COX, Board Member.

Petitioner has filed a motion to dismiss and cost bill on the ground the order appealed from has been revoked and been declared null and void. Petitioner appealed Final Order No. 4430 and Respondent Curry County revoked said order, thereby remedying petitioner's alleged injury. Petitioner has also requested an award of the \$50 filing fee and return of the petitioner's \$150 deposit for costs.

It is ordered that this appeal is dismissed. It is further ordered that petitioner's \$150 deposit for costs shall be returned and request for award of the \$50 filing fee is denied.

Dismissed.
