

**OBLPCT CONTINUING EDUCATION (CE) CHANGES**  
**EFFECTIVE OCTOBER 10, 2016**

*Note- these are included as a part of— not in addition to— the required 40 clock hours.*

- The following must first be completed no later than your 2018 renewal deadline, and will first be reported when you renew in 2018. These are continuing (*not* one-time only) requirements, which must be a part of your CE completed during each two-year reporting period.
  - Licensees must complete four clock hours of **Cultural Competency Continuing Education (CCCE)** within each two-year reporting period. Please visit our [CCCE Webpage](#) for more information.
  - Licensees who supervise registered interns, including all licensees on the [Supervisor Registry](#), must complete at least three clock hours of **Supervision-Related Training** within each reporting period. Those on the supervisor registry will no longer need to complete at least five clock hours of supervision related training, retake the laws and rules exam, and renew every five years.
- The CE requirements do not apply to those on or changing to [inactive status](#).
