Meeting ID: 831 2128 7802 | Passcode: 655380

Meeting Purpose

The purpose of this final work group meeting is to facilitate an informal conversation about the OHNA policy recommendations as they shift into the legislative process. Facilitators will provide updates from the Legislature's committee conversations last week and reserve the bulk of the time for Work Group members to reflect on lessons, messages, and process. The agenda below outlines.

There are no materials that work group members need to review in advance of the meeting. The following agenda outlines the general topics for discussion.
