

Oregon's Housing Initiatives: How Will They Affect Our Communities?

Eastern Oregon Event Monday, February 10, noon - 2 pm

Eastern Oregon Trade and Event Center
1705 E Airport Rd, Hermiston

Light lunch provided * All Ages Welcome

Parking is located on-site

Special accommodations are available, upon request, for persons with disabilities or those needing sign language interpretation, or languages other than English. Spanish interpretation will be provided. Please contact housing.dlcd@state.or.us up to 48 hours in advance to request accommodations.

Join Department of Land Conservation and Development (DLCD) staff and local leaders to discuss new housing initiatives in Oregon. DLCD is holding roundtable discussions throughout the state to collect guidance and hear concerns from affected communities as the state advances our shared work to encourage a variety of housing types to provide residents more diverse housing choices.

Why now? The Oregon Legislature passed two significant housing bills in the 2019 legislative session – House Bill 2001 and 2003. The Legislature passed these bills to provide additional housing choices and to help ensure housing production.

Purpose – DLCD will provide community members and city staff information about the two new housing bills and receive community guidance on topics that should be considered early in the process.

Contacts: Ethan Stuckmayer
DLCD Senior Housing Planner
ethan.stuckmayer@state.or.us
503-934-0619

Tamra Mabbott
Eastern Oregon Regional Representative
