

OREGON BOARD OF OPTOMETRY

Applicants for Examination and Licensure:

Applications for optometry licensure are accepted by the Board at any time during the year. To enter the Board's online application system, use this address:

<https://public.orldicensing.oregon.gov/OBOApplication/universalpages/loginpage.aspx>

In addition to Parts I, II and III, and TMOD, the National Board of Examiners in Optometry administers the Oregon Law and Administrative Rules Exam. Please review the NBEO web site to register for any of these exams at: <http://www.optometry.org/>.

A compilation of the Oregon Optometry Law and Administrative Rules may be downloaded at the Board's website at: <http://www.oregon.gov/obo/board/Pages/statutes.aspx>.

Please visit the laws/rules page of the Board's website for current rules for application by exam and endorsement.

If you have any questions concerning the licensing process, please contact the Board's office: Melissa Auman: (971) 701-1603 - or - melissa.auman@obo.oregon.gov
