Dr. Sweet,

Thank you for your message. The Board does not have a statement at this time. I appreciate you bringing this to our attention, I will put it on the agenda for the Board bi-monthly public meeting in February for discussion.

Best,

You don't often get email from [drsweet@therenclinic.com](mailto:drsweet@therenclinic.com). [Learn why this is important](#)

Hello OBNM team,

Does OBNM have an AI scribe statement or policy around patient consent? I've located [OBM's statement](#).

I'm wondering if there are resources or templates around notifying patients of AI scribe usage and/or obtaining verbal or written consent.

Thanks for your help,  
Jessica Sweet
