Proposed and Final Order

Pursuant to ORS 675.715 to 675.835 and OAR 833-01-001 to 833-60-001, the State Board of Licensed Professional Counselors and Therapists proposes to reject the application of William C. Moisant for a license as a marriage and family therapist on the facts set forth herein and incorporated by reference and to close the application file.

Right to a Hearing

The applicant, William C. Moisant has the right to request a hearing under the provisions of ORS chapter 183. If a hearing is requested, information on the procedures, right of representation and the rights of parties will be given before the commencement of the hearing.

Waiver

If no hearing is requested, William C. Moisant waives any statutory requirements as to the form of the order including Findings of Fact and Conclusions of Law under the provisions of ORS 183.470.

Facts and Statements in Support of Order

1. Application for examination for licensure signed by William C. Moisant was received June 23, 1992. The application includes a transcript showing a Master of Social Work degree from Portland State University plus degree information and an attestation of experience by Robert Conniff.

2. OAR 833-20-010 adopted pursuant to ORS 675.715 requires applicants to submit an official transcript and supporting documentation as necessary showing education requirements have been met, and documentation to prove experience requirements have been met.

3. OAR 833-20-090 requires a graduate degree in marriage and family therapy from a program accredited by the Commission on Accreditation for Marriage and Family Therapy Education or a program that meets the graduate degree standards in OAR 833-25-001 and 005. The MSW program at Portland State University is not CAMFTE accredited. The program does not meet the coursework requirements for a marriage and family therapy program, lacking specialty courses in marriage and family therapy, research, and professional studies.

4. OAR 833-20-100 defines three years of full-time supervised experience as 2,000 client contact hours during at least three different years under a supervisor meeting board prescribed criteria. The attestation by Conniff shows the experience during calendar years 1991 and 1992. Experience was not gained during at least three different years.

6. OAR 833-20-020 requires re-application for applicants who fail to become licensed within one year, if applicant does not meet the qualifications for examination. It has been a year since the application was initiated and the applicant has not documented meeting the qualifications.

7. The Board of Licensed Professional Counselors and Therapists license file and the documents therein are incorporated by reference in support of this order in the form the file existed on August 1, 1993.
