Importance: High

Hello All,

I hope that you are all safe and doing as well as can be expected during these uncertain times. I recently learned there is a document circulating in the Oregon ND community authored by the Federation of State Medical Boards; titled “States Modifying Continuing Medical Education Requirements in Response to COVID-19.”

THIS DOCUMENT DOES NOT APPLY TO CONTINUING EDUCATION REQUIRED BY THE OREGON BOARD OF NATUROPATHIC MEDICINE.

Oregon Revised Statutes and Oregon Administrative Rules require all active and inactive licensees to submit proof of completion of continuing education **ANNUALLY by December 31.**

To ensure you are in compliance by the December 31 renewal deadline, please review:

OAR 850-040-0210 - Continuing Education –

Please send any comments / questions via email.

Thank you

Per Governor Kate Brown’s Executive Order 20-12, the Oregon Board of Naturopathic Medicine is closed to the public. Board staff will primarily work remotely for the duration of the order, therefore, email is the most efficient mode of communication at this time. We appreciate your patience.
