19 You are entitled to judicial review of this Order.
20 Judicial review is governed by the provisions of Oregon
21 Laws 1979, ch 772, sec 6(a).

1 Reynolds, Referee

2 Petitioners have moved that their appeal of Respondent's
3 Year 2000 Comprehensive Plan and ordinance number PL-15 be
4 dismissed for the reason that the LCDC acknowledgement process
5 for the Deschutes Year 2000 Comprehensive Plan has made the
6 appeal moot. Respondent has filed no objection to the motion
7 to dismiss.

8 Based upon Petitioner's motion to dismiss, and no objection
9 having been filed to the motion, the Board orders that this
10 appeal be dismissed.
