Objectives for May Meeting # 7:

- Welcome and provide & updates
- Introduce a DRAFT Discussion Concept–Reflecting the Roundtable feedback so far
- Fill in gaps in the Concept with focused conversations

9:00am	Arrival, Welcoming Providing a moment for participants to join and settle in. <i>Coffee, hot tea, and water will be provided.</i>
9:15am	Overview of the DRAFT Roadmap Discussion Concept - What is the Discussion Concept for? - Which parts came from the Roundtable? What did DLCD include from elsewhere? What was not included? And why? - General questions on what the document is and is not, and what happens next?
10:00 am	Breakouts: Sections I and II <i>(Background, Goals, Principles, Alternative Futures)</i> - What, if anything, needs to change about the Goals for the Roadmap? - What, if anything, needs to change about the Principles for the Roadmap? - Should the Roadmap include alternative futures? If yes, why? If yes, which alternative futures should be used to inform Roadmap strategies and actions?
10:45 am	Full group report and discussion: Sections I and II <i>(Background, Goals, Principles, Alternative Futures)</i> - Reports - Discussion

11:15 am	Full group discussion: Section III (full group) • Re-orientation to the engagement steps by phase of OSW development • Look at Section III. What are the “meaningful engagement” recommendations at each stage of OSW development?
12:15 am	Public Comment Part I
12:30 pm	Lunch Break (provided)
1:30 pm	Breakouts: Section V part 1 (Objectives, Strategies, and Actions) • Meaningful Engagement • Support Communities • New Economic Opportunities • Workforce Each breakout discusses the 4 objectives for 40 min. Then report outs for 20 min
2:30pm	Breakouts: Section V part 2 (Objectives, Strategies, and Actions) • Cultural and Archaeological Resources • Protect the Environment • Achieve Energy Objectives • Optimize Permitting Each breakout discusses the 4 objectives for 40 min. Then report outs for 20 min
3:30pm	Break
3:45 pm	Full group: Strategic Conversations • Themes that emerged from today that need more work (What did the discussion draft get right, what needs to change) • If ready/needed, look over revised diagrams
4:15pm	Directions to DLCD and others before June 17 • Focused conversations to have • Other work hoped for
4:30 pm	Public Comment Part II
4:45pm	Closing & next steps
5:00pm	Adjourn
