the documentation provided by the claimants and information from Multnomah County, tax lot 200 of the Measure 37 claim property includes two parcels and no dwellings. Therefore, the three home site approvals the claimants qualify for under Section 6 of Measure 49 will authorize the claimants to establish one additional lot or parcel and three dwellings on tax lot 200 of the Measure 37 claim property.

IV. HOME SITE AUTHORIZATION

Based on the analysis set forth above, this claim is approved, and the claimants qualify for three home site approvals on tax lot 200. As explained in section III above, after taking into account the number of existing lots, parcels or dwellings, the claimants are authorized for one additional lot or parcel and three dwellings on the property on which the claimants are eligible for Measure 49 relief, subject to the following terms:

1. Each dwelling must be on a separate lot or parcel, and must be contained within the property on which the claimants are eligible for Measure 49 relief. The establishment of a land division or dwelling based on this home site authorization must comply with all applicable standards governing the siting or development of the land division or dwelling. However, those standards must not be applied in a manner that prohibits the establishment of the land division or dwelling, unless the standards are reasonably necessary to avoid or abate a nuisance, to protect public health or safety, or to carry out federal law.
2. This home site authorization will not authorize the establishment of a land division or
dwelling in violation of a land use regulation described in ORS 195.305(3) or in violation of
any other law that is not a land use regulation as defined by ORS 195.300(14).

3. A claimant is not eligible for more than 20 home site approvals under Sections 5 to 11 of
Measure 49 regardless of how many properties a claimant owns or how many claims a
claimant filed. If the claimants have developed the limit of twenty home sites under
Measure 49, the claimants are no longer eligible for the home site approvals that are the
subject of this order.

4. The number of lots, parcels or dwellings a claimant may establish under this home site
authorization is reduced by the number of lots, parcels and dwellings currently in existence
on the Measure 37 claim property and contiguous property in the same ownership, regardless
of whether evidence of their existence has been provided to the department. If, based on the
information available to the department, the department has calculated the number of
currently existing lots, parcels or dwellings to be either greater than or less than the number
of lots, parcels or dwellings actually in existence on the Measure 37 claim property or
contiguous property under the same ownership, then the number of additional lots, parcels or
dwellings a claimant may establish pursuant to this home site authorization must be adjusted
according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49. Statements in
this final order regarding the number of lots, parcels or dwellings currently existing on the
Measure 37 claim property and contiguous property are not a determination on the current
legal status of those lots, parcels or dwellings.

5. Temporary dwellings are not considered in determining the number of existing dwellings
currently on the property. The claimants may choose to convert any temporary dwelling
currently located on the property on which the claimants are eligible for Measure 49 relief to
an authorized home site pursuant to a home site approval. Otherwise, any temporary dwelling
is subject to the terms of the local permit requirements under which it was approved, and is
subject to removal at the end of the term for which it is allowed.

6. A home site approval only authorizes the establishment of a new lot, parcel or dwelling on
the property on which the claimants are eligible for Measure 49 relief. No additional
development is authorized on contiguous property for which no Measure 37 claim was filed
or on Measure 37 claim property on which the claimants are not eligible for Measure 49
relief. A lot or parcel established pursuant to a home site approval must either be the site of a
dwelling that is currently in existence or be the site of a dwelling that may be established
pursuant to the home site approval.

7. The claimants may use a home site approval to convert a lot, parcel or dwelling currently
located on the property on which the claimants are eligible for Measure 49 relief to an
authorized home site. If the number of lots, parcels or dwellings existing on the property on
which the claimants are eligible for Measure 49 relief exceeds the number of home site
approvals the claimants qualify for under a home site authorization, the claimants may select
which existing lots, parcels or dwellings to convert to authorized home sites; or may
reconfigure existing lots, parcels or dwellings so that the number is equivalent to the number of home site approvals.

8. The claimants may not implement the relief described in this Measure 49 home site authorization if a claimant has been determined to have a common law vested right to a use described in a Measure 37 waiver for the property. Therefore, if a claimant has been determined in a final judgment or final order that is not subject to further appeal to have a common law vested right as described in Section 5(3) of Measure 49 to any use on the Measure 37 claim property, then this Measure 49 Home Site Authorization is void. However, so long as no claimant has been determined in such a final judgment or final order to have a common law vested right to a use described in a Measure 37 waiver for the property, a use that has been completed on the property pursuant to a Measure 37 waiver may be converted to an authorized home site.

