

**OREGON DEPARTMENT OF LAND CONSERVATION AND
DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order and Home Site Authorization**

STATE ELECTION NUMBER:

H134284¹

CLAIMANTS:

Clark D. and Betty J. Dysle
37565 Rodgers Drive
Scio, OR 97374

**MEASURE 37 PROPERTY
IDENTIFICATION:**

Township 10S, Range 2W, Section 26
Tax lot 103
Linn County

The claimants, Clark and Betty Dysle, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on January 22, 2007, for property located near Rodgers Lane, east of S Ruby Loop, near Scio, in Linn County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants. However, as initially enacted in 2007, a claimant was not eligible for relief under Measure 49 if the claimant filed a Measure 37 claim with the state after December 4, 2006, but did not comply with the provisions of OAR 660-041-0020, then in effect. Clark and Betty Dysle were not entitled to Measure 49 relief on that basis.

However, the Oregon State Legislative Assembly subsequently amended this Measure 49 requirement through the passage of House Bill 3225 (Chapter 855 (2009 Laws)) (HB 3225). As a result, this requirement no longer prevents the claimants, Clark and Betty Dysle, from obtaining Measure 49 relief. The claimants elected to seek relief under Measure 49, as amended by HB 3225, and submitted the \$175 fee required by Section 18 of HB 3225 in order to have the claim reviewed.

This Final Order and Home Site Authorization is the conclusion of the supplemental review of this claim.

¹ The claimants have also submitted a claim for property not contiguous to the subject property which is identified as H134293.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested one home site approval in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes one home site. Therefore, the claimants may qualify for a maximum of one home site approval under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, as amended by HB 3225, the claimants must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with the state before Measure 49 became effective on December 6, 2007. If the claimant filed their state Measure 37 claim after December 4, 2006, the claimant must also have either (a) filed the claim in compliance with the provisions of OAR 660-041-0020 then in effect; (b) submitted a land use application as described in OAR 660-041-0020 then in effect prior to June 28, 2007; or (c) filed a Measure 37 claim with the county on or before December 4, 2006.

Findings of Fact and Conclusions

The claimants, Clark and Betty Dysle, filed a Measure 37 claim, M134284, with the state on January 22, 2007. The claimants filed a Measure 37 claim, M37-060-06, with Linn County on August 23, 2006. The state claim was filed after December 4, 2006, and the claimants also filed a county Measure 37 claim before December 4, 2006.

The claimants filed a timely Measure 37 claim with the state along with any additional claims or applications that the claimants had to have filed in order to be eligible for review under Measure 49, as amended by HB 3225.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed submitted by the claimants, Clark and Betty Dysle are the owners of fee title to the property as shown in the Linn County deed records and, therefore, are owners of the property under Measure 49.

Linn County has confirmed that the claimants are the current owners of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Majority of the Measure 37 Claim Property Is Located Outside Any Urban Growth Boundary and Outside the Boundaries of Any City or the Measure 37 Claim Property is Located within the Boundaries of A City and Entirely Outside Any Urban Growth Boundary

Either the majority of the Measure 37 claim property must be located outside any urban growth boundary and outside the boundaries of any city or the Measure 37 Claim Property must be located within the boundaries of a city and entirely outside any urban growth boundary.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Linn County and the property is located outside any urban growth boundary and outside the city boundary of the nearest city, Scio.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use (EFU) by Linn County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone, and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants' property consists of 23.63 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the one home site the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, it does not appear that the establishment of the one home site for which the claimants may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Linn County deed records indicate that the claimants acquired the property on June 5, 1972.

On June 5, 1972, the Measure 37 claim property was subject to Linn County's Exclusive Farm Use (EFU) zone. Linn County's EFU zone required at least 20 acres for the establishment of a dwelling on a vacant lot or parcel. The Measure 37 claim property consists of 23.63 acres. Therefore, the claimants lawfully could have established the requested one home site on the Measure 37 property on their date of acquisition.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on June 7, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. The comment received has been taken into account by the department in the issuance of this Final Order and Home Site Authorization; however, the issue raised in the comment is more appropriately considered by Linn County at the time the claimants seek land use approval

based on the Home Site Authorization and are therefore not specifically addressed in this Final Order.

III. CONCLUSION

Based on the analysis above, the claimants qualify for one home site. However, the number of lots, parcels or dwellings that a claimant may establish pursuant to a home site authorization is reduced by the number of lots, parcels or dwellings currently in existence on the Measure 37 claim property and any contiguous property under the same ownership according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49.

Based on the documentation provided by the claimants and information from Linn County, the Measure 37 claim property includes one lot or parcel and no dwellings. There is no contiguous property under the same ownership. Therefore, the one home site approval the claimants qualify for under Section 6 of Measure 49 will authorize the claimants to establish one dwelling on the Measure 37 claim property.

