RULE TITLE: Record

NOTICE FILED DATE: 11/27/2024

RULE SUMMARY: Corrects an error by removing a reference to a paper copy.

RULE TEXT:

(1) Contents of Record: Unless the Board otherwise orders, or the parties otherwise agree in writing, the record shall include at least the following:

(a) The final decision including any findings of fact and conclusions of law.

(b) All written testimony and all exhibits, maps, documents or other materials specifically incorporated into the record or placed before, and not rejected by, the final decision maker, during the course of the proceedings before the final decision maker.

(c) Minutes and tape, CD, DVD or other media recordings of the meetings conducted by the final decision maker, if created by the final decision maker or incorporated into the record by the final decision maker. A verbatim transcript of media recordings shall not be required, but if a transcript has been prepared by the governing body, it shall be included.

(d) Notices of proposed action, public hearing and adoption of a final decision, if any, published, posted or mailed during the course of the land use proceeding, including affidavits of publication, posting or mailing. Such notices shall include any notices concerning amendments to acknowledged comprehensive plans or land use regulations given pursuant to ORS 197.610(1) or 197.615(1) and (2).

(2) Transmittal of Record:

(a) The governing body shall, within 21 days after service of the Notice on the governing body, transmit to the Board a certified paper copy of the record of the proceeding under review. The governing body may, however, retain any large maps, media recordings, or difficult-to-duplicate documents and items until the date of oral argument. Where documents are retained until the date of oral argument, those retained documents shall be identified in the table of contents, as provided in OAR 661-010-0025(4)(B). Transmittal of the record is accomplished by mailing by first-class, priority, certified, or registered mail, or depositing with or dispatching for delivery by a commercial delivery service, on or before the due date.

(b) As an alternative to transmitting a certified paper copy of the record, a local government may transmit the record to the Board in electronic format. Transmittal of an electronic copy is accomplished by mailing by first-class, priority, certified, or registered mail, or depositing with or dispatching for delivery by a commercial delivery service, two complete copies of the record on optical disks or flash drive, with documents recorded in a PDF format, on or before the due date. If the record exceeds 100 pages, the electronic copy shall be searchable. A local government may transmit the record in electronic form, and also retain items until oral argument as described in OAR 661-010-0025(2)(a).

(3) Service of Record:

(a) Contemporaneously with transmittal, the governing body shall serve a copy of the record in the format that it was transmitted to the Board, exclusive of large maps, media recordings, and difficult-to-duplicate documents and items, on all parties to the appeal. The governing body shall also serve a copy of any media recording included in the record, or any recording from which a transcript included in the record was prepared, on all parties to the appeal.

(b) By prior agreement of the party to be served, service of the record as described in OAR 661-010-0025(3)(a) may be in a format that differs from how the record was transmitted to the Board.

(4) Specifications of Record:

(a) The record, including any supplements or amendments, shall:

(A) Be filed in a suitable folder; the cover shall bear the title of the case as it appears in the Notice or in the Board's order consolidating multiple appeals, and the Board's numerical designation for the case, and shall indicate the numerical designation given the land use decision or limited land use decision by the governing body; if the record consists of multiple volumes, the cover shall indicate the page numbers contained in each volume;

(B) Begin with a table of contents, listing each item contained therein, and the page of the record where the item begins.

See Exhibit 2.

(i) Where an item listed in the table of contents includes attached exhibits, the exhibits shall be separately listed as an exhibit to the item. Where the exhibit is also a document that is being retained under OAR 661-010-0025(2), the exhibit shall also be listed at the end of the table of contents as provided in subsection (ii) below.

(ii) Where large maps, media recordings, or other items or documents are retained by the governing body under section (2) of this rule, those retained items shall be separately listed at the end of the table of contents;

(C) Be securely fastened on the left side;

(D) Have pages numbered consecutively, with the page number at the bottom outside corner of each page;

(E) Be arranged in inverse chronological order, with the most recent item first. Exhibits attached to a record item shall be included according to the numerical or alphabetical order in which they are attached, not the date of the exhibits. Upon motion of the governing body, the Board may allow the record to be organized differently.

(b) Where the record includes the record of a prior appeal to this Board, the table of contents shall specify the LUBA number of the prior appeal, and indicate that the record of the prior appeal is incorporated into the record of the current appeal.