9. A home site approval does not authorize the establishment of a new dwelling on a lot or parcel that already contains one or more dwellings. The claimants may be required to alter the configuration of the lots or parcels currently in existence on the Measure 37 claim property and contiguous property so that each additional dwelling established on the property on which the claimants are eligible for Measure 49 relief, pursuant to this home site authorization, is sited on a separate lot or parcel.

10. If the property described in a claim is divided by an urban growth boundary, any new dwelling, lot or parcel established on the property pursuant to a home site approval must be located on the portion of the property outside the urban growth boundary.

11. Because the property is located in a forest zone, the home site authorization does not authorize new lots or parcels that exceed five acres. However, existing or remnant lots or parcels may exceed five acres. Before beginning construction, the owner must comply with the requirements of ORS 215.293. Further, the home site authorization will not authorize new lots or parcels that exceed two acres if the new lots or parcels are located on high-value farmland, on high-value forestland or on land within a ground water restricted area. However, existing or remnant lots or parcels may exceed two acres.

12. Because the property is located in a forest zone, Measure 49 requires new home sites to be clustered so as to maximize suitability of the remnant lot or parcel for farm or forest use. Further, if an owner of the property is authorized by other home site authorizations to subdivide, partition, or establish dwellings on other Measure 37 claim properties, Measure 49 authorizes the owner to cluster some or all of the authorized lots, parcels or dwellings that would otherwise be located on land in an exclusive farm use zone, a forest zone or a mixed farm and forest zone on a single Measure 37 claim property that is zoned residential use or is located in an exclusive farm use zone, a forest zone or a mixed farm and forest zone but is less suitable for farm or forest use than the other Measure 37 claim properties.

13. If the claimants transferred ownership interest in the Measure 37 claim property prior to the date of this order, this order is rendered invalid and authorizes no home site approvals. Provided this order is valid when issued, a home site approval authorized under this order
runs with the property and transfers with the property. A home site approval will not expire, except that if a claimant who received this home site authorization later conveys the property to a party other than the claimant’s spouse or the trustee of a revocable trust in which the claimant is the settlor, the subsequent owner of the property must establish the authorized lots, parcels and dwellings within 10 years of the conveyance. A lot or parcel lawfully created based on this home site authorization will remain a discrete lot or parcel, unless the lot or parcel lines are vacated or the lot or parcel is further divided, as provided by law. A dwelling lawfully created based on a home site approval is a permitted use.

14. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, this home site authorization will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the subject property imposed by private parties.
IT IS HEREBY ORDERED that this Final Order and Home Site Authorization is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.

FOR THE DEPARTMENT AND THE LAND CONSERVATION AND DEVELOPMENT COMMISSION:

[Signature]
Kristin May, Division Manager
Dept. of Land Conservation and Development
Dated this 22nd day of September, 2010.

NOTICE OF RIGHT TO APPEAL OR OTHER JUDICIAL RELIEF

You are entitled, or may be entitled, to judicial remedies including the following:

1. Judicial review is available to anyone who is an owner of the property as defined in Measure 49 that is the subject of this final determination, or a person who timely submitted written evidence or comments to the department concerning this final determination.

2. Judicial review under ORS 183.484 may be obtained by filing a petition for review within 60 days from the service of this order. A petition for judicial review under ORS 183.484 must be filed in the Circuit Court in the county in which the affected property is located. Upon motion of any party to the proceedings, the proceedings may be transferred to any other county with jurisdiction under ORS 183.484 in the manner provided by law for change of venue.

3. Judicial review of this final determination is limited to the evidence in the record of the department at the time of its final determination. Copies of the documents that comprise the record are available for review at the department’s office at 635 Capitol St. NE, Suite 150, Salem, OR 97301-2540. Judicial review is only available for issues that were raised before the department with sufficient specificity to afford the department an opportunity to respond.
