NoticeBD-10032025.pdf;

The Board has convened a rules advisory committee that is having its first meeting Friday 10/3/25 at 9 am. The meeting notice is attached. Please note that there will be no law/ethics CE credit for licensees attending this meeting.

Other tips:

📎 If you're **reporting an OHA cultural competency course**, please enter it as an AMA course with the actual course title, the number of hour(s) of credit, the CE type of culture and the course completion date. The old OBO OHA placeholder course isn't working since the system migration, so this is our work around.

CE course information (course date, title, CE type and hour(s)) is now available in the CE section of the portal. That data had been missing on the portal CE screen but the vendor has updated the system so you can see what you'd reported in prior license renewals.

Do not enter CE courses twice that were added through the ARBO data feed. If you'd like to add certificates of completion for those courses and aren't able to do so, please email them to OBO staff and we can add them for you.
