RULE TITLE: Education and Reporting Requirements for Ketamine Therapy

NOTICE FILED DATE: 10/10/2022

RULE SUMMARY: Sets Education and Reporting Requirements for Ketamine Therapy

RULE TEXT:

- (1) Prior to prescribing non-topical ketamine; a Licensee must provide the Board proof of completion of four (4) hours of Board approved pharmacology education on prescribing Ketamine, including dosage and administration, clinical indications, and safety planning
- (2) Prior to prescribing non-topical ketamine, unless prescribing ketamine for pain management only, a Licensee must provide the Board proof of completion of two (2) hours of Board approved ethics education on Ketamine prescribing and treatment, including doctor-patient boundaries, enhanced consent, and therapy models.
- (3) IV and Injectable Ketamine must be administered and supervised for the duration of the treatment by a Licensee who has completed the required training in Section 1 and 2.
- (4) Licensees may submit to the Board proof of approved education required in Section 1 and 2, earned before December 31, 2022, for approval for compliance with this rule.
