FINAL OPINION  
AND ORDER  
(ORDER OF DISMISSAL)

12                This matter is before the Board upon the stipulated motion  
13 of petitioners and respondent to dismiss the above captioned  
14 appeal on the grounds that:

15                "...the Department of Land Conservation and  
16 Development has scheduled action on Lane County's  
17 request for compliance acknowledgment pursuant to ORS  
18 197.251 for the January 29-30, 1981 meeting of the  
19 Land Conservation and Development Commission.  
20 Ordinances No. 817, 840, 807 and 841 the subject of  
this appeal, were included as part of the  
acknowledgment request. All issues which would be  
raised by petitioners in this proceeding are proper  
subjects of acknowledgment review."

21                It is hereby ordered, for the foregoing reason, that this  
22 appeal is dismissed.

23                It is further ordered that petitioners' deposit for costs  
24 be returned to petitioners.