IV. HOME SITE AUTHORIZATION

Based on the analysis set forth above, this claim is approved, and the claimants qualify for one home site approval. As explained in section III above, after taking into account the number of existing lots, parcels or dwellings, the claimants are authorized for one dwelling on the property on which the claimants are eligible for Measure 49 relief, subject to the following terms:

1. Each dwelling must be on a separate lot or parcel, and must be contained within the property on which the claimants are eligible for Measure 49 relief. The establishment of a dwelling based on this home site authorization must comply with all applicable standards governing the siting or development of the dwelling. However, those standards must not be applied in a manner that prohibits the establishment of the dwelling, unless the standards are reasonably necessary to avoid or abate a nuisance, to protect public health or safety, or to carry out federal law.
2. This home site authorization will not authorize the establishment of a dwelling in violation of a land use regulation described in ORS 195.305(3) or in violation of any other law that is not a land use regulation as defined by ORS 195.300(14).
3. A claimant is not eligible for more than 20 home site approvals under Sections 5 to 11 of Measure 49 regardless of how many properties a claimant owns or how many claims a claimant filed. If the claimants have developed the limit of twenty home sites under Measure 49, the claimants are no longer eligible for the home site approval that is the subject of this order.
4. The number of dwellings a claimant may establish under this home site authorization is reduced by the number of dwellings currently in existence on the Measure 37 claim property and contiguous property in the same ownership, regardless of whether evidence of their existence has been provided to the department. If, based on the information available to the department, the department has calculated the number of currently existing dwellings to be

either greater than or less than the number of dwellings actually in existence on the Measure 37 claim property or contiguous property under the same ownership, then the number of additional dwellings a claimant may establish pursuant to this home site authorization must be adjusted according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49. Statements in this final order regarding the number of lots, parcels or dwellings currently existing on the Measure 37 claim property and contiguous property are not a determination on the current legal status of those lots, parcels or dwellings.

5. Temporary dwellings are not considered in determining the number of existing dwellings currently on the property. The claimants may choose to convert any temporary dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site pursuant to a home site approval. Otherwise, any temporary dwelling is subject to the terms of the local permit requirements under which it was approved, and is subject to removal at the end of the term for which it is allowed.
6. A home site approval only authorizes the establishment of a new dwelling on the property on which the claimants are eligible for Measure 49 relief. No additional development is authorized on contiguous property for which no Measure 37 claim was filed.
7. The claimants may use a home site approval to convert a dwelling currently located on the property on which the claimants are eligible for Measure 49 relief to an authorized home site. If the number of dwellings existing on the property on which the claimants are eligible for Measure 49 relief exceeds the number of home site approvals the claimants qualify for under a home site authorization, the claimants may select which existing dwellings to convert to authorized home sites.
8. The claimants may not implement the relief described in this Measure 49 home site authorization if a claimant has been determined to have a common law vested right to a use described in a Measure 37 waiver for the property. Therefore, if a claimant has been determined in a final judgment or final order that is not subject to further appeal to have a common law vested right as described in Section 5(3) of Measure 49 to any use on the Measure 37 claim property, then this Measure 49 Home Site Authorization is void. However, so long as no claimant has been determined in such a final judgment or final order to have a common law vested right to a use described in a Measure 37 waiver for the property, a use that has been completed on the property pursuant to a Measure 37 waiver may be converted to an authorized home site.
9. A home site approval does not authorize the establishment of a new dwelling on a lot or parcel that already contains one or more dwellings.
10. If the property described in a claim is divided by an urban growth boundary, any new dwelling, lot or parcel established on the property pursuant to a home site approval must be located on the portion of the property outside the urban growth boundary.
11. Because the property is located in an exclusive farm use zone, the owner must comply with the requirements of ORS 215.293 before beginning construction.

12. If an owner of the property is authorized by other home site authorizations to subdivide, partition, or establish dwellings on other Measure 37 claim properties, Measure 49 authorizes the owner to cluster some or all of the authorized lots, parcels or dwellings that would otherwise be located on land in an exclusive farm use zone, a forest zone or a mixed farm and forest zone on a single Measure 37 claim property that is zoned residential use or is located in an exclusive farm use zone, a forest zone or a mixed farm and forest zone but is less suitable for farm or forest use than the other Measure 37 claim properties.
13. If the claimants transferred ownership interest in the Measure 37 claim property prior to the date of this order, this order is rendered invalid and authorizes no home site approvals. Provided this order is valid when issued, a home site approval authorized under this order runs with the property and transfers with the property. A home site approval will not expire, except that if a claimant who received this home site authorization later conveys the property to a party other than the claimant's spouse or the trustee of a revocable trust in which the claimant is the settlor, the subsequent owner of the property must establish the authorized dwellings within 10 years of the conveyance. A dwelling lawfully created based on a home site approval is a permitted use.
14. To the extent that any law, order, deed, agreement or other legally enforceable public or private requirement provides that the subject property may not be used without a permit, license or other form of authorization or consent, this home site authorization will not authorize the use of the property unless the claimants first obtain that permit, license or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.402 or 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the subject property imposed by private parties.

IT IS HEREBY ORDERED that this Final Order and Home Site Authorization is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
