OREGON DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT

ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW OF MEASURE 37 CLAIM
Final Order and Home Site Authorization

STATE ELECTION NUMBER: H134224B

CLAIMANTS: Alexander J. Steele and Willette E. Steele
25200 NE Wapato School Road
Gaston, OR 97119

MEASURE 37 PROPERTY IDENTIFICATION: Township 2S, Range 4W, Section 13
Tax lot 19002
Yamhill County

AGENT CONTACT INFORMATION: Ronald Sattler
Sattler & Associates, LLC
10170 SW 149th Terrace
Beaverton, OR 97007

The claimants, Alexander Steele and Willette Steele, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 5, 2006, for property located at on Wapato School Road, near Gaston, in Yamhill County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.3 However, as initially enacted in 2007, a claimant was not eligible for relief under Measure 49 if the claimant filed a Measure 37 claim with the state after December 4, 2006 but did not comply with the provisions of OAR 660-

1 Claim H134224 has been split into two claims, H134224A and H134224B, because the Measure 37 claim sought relief for non-contiguous parcels. Claim H134224A addresses the claimants' eligibility for Measure 49 relief on tax lots 1903, 1902 and the portion of tax lot 1900 on the northwest side of the railroad and H134224B addresses their relief on the portion of tax lot 1900 on the southeastern side of the railroad.

2 In the Yamhill County Measure 37 reports, the county concludes that the tax lot comprising the Measure 37 claim property, tax lot 1900, consists of six legal parcels. In reliance on those reports, this preliminary evaluation considers the Measure 37 claim property as six legal parcels, Lots 1 through 6 of County Survey 2302. After submitting their Measure 37 claim with the state, the claimants reorganized the claim property into three tax lots. Tax lot 1903 consists of Lot 1, tax lot 1902 consists of Lot 2 and tax lot 1900 consists of Lots 3, 4, 5 and 6. H134224A addresses Lots 1, 2 and 3, while H134224B addresses Lots 4, 5 and 6.

3 The claimants initially elected to have their claim reviewed under Section 7 of Measure 49, but amended their election to request review under Section 6.
December 4, 2006, and the claimants also filed a county Measure 37 claim on or before December 4, 2006.

The claimants filed a timely Measure 37 claim with the state along with any additional claims or applications that the claimants had to have filed in order to be eligible for review under Measure 49, as amended by HB 3225.

2. The Claimant Is an Owner of the Property

Measure 49 defines “Owner” as: “(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner.”

Findings of Fact and Conclusions:

According to the deed submitted by the claimants, Alexander Steele and Willette Steele are the owners of fee title to the portion of tax lot 1900 of the claim property on the southeast side of the railroad identified as Lots 4, 5 and 6 of County Survey 2302 as shown in the Yamhill County deed records and, therefore, are owners of the property under Measure 49.

Yamhill County has confirmed that the claimants are the current owners of the portion of tax lot 1900 of the claim property on the southeast side of the railroad identified as Lots 4, 5 and 6 of County Survey 2302.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Majority of the Measure 37 Claim Property Is Located Outside Any Urban Growth Boundary and Outside the Boundaries of Any City or the Measure 37 Claim Property Is Located within the Boundaries of A City and Entirely Outside Any Urban Growth Boundary

Either the majority of the Measure 37 claim property must be located outside any urban growth boundary and outside the boundaries of any city or the Measure 37 Claim Property must be located within the boundaries of a city and entirely outside any urban growth boundary.
Findings of Fact and Conclusions:

The Measure 37 claim property is located in Yamhill County and the property is located outside any urban growth boundary and outside the city boundary of the nearest city, Gaston.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use (EF-80) by Yamhill County in accordance with ORS chapter 215 and OAR 660, division 33, because the property is “agricultural land” as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone and regulate the establishment of dwellings on new or existing lots or parcels.

The portion of the claim property on the southeast side of the railroad (Lots 4, 5 and 6 of County Survey 2302) consists of approximately 29.95 acres. Therefore, state land use regulations prohibit the claimants from establishing on this portion of the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

(a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
(b) Restricting or prohibiting activities for the protection of public health and safety;
(c) To the extent the land use regulation is required to comply with federal law; or
(d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).
7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant’s acquisition date is “the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates.”

Findings of Fact and Conclusions

Yamhill County deed records indicate that the claimants acquired the Measure 37 claim property on April 26, 1968.

On April 26, 1968, the Measure 37 claim property was not subject to any local or state laws that would have prohibited the claimants from establishing at least three lots or parcels and at least three dwellings. Therefore, the claimants lawfully could have established the three home sites the claimants qualify for on the portion of tax lot 1900 on the southeast side of the railroad (Lots 4, 5 and 6 of County Survey 2302) under Section 6 of Measure 49.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on June 28, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. Comments received have been taken into account by the department in the issuance of this Final Order and Home Site Authorization. The claimant’s agent submitted a comment asserting that the claim property is not contiguous. The analysis of this claim has been revised accordingly.

III. CONCLUSION

Based on the analysis above, the claimants qualify for up to three home sites on the portion of tax lot 1900 on the southeast side of the railroad (Lots 4, 5 and 6 of County Survey 2302). The number of lots, parcels or dwellings that a claimant may establish pursuant to a home site authorization is reduced by the number of lots, parcels or dwellings currently in existence on the Measure 37 claim property and any contiguous property under the same ownership according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49.

Based on the documentation provided by the claimants and information from Yamhill County, the Measure 37 claim property includes three lots or parcels and no dwellings. There is no

---

4 The documentation for this claim indicates that there may be one temporary dwelling currently located on the subject property. Temporary dwellings are not considered in determining the number of dwellings currently existing on the property. The claimants may choose to convert a temporary dwelling currently located on the property on which the claimants are eligible for Measure 49 relief, to an authorized home site through the Measure 49 home site approval. Otherwise, the temporary dwelling is subject to the terms of local permit requirements under which it was approved, and is subject to removal at the end of term for which it is allowed.
contiguous property under the same ownership. Therefore, the three home site approvals the claimants qualify for under Section 6 of Measure 49 will authorize the claimants to establish no additional lots or parcels and three dwellings on the portion of tax lot 1900 on the southeast side of the railroad (Lots 4, 5 and 6 of County Survey 2302) of the Measure 37 claim property.

IV. HOME SITE AUTHORIZATION

Based on the analysis set forth above, this claim is approved, and the claimants qualify for three home site approvals. As explained in section III above, after taking into account the number of existing lots, parcels or dwellings, the claimants are authorized for no additional lots or parcels and three dwellings on the portion of tax lot 1900 on the southeast side of the railroad (Lots 4, 5 and 6 of County Survey 2302) of the property on which the claimants are eligible for Measure 49 relief, subject to the following terms:

1. Each dwelling must be on a separate lot or parcel, and must be contained within the property on which the claimants are eligible for Measure 49 relief. The establishment of a land division or dwelling based on this home site authorization must comply with all applicable standards governing the siting or development of the land division or dwelling. However, those standards must not be applied in a manner that prohibits the establishment of the land division or dwelling, unless the standards are reasonably necessary to avoid or abate a nuisance, to protect public health or safety, or to carry out federal law.

2. This home site authorization will not authorize the establishment of a land division or dwelling in violation of a land use regulation described in ORS 195.305(3) or in violation of any other law that is not a land use regulation as defined by ORS 195.300(14).

3. A claimant is not eligible for more than 20 home site approvals under Sections 5 to 11 of Measure 49 regardless of how many properties a claimant owns or how many claims a claimant filed. If the claimants have developed the limit of twenty home sites under Measure 49, the claimants are no longer eligible for the home site approval that is the subject of this order.

4. The number of lots, parcels or dwellings a claimant may establish under this home site authorization is reduced by the number of lots, parcels and dwellings currently in existence on the Measure 37 claim property and contiguous property in the same ownership, regardless of whether evidence of their existence has been provided to the department. If, based on the information available to the department, the department has calculated the number of currently existing lots, parcels or dwellings to be either greater than or less than the number of lots, parcels or dwellings actually in existence on the Measure 37 claim property or contiguous property under the same ownership, then the number of additional lots, parcels or dwellings a claimant may establish pursuant to this home site authorization must be adjusted according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49. Statements in this final order regarding the number of lots, parcels or dwellings currently existing on the Measure 37 claim property and contiguous property are not a determination on the current legal status of those lots, parcels or dwellings.
5. Temporary dwellings are not considered in determining the number of existing dwellings currently on the property. The claimants may choose to convert any temporary dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site pursuant to a home site approval. Otherwise, any temporary dwelling is subject to the terms of the local permit requirements under which it was approved, and is subject to removal at the end of the term for which it is allowed.

6. A home site approval only authorizes the establishment of a new lot, parcel or dwelling on the property on which the claimants are eligible for Measure 49 relief. No additional development is authorized on contiguous property for which no Measure 37 claim was filed or on Measure 37 claim property on which the claimants are not eligible for Measure 49 relief. A lot or parcel established pursuant to a home site approval must either be the site of a dwelling that is currently in existence or be the site of a dwelling that may be established pursuant to the home site approval.

7. The claimants may use a home site approval to convert a lot, parcel or dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site. If the number of lots, parcels or dwellings existing on the property on which the claimants are eligible for Measure 49 relief exceeds the number of home site approvals the claimants qualify for under a home site authorization, the claimants may select which existing lots, parcels or dwellings to convert to authorized home sites; or may reconfigure existing lots, parcels or dwellings so that the number is equivalent to the number of home site approvals.

8. The claimants may not implement the relief described in this Measure 49 home site authorization if a claimant has been determined to have a common law vested right to a use described in a Measure 37 waiver for the property. Therefore, if a claimant has been determined in a final judgment or final order that is not subject to further appeal to have a common law vested right as described in Section 5(3) of Measure 49 to any use on the Measure 37 claim property, then this Measure 49 Home Site Authorization is void. However, so long as no claimant has been determined in such a final judgment or final order to have a common law vested right to a use described in a Measure 37 waiver for the property, a use that has been completed on the property pursuant to a Measure 37 waiver may be converted to an authorized home site.

9. A home site approval does not authorize the establishment of a new dwelling on a lot or parcel that already contains one or more dwellings. The claimants may be required to alter the configuration of the lots or parcels currently in existence on the Measure 37 claim property and contiguous property so that each additional dwelling established on the property on which the claimants are eligible for Measure 49 relief, pursuant to this home site authorization, is sited on a separate lot or parcel.

10. If the property described in a claim is divided by an urban growth boundary, any new dwelling, lot or parcel established on the property pursuant to a home site approval must be located on the portion of the property outside the urban growth boundary.
11. Because the property is located in an exclusive farm use zone, the home site authorization does not authorize new lots or parcels that exceed five acres. However, existing or remnant lots or parcels may exceed five acres. Before beginning construction, the owner must comply with the requirements of ORS 215.293. Further, the home site authorization will not authorize new lots or parcels that exceed two acres if the new lots or parcels are located on high-value farmland, on high-value forestland or on land within a ground water restricted area. However, existing or remnant lots or parcels may exceed two acres.

12. Because the property is located in an exclusive farm use zone, Measure 49 requires new home sites to be clustered so as to maximize suitability of the remnant lot or parcel for farm or forest use. Further, if an owner of the property is authorized by other home site authorizations to subdivide, partition, or establish dwellings on other Measure 37 claim properties, Measure 49 authorizes the owner to cluster some or all of the authorized lots, parcels or dwellings that would otherwise be located on land in an exclusive farm use zone, a forest zone or a mixed farm and forest zone on a single Measure 37 claim property that is zoned residential use or is located in an exclusive farm use zone, a forest zone or a mixed farm and forest zone but is less suitable for farm or forest use than the other Measure 37 claim properties.

13. If the claimants transferred ownership interest in the Measure 37 claim property prior to the date of this order, this order is rendered invalid and authorizes no home site approvals. Provided this order is valid when issued, a home site approval authorized under this order runs with the property and transfers with the property. A home site approval will not expire, except that if a claimant who received this home site authorization later conveys the property to a party other than the claimant’s spouse or the trustee of a revocable trust in which the claimant is the settlor, the subsequent owner of the property must establish the authorized lots, parcels and dwellings within 10 years of the conveyance. A lot or parcel lawfully created based on this home site authorization will remain a discrete lot or parcel, unless the lot or parcel lines are vacated or the lot or parcel is further divided, as provided by law. A dwelling lawfully created based on a home site approval is a permitted use.

14. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, this home site authorization will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the subject property imposed by private parties.
IT IS HEREBY ORDERED that this Final Order and Home Site Authorization is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.

FOR THE DEPARTMENT AND THE LAND CONSERVATION AND DEVELOPMENT COMMISSION:

[Signature]
Kristin May, Division Manager
Dept. of Land Conservation and Development
Dated this 4th day of September, 2010.

NOTICE OF RIGHT TO APPEAL OR OTHER JUDICIAL RELIEF

You are entitled, or may be entitled, to judicial remedies including the following:

1. Judicial review is available to anyone who is an owner of the property as defined in Measure 49 that is the subject of this final determination, or a person who timely submitted written evidence or comments to the department concerning this final determination.

2. Judicial review under ORS 183.484 may be obtained by filing a petition for review within 60 days from the service of this order. A petition for judicial review under ORS 183.484 must be filed in the Circuit Court in the county in which the affected property is located. Upon motion of any party to the proceedings, the proceedings may be transferred to any other county with jurisdiction under ORS 183.484 in the manner provided by law for change of venue.

3. Judicial review of this final determination is limited to the evidence in the record of the department at the time of its final determination. Copies of the documents that comprise the record are available for review at the department’s office at 635 Capitol St. NE, Suite 150, Salem, OR 97301-2540. Judicial review is only available for issues that were raised before the department with sufficient specificity to afford the department an opportunity to respond.
