25 You are entitled to judicial review of this Order.

26 Judicial review is governed by the provisions of Oregon

1 Reynolds, Referee

2 Petitioners have moved that their appeal of Respondent's  
3 Year 2000 Comprehensive Plan and ordinance number PL-15 be  
4 dismissed for the reason that the LCDC acknowledgement process  
5 for the Deschutes Year 2000 Comprehensive Plan has made the  
6 appeal moot. Respondent has filed no objection to the motion  
7 to dismiss.

8 Based upon Petitioner's motion to dismiss, and no objection  
9 having been filed to the motion, the Board orders that this  
10 appeal be dismissed.
