

1 Ryan, Board Member.

2 The petition for review in this appeal was due to be filed by November 12,  
3 2019. On November 14, 2019, the Board received a letter from petitioner dated  
4 November 12, 2019 that states:

5 "Please be informed that Lorene Hunt is ill & has been incapacitated  
6 for several weeks and therefore will not be able to pursue Case 2019-  
7 076."

8 The letter is signed by petitioner.<sup>1</sup> The letter was not accompanied by a certificate  
9 of filing indicating the date it was filed, or a certificate of service indicating that  
10 it was served on respondent.

11 We treat the letter as petitioner's withdrawal of the appeal. Accordingly,  
12 this appeal is dismissed.

<sup>1</sup> Although the Notice of Intent to Appeal describes two petitioners, Lorene Hunt and Jonathan Hunt, and according to the NITA, each represents themselves, only Lorene Hunt signed the NITA. Accordingly, Lorene Hunt is the sole petitioner in this appeal.
