

The Board of Naturopathic Medicine – is seeking to fill **TWO** vacancies on the Council of Naturopathic Physicians Formulary. One **naturopathic physician (ND) licensed by the Oregon Board of Naturopathic Medicine**, appointed by OBNM. One **physician (MD) licensed by the Oregon Medical Board**, appointed by OMB.

Oregon Revised Statute 685.145 established a Council on Naturopathic Physicians Formulary, which is composed of seven members. The Purpose of the Council is to revise, maintain, and update the naturopathic prescribing formulary compendium.

Oregon naturopathic physicians may prescribe medication from one of the most comprehensive formularies in the nation, currently containing over 1700 drugs.

Naturopathic doctors are licensed to diagnose and treat disease, can perform or order diagnostic exams and tests, and can prescribe all pharmaceuticals needed in a primary care practice as well as the natural therapeutics.

The Council meets two times a year – March and September. The time commitment is roughly 5 hours in those months, consisting of reading meeting materials and attending a half day meeting. It is rare to ask for any additional time commitment the remainder of the year.

To learn more about the Council's work, as well the current membership, please see our website: <https://www.oregon.gov/obnm/Pages/Formulary%20Council.aspx>

Please share with your networks and direct anyone interested in applying for either position, to please send a letter of interest and CV by **MONDAY, FEB 22 @ 5pm** to naturopathic.medicine@oregon.gov

All MD applicant materials will be sent directly to the Executive Director of the Oregon Medical Board for consideration.

Please do not hesitate to contact me with any comments or questions.

Thank you,