(c) A record that does not substantially conform to the preceding requirements may be rejected by the Board.

(5) If no record objection is filed and the governing body transmits an amendment to the record, the date the amendment is received by the Board shall be considered the date the record is received for the purpose of computing time limits as required by these rules.

NOTICE FILED DATE: 11/27/2024

RULE SUMMARY: Removes reference to the agency's old address, corrects an error by removing a reference to a cost bill.

RULE TEXT:

(1) Attorney Fees and Forfeiture of Filing Fees:

(a) Time for Filing: The prevailing party may file a motion for attorney fees no later than 14 days after the final order is issued. The prevailing party shall serve a copy of any such motion for attorney fees on all parties.

(b) Forfeit of Filing Fee: If a record has been filed and a petition for review is not filed within the time required by these rules, and the governing body files a motion pursuant to this section requesting forfeiture of the filing fee, then the filing fee required by OAR 661-010-0015(4) shall be forfeited to the governing body. In addition, if the governing body files a motion pursuant to this section, the Board shall award the governing body up to \$200, payable from petitioner(s) to the governing body, as cost of preparation of the record. See OAR 661-010-0030(1).

(c) Attorney Fees:

(A) Attorney fees shall be awarded by the Board to the prevailing party as specified in ORS 197.830(15)(b) and (c); a motion for attorney fees shall include a signed and detailed statement of the amount of attorney fees sought.

(B) Attorney fees shall be awarded to the applicant, against the governing body, if the Board reverses a land use decision or limited land use decision and orders a local government to approve a development application pursuant to ORS 197.835(10).

(C) Attorney fees shall be awarded to the applicant, against the person who requested a stay pursuant to ORS 197.845, if the Board affirms a quasi-judicial land use decision or limited land use decision for which such a stay was granted. The amount of the award shall be limited to reasonable attorney's fees incurred due to the stay request, and together with any actual damages awarded, shall not exceed the amount of the undertaking required under 197.845(2).

(d) Responses and Objections: Any response to a motion for attorney fees, together with any objections to the detailed statement of the amount of attorney fees sought, shall be filed with the Board within 14 days after the date of service of the motion.

(e) If a motion for attorney fees is filed, and the Board's decision is appealed to the Court of Appeals, the Board shall act on the motion for attorney fees after an appellate judgment is issued and any further Board proceedings necessitated by that judgment are concluded.

(2) Filing and Service:

(A) Documents may not be filed by facsimile or electronic mail. Documents filed with the Board may include signatures that are:

(i) An original ink signature;

(ii) A facsimile signature; or

(iii) An electronic signature that includes the typed name of the filer and an indication that the typed name is intended to substitute for the filer's signature. If the filer is an attorney, the attorney's bar number and an indication of the party whom the attorney represents must appear as part of or in addition to the signature block. Where an electronic signature is relied upon, the filing shall be accompanied by a certificate of compliance attesting to the authenticity of the signature. See Exhibit 11. If multiple parties are joining in the filing, each party must attest to compliance and the filing shall be accompanied by written confirmation of support for the filing. The "/s/" form of signature is not an electronic signature for purposes of this rule.

(b) A request for a transfer pursuant to ORS 34.102 shall be initiated by filing a motion to transfer to circuit court not later than 14 days after the date a respondent's brief or motion that challenges the Board's jurisdiction is filed. If the Board raises a jurisdictional issue on its own motion, a motion to transfer to circuit court shall be filed not later than 14 days after the date the moving party learns the Board has raised a jurisdictional issue.

(c) If the Board determines the appealed decision is not reviewable as a land use decision or limited land use decision as defined in ORS 197.015(10) or (12), the Board shall dismiss the appeal unless a motion to transfer to circuit court is filed as provided in subsection (9)(b) of this rule, in which case the Board shall transfer the appeal to the circuit court of the county in which the appealed decision was made.

(10) Transfer from Circuit Court: When any appeal of a land use or limited land use decision is transferred to LUBA from circuit court, the petition for writ of review filed in the circuit court shall be treated as the notice of intent to appeal, and the case shall proceed as provided in LUBA's rules, subject to the following:
