**What is the Formulary
Council? What will I do?
How much time will this
take?**

- ♦ Seven member advisory committee to the Board, who reviews and recommends safe, effective and evidence based pharmaceuticals for use by naturopathic physicians.
- ♦ Your contributions will help guide critical decisions regarding training, medication approvals, updates to formulary guidelines, and policies that impact the practice statewide.
- ♦ The Council meets virtually, biannually (March/September). A per diem is included. The time commitment is approximately 1.5-3 hours per meeting, depending upon the agenda, providing a meaningful but manageable commitment.

Please visit the **Board of Naturopathic Medicine** website to learn more about the **Formulary Council** and the **Board**. Please do not hesitate to reach out to me directly with any questions.
